COMMITTEE ON BUILDINGS AND ZONING.

Action Deferred—ON PROPOSED RESOLUTION RELATIVE TO OPPOSITION TO PROPOSED RELOCATION OF HOUSING COURT FROM DALEY CIVIC CENTER TO E. 13TH STREET AND S. MICHIGAN AVENUE, ETC.

The Committee on Buildings and Zoning submitted the following report recommending that the City Council pass a proposed resolution which was, on motion of Alderman Roti and Alderman Barnett *Deferred* and ordered published:

CHICAGO, February 19, 1981.

To the President and Members of the City Council:

Your Committee on Buildings and Zoning having had under consideration a proposed resolution (referred January 13, 1981) relative to Opposition to Proposed Relocation of Housing Court from Daley Civic Center to East 13th Street and South Michigan Avenue, etc., begs leave to recommend that Your Honorable Body *Pass* said proposed resolution attached herewith.

This recommendation was concurred in by 11 members of the Committee with no dissenting vote.

Respectfully submitted,
(Signed) EDWARD R. VRDOLYAK,
Chairman.

(Signed) FRED B. ROTI,
Vice-Chairman.

The following is said proposed resolution transmitted with the foregoing committee report:

Whereas, The City of Chicago Housing Court, administered by the Circuit Court of Cook County, is an essential part of the City's code enforcement process; and

Whereas, Community groups throughout the City testify in Housing Court, and work with City inspectors and prosecutors to develop effective housing conservation strategies; and

Whereas, It has been proposed that Housing Court be relocated from the Daley Civic Center to an isolated location at 13th St. and Michigan Ave.; and

Whereas, Housing Court cannot be considered a meaningful mechanism to fight housing deterioration unless it can provide access to community organizations that participate in code enforcement efforts; and

Whereas, Housing Court must be located in a centrally located facility, so that citizens can easily use public transportation to travel to court; and

Whereas, Housing Court needs to be located within close proximity to City and County agencies that staff the courts, that house court files, conduct title searches, and provide other support services that judges, prosecutors, and inspectors rely upon in their daily courtroom duties; and

Whereas, Community organizations throughout the City, as well as others involved in the code enforcement process, object to this proposed relocation because of the detrimental effect it will have on housing conservation efforts in Chicago; now, therefore,

BE IT RESOLVED, That the City Council of the City of Chicago does hereby state its opposition to the proposed relocation of Housing Court from the Daley Civic Center to 13th St. and Michigan Ave.; and

BE IT FURTHER RESOLVED, That the City Council of the City of Chicago continue to do the utmost in improving the effectiveness of the City Housing Court; and

BE IT FURTHER RESOLVED, That a suitable copy of this resolution be presented to the Chief Judge of the Circuit Court of Cook County.

Action Deferred—ON PROPOSED RESOLUTION FOR INVESTIGATION ON BUILDING CODE COMPLIANCE, ETC.

The Committee on Buildings and Zoning submitted the following report recommending that the City Council pass a proposed resolution which was, on motion of Alderman Roti and Alderman Barnett *Deferred* and ordered published:

CHICAGO, February 19, 1981.

To the President and Members of the City Council:

Your Committee on Buildings and Zoning having had under consideration a proposed resolution (referred May 7, 1980) to Call for Investigation on Building Code Compliance, Procedures and their Effectiveness, begs leave to recommend that Your Honorable Body *Pass* said proposed resolution attached herewith.

This recommendation was concurred in by 11 members of the Committee with no dissenting vote.

Respectfully submitted,
(Signed) EDWARD R. VRDOLYAK,
Chairman.

(Signed) FRED B. ROTI,
Vice-Chairman.

The following is said proposed resolution transmitted with the foregoing committee report:

Whereas, Numerous community organizations throughout Chicago have expressed dissatisfaction with Chicago's Housing Court and building code compliance systems; and

Whereas, The recent BGA/Channel 2 TV investigation into Housing Court revealed serious problems with Chicago's Housing Court and building code compliance procedures; and

Whereas, Chicago cannot expect deteriorating housing to be quickly replaced by newly constructed units, due to high mortgage and interest rates, and skyrocketing construction costs; and

Whereas, The failure to preserve existing housing through effective, equitable building code enforcement will have a negative impact on communities-building residents and neighbors alike; now, therefore,

BE IT RESOLVED, That Chicago City Council undertake a full scale investigation of Chicago's building code enforcement system and Housing Court; and

BE IT FURTHER RESOLVED, That Chicago's Department of Housing, Department of Inspectional Services, and Law Department be requested to cooperate fully with the Council's investigation by providing information on existing code compliance procedures and their effectiveness, and by making appropriate recommendations for reform; and

BE IT FURTHER RESOLVED, That Chicago City Council invite input and comment from community organizations during the course of its investigation.

Action Deferred—ON PROPOSED RESOLUTION MEMORIALIZING CHA TO INSTALL TELEPHONES IN RESIDENTAL BUILDING ELEVATORS.

The Committee on Buildings and Zoning submitted the following report recommending that the City Council pass a proposed resolution which was, on motion of Alderman Roti and Alderman Barnett *Deferred* and ordered published:

CHICAGO, Feburary 19, 1981.

To the President and Members of the City Council:

Your Committee on Buildings and Zoning having had under consideration a proposed resolution (referred February 14, 1980) relative to Memorializing CHA to install Telephones in all Residential Building Elevators under its Management, begs leave to recommend that Your Honorable Body *Pass* said proposed resolution attached herewith.

This recommendation was concurred in by 11 members of the Committee with no dissenting vote.

Respectfully submitted,
(Signed) EDWARD R. VRDOLYAK,
Chairman.

(Signed) FRED B. ROTI,
Vice-Chairman.

The following is said proposed resolution transmitted with the foregoing committee report:

Whereas, The Chicago Housing Authority presently manages numerous highrise buildings designed expressly for lower income families, or middle income families, or senior citizens; and

Whereas, Many of these fine residents are introduced to the concept of highrise living through our Chicago Housing Authority; and

Whereas, Elevator usage is a prime necessity for citizens living in CHA highrise buildings; and

Whereas, Currently most of the elevators in CHA buildings are equipped with an alarm button for use in emergency, and often in such emergency cases, the alarm has not been immediately answered; and

Whereas, This situation could be easily corrected by the installation of emergency telephones in CHA elevators, such telephones to be made easily accessible to elevator passengers and connected to a central emergency system; now, therefore,

BE IT RESOLVED, That we, the City Council of the City of Chicago, do hereby memorialize the Chicago Housing Authority to consider the feasibility of installing an emergency telephone system in each of its residential highrise buildings, with special priority for senior citizen buildings, so that each elevator in such buildings is equipped with an easily accessible telephone for emergency use and immediate response.

(a) Annual licenses shall expire on the 31st day of December following the date of issue. Annual licenses shall be issued for those products which the Commissioner determines to be in general demand and supply throughout the year. The fee for an annual license shall be $500.

173.1-11. Upon receipt of an application for a State Street Mall Vendor's License, the Commissioner shall examine the qualifications of the applicant, including the quality and type of produce described in the application, the proposed manner of display and packaging of said product, and the financial ability of the applicant to provide a wholesome and healthful product and to maintain or replace the equipment necessary for the display and sale of such product. If the Commissioner finds that the applicant fails to meet the requirements promulgated hereunder, the Commissioner shall deny the application.

In issuing licenses for the first license period under this Chapter, if the number of qualified applicants for any category of State Street Mall Vendor's License exceeds the number of such licenses available, the Commissioner shall grant all such available licenses by the random selection of qualified applicants. In all subsequent license periods, preference shall be given to applicants holding current licenses hereunder, and the remainder of available licenses, if any, shall be granted by random selection of qualified applicants.

173.1-12. Each licensee shall sell and offer for sale only the item or items specified in his current license, exclusively from a pushcart situated at the location and during the hours determined by the Commissioner.

173.1-13.

173.1-14. It shall be the duty of every licensee to permit inspections to be made and, when required, to furnish samples of any foods kept or offered for sale by such licensee as often as may be deemed necessary to determine that the foods are free from adulteration, are not misbranded, do not contain an excessive number of microorganisms or their toxins. The licensee shall answer all reasonable and proper questions and furnish records of the sampled product. Such samples shall be examined or analyzed by or under the direction of the Department of Health, and a record of each such examination or analysis shall be made and kept in its office.

The Department of Consumer Services may, upon written notice to the licensee or employee thereof, place a "Held for Inspection" order on any food which it determines or has probable cause to believe to be unwholesome or otherwise adulterated or misbranded. At the request of the licensee, foods so held for inspection shall be permitted to be suitably stored pending analysis reports or voluntarily denatured and disposed of under Department of Consumer Services supervision. It shall be unlawful for any person to remove the tag placed on the food by the Department of Consumer Services, nor shall such food containers be removed from the pushcart or destroyed without permission of the Department of Consumer Services except on order of a court of competent jurisdiction. The Department of Consumer Services may vacate the "Held for Inspection" order or may by written order direct the owner or person in charge of the food to denature or destroy such food or to bring it in compliance with the provisions of this Chapter, or dispose of it for non-human use as may be approved by the Department of Consumer Services. Provided, however, that such an order of the Department of Consumer Services to denature or destroy such food shall be stayed, if the order is appealed to a court of competent jurisdiction within three days. Nothing in this section shall preclude any court action based upon the finding of unwholesome or adulterated foods.

173.1-15.

(1) The size, design, color and other specifications for pushcarts to be used by State Street Mall Vendors.

(3) The mandatory and permitted hours of operation of State Street Mall Vendors. Such hours of operation need not be uniform throughout the license year, but may be varied based on seasonal differences, and special events.

(4) The determination of monthly location changes by licensees between the locations designated by the Commissioner under subsection (a)(2) of this Section.

(5) Any other matter pertaining to this Chapter.

(b) Proposed rules and regulations shall be published in a newspaper of general circulation in the City of Chicago no fewer than ten (10) and no more than twenty (20) days prior to the effective date thereof; the effective date shall also be set out in such publication. During the period between the publication and the effective date of such rules and regulations, the Commissioner shall accept and consider comments and may hold formal or informal public hearings thereon. The Commissioner may also amend the proposed rules and regulations during such period, without further publication. On the published effective date the proposed rules and regulations, as amended, shall be published in final form and shall take effect. Rules and Regulations shall be maintained in the offices of the Department of Consumer Services and shall be available for public inspection during ordinary business hours.

173.1-16. No transfer of ownership shall be allowed on any license issued hereunder.

173.1-17. Each State Street Mall Vendor shall have affixed to such Vendor's pushcart a sticker license emblem which shall bear the words "Chicago", "State Street Mall Vendor", numerals designating the year and, where applicable, the season for which the Vendor is licensed, a reproduction of the corporate seal of the City of Chicago and the names of the Mayor and the City Clerk. Such emblem shall be obtained from the City Clerk at the time the license is issued. The Commissioner shall prescribe by regulation the manner and place of display on pushcarts.

173.1-18. Any person violating any of the provisions of this Chapter or the rules and regulations promulgated hereunder shall be fined not less than two hundred dollars ($200.00) nor more than five hundred dollars ($500.00). A separate and distinct offense shall be deemed to be committed for each day any person continues to violate any of the provisions of this Chapter or rules and regulations promulgated hereunder. In addition to the fines hereinabove provided for, the Commissioner may revoke the license of any licensee hereunder if such licensee is convicted of two or more violations of this Chapter or of the rules and regulations promulgated hereunder within any twelve month period and may reject an application for license under this Chapter by an applicant who has been so convicted.

173.1-19. The invalidity of any section or part of any section of this Chapter, or any rule or regulation promulgated hereunder, shall not affect the validity of any other section or part thereof or rule or regulation.

SECTION 2. This ordinance shall be in full force and effect from and after its passage.

Objective and Stern Treatment of Revolutionaries.

The Committee on Human Rights and Consumer Protection submitted the following report:

CHICAGO, March 6, 1981.

To the President and Members of the City Council:

Your Committee on Human Rights and Consumer Protection having had under consideration a proposed resolution (referred September 16, 1980) concerning the stern treatment of 1960's revolutionaries, begs leave to recommend that Your Honorable Body *Pass* the said proposed resolution which is transmitted herewith.

This recommendation was concurred in by 7 members of the Committee with no dissenting votes.

Respectfully submitted,
(Signed) CLIFFORD P. KELLEY,
Chairman.

On motion of Alderman Kelley the proposed resolution transmitted with the foregoing committee report was *Adopted,* by yeas and nays as follows:

Yeas—Aldermen Roti, Barnett, Kenner, Evans, Sawyer, Bertrand, Humes, Shaw, Majerczyk, Madrzyk, Burke, Brady, Barden, Kellam, Sheahan, Kelley, Stemberk, Lipinski, Shumpert, Marzullo, Nardulli, Ray, Carothers, Hagopian, Kuta, Gabinski, Mell, Frost, Marcin, Farina, Casey, Cullerton, Laurino, Rittenberg, Pucinski, Natarus, Clewis, Axelrod, Schulter, Stone—40.

Nays—Aldermen Bloom, Davis, Merlo, Volini, Orr—5.

The following is said resolution as adopted:

WHEREAS, The mid-to-late 1960's saw much revolutionary behavior within the boundaries of these United States, particularly here in Chicago; and

WHEREAS, While some of the behavior perhaps well intentioned, created an aura of violence which put fear in the hearts of our fine U.S. citizens and created chaos in many urban areas; and

WHEREAS, Much of the violence of the late 1960's has subsided, several key figures believed to have engendered the violence, escaped justice to live undercover for a decade and are again emerging from their hiding places into national prominance; and

WHEREAS, It has been easy to lay aside the violence from the public conscience, but many responsible citizens cannot forget some of the senseless acts which occurred at the time. One of such incidents was in Chicago, October 11, 1969, in which Richard J. Elrod, then Assistant City Attorney, was severely injured by one or more rampaging members of Students for a Democratic Society, remained near death for several weeks, and emerged from the incident permanently handicapped. While Richard J. Elrod has risen above his handicaps to become the excellent Sheriff of Cook County, there remains a bitter aftertaste in the minds of many citizens because of the type of violence which was so prevalent in the 1960's and which caused this great man's disability; and

WHEREAS, Hundreds of Chicago Policemen and Firemen in line of duty, protecting citizens and property, received various stages of physical injuries; and

WHEREAS, We must not forget the difficulties of those times in coping with many outbreaks of violence, and we must not shrug off old crimes from a decade ago if we now have the means to prosecute and to prove responsibility; now, therefore,

Be It Resolved, That we, the Mayor and Members of the City Council of the City of Chicago here this sixteenth day of October, 1980, gathered here in this Council Chamber, do hereby appeal to all enforcement and judicial authorities in charge of various cases involving revolutionary violence, to treat any defendants sternly and to ignore the distinction of national prominence which some of these suspected perpetrators enjoy; and

Be It Further Resolved, That a suitable copy of this resolution be submitted to the following authorities;

Judiciary—Law Enforcement Agencies—All News Media.

COMMITTEE ON INTERGOVERNMENTAL RELATIONS.

Failed to Pass—PROPOSED RESOLUTION CONCERNING WITHDRAWAL OF ALL MILITARY AID FROM PRESENT GOVERNMENT OF EL SALVADOR.

The Committee on Intergovernmental Relations submitted the following report:

CHICAGO, March 6, 1981.

To the President and Members of the City Council:

Your Committee on Intergovernmental Relations, having had under consideration a proposed resolution (which was referred on February 11, 1981) urging the withdrawal of all military, economic and political aid to the present government of El Salvador, begs leave to recommend that Your Honorable Body *Do Not Pass* the said resolution, which is transmitted herewith.

This recommendation was concurred in by 6 members of the committee with 2 dissenting votes.

Respectfully submitted,
(Signed) ROMAN PUCINSKI,
Chairman.

On motion of Alderman Pucinski the proposed resolution transmitted with the foregoing committee report was *Concurred In* by yeas and nays as follows:

Yeas—Aldermen Roti, Barnett, Sawyer, Shaw, Majerczyk, Brady, Streeter, Kellam, Sheahan, Kelley, Stemberk, Lipinski, Shumpert, Marzullo, Nardulli, Ray, Carothers, Hagopian, Kuta, Gabinski, Mell, Frost, Marcin, Farina, Casey, Cullerton, Laurino, Rittenberg, Pucinski, Natarus, Clewis, Axelrod, Schulter—33.

Nays—Aldermen Evans, Bloom, Bertrand, Humes, Huels, Barden, Davis, Merlo, Volini, Orr, Stone—11.

The following is said ordinance which failed to pass:

Whereas, The current escalation of cold war tactics on the part of the Reagan Administration has given notice of the ever increasing danger of war; and

Whereas, The people of Chicago are told consistently that there is no money to raise the level of education of our children, that there is no money to improve transportation, that there is no money to provide employment for unemployed workers who have been laid off from places like Wisconsin Steel; and

Whereas, In this atmosphere of great domestic need the Carter Administration managed to find $5 million dollars to send armaments to a repressive government in El Salvador; and

Whereas, The Reagan Administration has continued in the same vein and promises to increase military aid as witnessed by the presence of some 230 military advisors and approximately 800 U.S. Marines in El Salvador; and

Whereas, The people of Chicago do not want to see the United States involved in another Vietnam-type war, as it would not only endanger the lives of our young men and women; also put the peace of the entire Central American and Caribbean region—and the world—in danger; and

Whereas, The People of El Salvador have the right to determine their own destiny; now, therefore,

BE IT RESOLVED, That we, the Honorable Jane M. Byrne and the Chicago City Council urge the withdrawal of all military, economic and political aid to the present Salvadorian Government.

If Tenant is a corporation and if the control thereof changes at any time during the term hereof, then Landlord may, at its option, declare such change a breach of this agreement.

It is mutually understood and agreed that nothing contained in this agreement is intended, or shall be construed, as in any wise creating or establishing the relationship of co-partners or joint venturers between the parties hereto or as constituting the Tenant as the agent or representative of the Landlord for any purpose or in any manner whatsoever.

ARTICLE III

Acceptance of Physical Condition of Premises

In connection therewith Commissioner may require submission of proposed designs, floor plans, construction plans, specifications and contract documents therefor and, if then approved, may incorporate all or part thereof within this agreement as attachments thereto.

ARTICLE V

Tenant Maintenance

Tenant, at the expense of Tenant, shall keep the premises in a safe, sanitary and sightly condition and good repair and shall yield the same back to Landlord upon the termination of this agreement in such condition and repair, ordinary wear and tear excepted, and if said premises shall not be so kept by Tenant, Landlord may enter the premises (without such entering causing or constituting a termination of the privilege or an interference with the possession of said premises by Tenant) and do all things necessary to restore said premises to the condition herein required, charging the cost and expense thereof to Tenant and Tenant agrees to pay Landlord, in addition to the rent and charges hereby reserved, all such costs and expenses.

ARTICLE VI

Tenant covenants and agrees to keep said premises and improvements situated thereat free and clear of any and all liens in any way arising out of the use thereof by Tenant.

In addition to the rent and charges hereinafter outlined, Tenant shall pay all fees, charges, license fees and taxes of whatever nature, if necessary, as required by law or ordinance of the City of Chicago.

Tenant shall assume all risks incident to or in connection with the business to be conducted hereunder and shall be solely responsible for all accidents or injuries of whatever nature or kind to persons or property caused by its operations at said Airport and shall indemnify, defend and save harmless the Landlord, its authorized agents and representatives, from any penalties for violation of any law, ordinance or regulation affecting its operations, and from any and all claims, suits, losses, damages or injuries to persons or property of whatsoever kind or nature arising directly or indirectly out of the operation of such business, or resulting from the carelessness, negligence or improper conduct of the Landlord, Tenant, or any of their agents or employees.

Insurance requirements hereunder shall be subject to the sole determination of the Comptroller.

Said insurance may include, but need not be limited to, insurance coverages commonly known as, or similar in kind to, Public Liability, Products Liability, Property Damage, Loss of Rents, Workmen's Compensation, Scaffolding Act, and such other insurance coverage as deemed required in the sole determination of the Comptroller. All policies or endorsements thereto shall in all cases where possible name Landlord as co-insured thereunder.

Upon approval by said Comptroller of all insurance required, in the forms, kinds and amounts directed to be procured, Tenant shall deliver all policy originals or duplicate originals and endorsements thereto to the Comptroller for incorporation within this agreement as attachment thereto. In any event, Tenant is not to commence to exercise any of the rights and privileges granted under this agreement until such time as all insurance directed and required to be furnished by Tenant is in full force and effect.

Tenant expressly understands and agrees that any insurance protection furnished by Tenant hereunder shall in no way limit its responsibility to indemnify and save harmless Landlord under the provisions of Article VI of this agreement.

ARTICLE VIII

Damage to, or Destruction of Premises

In the event the premises or the building of which the premises are a part shall be damaged or destroyed by fire or other casualty, the same may be promptly repaired or rebuilt by Landlord at its expense as soon as funds are available but Landlord shall not be obligated to repair, rebuild, restore or replace any fixtures, equipment, displays or other property installed by Tenant pursuant to this agreement.

Provided, however, that Landlord may elect, at its sole option, not to repair or reconstruct the premises or the building, of which the premises are a part, and upon written notice of such election from Landlord to Tenant the obligation of Tenant to pay rent shall cease and this agreement shall thereupon terminate.

ARTICLE IX

Access, Ingress, Egress and Inspection Mode of Operation and Personnel

Landlord hereby grants to Tenant the right of access and ingress to and egress from the premises by Tenant and its employees, contractors, suppliers, servicemen, sublessees, guests, patrons and invitees; provided, that such rights of access, ingress and egress, are at all times exercised in conformance with the further provisions of this agreement and any and all regulations promulgated by Landlord or the Commissioner, or other lawful authority, for the care, operation, maintenance and protection of the Airport and the public.

Operations to be conducted by the Tenant under this agreement shall be done at the sole expense of the Tenant and shall be subject to general inspection by the Landlord to insure a continuing quality of services commensurate with the standards provided for in this agreement and to such other provisions of related agreements as may be pertinent as entered into between Landlord and others governing the use of and operations at the Airport, and shall be further subject in the case of operations at Chicago-O'Hare International Airport, to the provisions of paragraph 4, Article XI of that certain agreement entitled "Airport Use Agreement" and the further provisions, including the right of cancellation of Section 6.04, Article VI of that certain agreement entitled "Lease of Terminal Facilities" and to such other provisions of said related agreements as may be pertinent as entered into between the City and the Scheduled Airlines governing use and operation of Chicago-O'Hare International Airport.

Tenant does further covenant, promise and agree that said Tenant will not employ any person or persons in or about the premises or on the Airport who shall be objectionable to the Commissioner and if such persons shall be employed by Tenant, he, she, or they, shall be removed upon request of said Commissioner.

Tenant agrees to use its best efforts in every proper manner to maintain and develop the business conducted by it under this agreement and increase same and not to divert or cause, or allow, to be diverted, any business from Airport.

ARTICLE X

Non Recording

This agreement shall not and will not, nor shall any copy thereof, or any statement, paper or affidavit in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook or DuPage Counties, Illinois, or in any other public office, by Tenant or anyone acting for Tenant and that if the same be so filed, this agreement and each and every provision hereof shall, at the option of the Landlord, be and become absolutely null and void and Landlord may declare such filing a breach of this agreement.

ARTICLE XI

Default
Confession of Judgment

If Tenant shall vacate or abandon the premises, or any part thereof, or permit the same to remain vacant or unoccupied, or in the case of the non-payment of the rent and charges reserved hereby or any part thereof or of the breach of any covenant contained in this agreement, Tenant's right to the possession of the premises thereupon shall terminate, with or without any notice or demand whatsoever, and the mere retention of possession thereafter by Tenant shall constitute a forcible detainer of said premises, and if the Landlord so elects, but not otherwise, this agreement shall thereupon terminate.

Upon the termination of Tenant's right of possession, as aforesaid, whether this agreement be terminated or not, Tenant agrees to surrender possession of the premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the premises whatsoever, and Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to expel and remove Tenant, or any other person who may be occupying the premises, or any part thereof.

Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary and Landlord may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by virtue hereof, nor a waiver of any covenant, agreement or promise contained in said agreement, to be performed by Tenant.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement.

The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default to be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State attorney for it and, in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof.

Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises.

The landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

ARTICLE XII

Laws, Ordinances, Rules and Regulations

Tenant shall observe and comply with all laws, ordinances, rules and regulations of the United States Government, State of Illinois, Counties of Cook and DuPage, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Airport, now in effect or hereafter promulgated.

ARTICLE XIII

Peaceful Possession

Tenant, upon performing the covenants, conditions and agreements herein contained, shall and may peacefully have, hold and enjoy the premises and privileges hereinafter granted.

ARTICLE XIV

Services and Charges

Landlord may furnish security service, heat, sanitary facilities and utilities as designated at outlets and at points as shown on attachment hereto. Tenant shall pay any and all charges and costs therefor whether or not metered or billed directly from Landlord upon estimates of such costs made solely by Landlord.

ARTICLE XV

Performance Bond

To insure faithful preformance of the covenants, conditions and agreements herein contained, Tenant, at the expense of Tenant shall, before exercising any rights or privileges accorded hereunder, furnish a bond in form, kind and amount as determined and directed solely by the Comptroller for incorporation within this agreement as attachment thereto.

ARTICLE XVI

Equal Opportunity

Tenant, in performing under this agreement, shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, religion, age, sex, or national origin, nor otherwise commit an unfair employment practice.

Tenant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, creed, religion, age, sex, or national origin. Such shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

Tenant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. Tenant further agrees that this clause will be incorporated into all contracts entered into with suppliers of materials or services, contractors and subcontractors, and all labor-organizations, furnishing skilled, unskilled, and craft union skilled labor, or who may perform any such labor or services in connection with this agreement.

Attention is called to Executive Order 11246, issued September 24, 1965, 3 C.F.R., 1964-1965 Compilation, p. 339, as modified by Executive Order 11375, issued October 13, 1967, 3 C.F.R., 1967 Compilation, p. 320; The Civil Rights Act of 1964, 42 U.S.C. § 2000d, *et seq.*; The Age Discrimination Act of 1975, 42 U.S.C. § 6101, *et seq.*; and all amendments to those statutes and executive orders and regulations of the United States Department of Labor, Transportation, and Health, Education, and Welfare and most particularly Department of Transportation, Title 49, Code of Federal Regulations, Part 21; to the State Acts approved July 26, 1967, Ill. To demonstrate compliance, Tenant and his contractors and subcontractors will furnish such reports and information as requested by the Chicago Commission on Human Relations.

Non-Discrimination in the Use of the Premises by Tenant

This agreement involves the construction or use of, or access to, space on, over, or under real property acquired, or improved under the Airport Development Aid Program of the Federal Aviation Administration, and therefore involves activity which services the public.

Tenant, for himself, his personal representatives, successors in interest, and assigns, as part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied benefits of, or otherwise be subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land and the furnishings of services thereon, no person on the grounds of race, color or national origin shall be excluded from participation in, denied benefits of, or otherwise be subjected to discrimination, and (3) that Tenant shall use the premises in compliance with all other requirements imposed by, or pursuant to, the Department of Transportation regulations.

Since airline schedules are subject to change, the Commissioner of Aviation may, at his discretion and acting in the public interest, request a change in Tenant's hours of operation and Tenant hereby agrees to abide by any such reasonable request.

In the event that any such additional service is one which should produce revenue but at a different percentage rate than provided for under Special Condition No. 5, then this agreement must be formally amended to include proper rates and fees before such service or services are allowed.

4. *Term*

The term of this agreement shall be for a period of three (3) years commencing on ...., 1981 the date of approval of authorizing ordinance of the City Council of the City of Chicago, and terminating on .... It is understood and agreed that, notwithstanding the above term, either party may cancel this agreement upon sixty (60) days written notice to the other party of its election so to do.

5. *Rental and Percentage Fees*

Tenant shall pay to Landlord as rent for the fixed or permanent area the sum of $16.00 per square foot per year and for the storage area a sum equal to the square footage times the prevailing rate at the airport for such space; with one twelfth (1/12) of the combined annual rentals due, in advance, each month.

In addition to the monthly space rental, Tenant agrees to pay the following percentages:

One-fourth (¼) of one percent (1%) of the gross over-the-counter sales of foreign bank notes to the general public; and

Ten percent (10%) on the total dollar value from the gross sales of precious metals jewelry.

Tenant, within fifteen (15) days of the end of each calendar month, shall pay to the City Comptroller a sum equal to the hereinabove described percentages of gross sales for said calendar month and shall provide with each such payment a separate certified monthly report of gross sales for each terminal location at Chicago-O'Hare International Airport.

6. *Records of Tenant*

Tenant shall, with respect to business done by it in said currency exchange operations, keep true and accurate accounts, records, books and data, which shall, among other things, show all sales made and services performed for cash, or credit, or otherwise (without regard to whether paid or not) and, also, the gross receipts of said business, and the aggregate amount of all sales and services and orders, and of all the Tenant's business done upon and within said concession areas. All records, methods of accounting and cash registers used by Tenant shall be approved by the City Comptroller. The terms "gross sales", as used herein, shall be construed to mean, for all the purposes hereof, the aggregate amount of all sales made and services performed for cash, or credit, or otherwise, of every kind, name and nature, regardless of when or whether paid for or not, Tenant agrees to maintain an adequate and reasonable system of internal control to insure that sales are properly reported to the Landlord. The internal controls should include features normally employed by well managed currency exchange operations. The internal control procedures must be described by the Tenant in writing and submitted to the City Comptroller prior to the effective date of this Agreement. Any changes to the internal controls must be reported to the City Comptroller in writing thirty (30) days prior to the effective date of change. The City Comptroller has the authority to require additional internal controls or procedures as he deems appropriate.

The term "gross sales" shall exclude: (1) Federal, State, municipal or other governmental excise taxes (except federal manufacturer's excise taxes), use, sales privileges or retailer's occupation taxes now or hereafter imposed and collected by Tenant directly from patrons or customers, or as a part of the price of any goods, services or displays and paid over in turn by the party so collecting to any governmental agency; but this provision shall not excuse the Tenant from paying to governmental agencies all taxes for which it may be liable to them; (2) sales made to employees at a discount; and (3) refunds for merchandise returned by customers because of their dissatisfaction therewith.

7. *Books, Records and Audits*

Tenant shall maintain at its office in Chicago or make available in Chicago: its books, ledgers, journals, accounts and records wherein are kept all entries reflecting its operations at the airports under this Agreement. Such books, ledgers, journals, accounts and records shall be available for inspection and examination by the Commissioner of Aviation and the Comptroller of the City of Chicago, or their duly authorized representatives, at reasonable times during business hours, and to make copies and excerpts therefrom as may be necessary to make a full, proper and complete audit of all business transacted by Tenant in connection with its operation hereunder.

Within 120 days of the signing of this lease, Tenant shall furnish Landlord with a written statement indicating Tenant's election to report either on a calendar year or fiscal year basis; such letter shall explain Tenant's fiscal year if elected. Within 120 days after the close of each calendar or fiscal year, as previously elected, or the termination of the Agreement through passage of time or otherwise, Tenant will provide Landlord with a "Statement of Sales and Rents" representing sales and rents by month for the period being reported on, together with an opinion thereon of an independent certified public accountant. Tenant must inform Landlord of the identity of the independent certified public accountant prior to the close of such calendar or fiscal year and such independent certified public accountant must be acceptable to Landlord.

The following is an example of an opinion which would satisfy these requirements:

"We, a firm of independent certified public accountants, have examined the accompanying statement of sales and rents reported to the City of Chicago by Deak-Perera for the year ended .... relating to the foreign currency exchange operations at Chicago-O'Hare International Airport, pursuant to an agreement between the City of Chicago and Deak-Perera dated .... Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion the accompanying statement of sales and rents showing gross sales of .... and total rents of .... presents fairly the amount of gross sales and rentals, as defined in the Agreement, for the year ended ...."

If the opinion of the independent certified public accountant is qualified or conditional in any manner, the City Comptroller has the right to cause an audit to be performed at Tenant's expense.

Tenant shall, upon request, furnish such other further financial or statistical reports as the City may, from time to time, require.

8. *Pro Rata Payment*

If the cancellation or termination of this Agreement falls upon any date other than the first or last day of any calendar month, the applicable fees and charges for said month shall be paid by Tenant to Landlord *pro rata* in the same proportion that the numbers of days the Agreement is in effect for that month bears to the total number of days in that month.

9. *Operating Rights*

Landlord grants to Tenant a non-exclusive privilege in common with others that Landlord may from time to time authorize, to operate a foreign currency exchange and related services at Chicago-O'Hare International Airport, provided, however, that Landlord will not grant to any other individual, firm or corporation a privilege to conduct a foreign currency exchange operation at the airport under terms more favorable to such other individual, firm or corporation than those contained herein, including the space rental rate and percentage fees.

Execution of this Agreement authorized by ordinance of the City Council of the City of Chicago passed .... (C.J.P. pp. ....).

In Witness Whereof, The City of Chicago has caused this Agreement to be executed on its behalf by its Mayor, pursuant to due authorization of the City Council of the City of Chicago, and its seal to be hereunto affixed and attested by the City Clerk of the City of Chicago, and .... has caused this Agreement to be executed on its behalf by its .... Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Mayor, the Purchasing Agent and the City Comptroller, subject to approval as to form and legality of the Corporation Counsel, are authorized to execute in behalf of the City of Chicago an agreement with Amoco Oil Company, said agreement to be in the following form:

This Agreement, entered into as of the 2nd day of January, 1981, by and between Amoco Oil Company, a Maryland corporation, with general offices at 200 East Randolph Drive, Chicago, Illinois 60601, hereinafter referred to as the "Seller", and the City of Chicago with general offices at 121 N. LaSalle St., Chicago, Illinois 60602, hereinafter referred to as the "Carrier".

WITNESSETH:

In consideration of the rights and privileges hereby granted by Seller to Carrier and in consideration of the mutual promises and undertakings by and between the parties hereto, it is hereby agreed as follows:

1. Until further notice, Carrier is hereby granted the right and privilege of access to Seller's Berwyn, Illinois and O'Hare terminal, at times when it is either attended or unattended by Seller's operating personnel, for the sole purpose of loading petroleum products into Carrier's transport trucks and driving such loaded trucks away from Seller's terminal. Seller shall furnish Carrier such keys and/or cards as may be necessary to enable it to enter the terminal, which cards and/or keys are also to be used in gaining access to and/or activating the terminal's automatic dispensing systems so Carrier can load its trucks.

Such keys and/or cards shall not be duplicated by Carrier for any reason. Theft or loss of such keys and/or cards shall be reported by Carrier to Seller immediately. Carrier shall return to Seller forthwith, upon request or upon termination of this agreement, any and all keys and/or cards issued by the Seller for loading privileges at said terminal.

Carrier shall be fully and solely responsible for all purchases made and products loaded via use of the keys and/or cards issued per this Agreement until 72 hours after postmark date on written notice from Carrier that such keys and/or cards are being improperly used, i.e., as in the case of theft, loss, or other misappropriation.

2. Carrier hereby agrees to abide by all Federal, State, and local laws and regulations, and to abide by all rules and instructions promulgated by Seller and furnished to Carrier, with respect to Carrier's activities hereunder at the said terminal. A copy of the existing rules and regulations so promulgated is attached hereto, marked Exhibit A, and by this reference is made a part hereof. Carrier agrees that its employees, agents and others acting at its instance shall be fully aware of and knowledgeable about such rules and regulations. It is agreed that such rules and regulations may be changed, amended or modified by Seller, acting alone, at any time and from time to time during the life of this Agreement. All such changes, amendments, and modifications shall become binding upon Carrier ten (10) days from date of Carrier's receipt of a copy thereof.

Carrier further agrees to send to Seller's terminal only such employees, agents and others acting at its instance as have been properly instructed in the characteristics and safe handling methods associated with the products to be hauled.

Only transport equipment of Carrier meeting Department of Transportation and Environmental Protection Agency requirements and standards shall enter the terminal to receive product. This equipment shall be compatible with the loading equipment at the terminal.

3. Seller, its agents, and its employees shall not be liable for any loss, damage, injury, or other casualty of whatsoever kind to the person or property of anyone (including Carrier) caused by or resulting, in whole or in part, from the negligent acts or omissions of Carrier, Carrier's employees, agents, or others acting at its instance, or from the failure of Carrier's equipment, or the equipment of Carrier's employees, agents, or others acting at its instance. Carrier for itself, its executors, administrators, successors, and assigns hereby agrees to indemnify and hold Seller, its agents, and employees harmless from and against all claims, demands, liabilities, suits, or actions (including all reasonable expenses and attorney's fees incurred by or imposed on Seller in connection therewith) for such loss, damage, injury, death, or other casualty caused by or resulting, in whole or in part, from the negligent acts or omissions of Carrier, its employees, agents, or others acting at its instance, except such loss, damages, injury, death or other casualty, the sole and only cause of which is the negligent act and/or omission of Seller, its agents, or employees.

4. In the event that Carrier hires an agent for carriage ("Subcarrier") (See Paragraphs 5 and 9, below) such Subcarrier shall for purposes of this Agreement be considered to be acting on behalf of and as agent for Carrier at all times when per-

forming any act pursuant to this Agreement. Carrier's jobbers, distributors, haulers, and any other such agents having custody of the keys or cards provided for under this Agreement, together with their respective officers, agents, servants, and employees, shall be deemed Subcarriers. Carrier hereby agrees to be fully responsible for the acts of any such Subcarriers, to the full and same extent as defined for Carrier in Paragraphs 2 and 3, above.

5. Carrier shall maintain the following insurance during the term of this Agreement:

(a) Workmen's Compensation and Occupational Diseases insurance which fully complies with the laws of the governmental bodies having jurisdiction.

(b) Employer's Liability insurance with a minimum limit of $100,000.

(c) Comprehensive Automobile Liability insurance with minimum limits of $100,000 each person and $300,000 each occurrence for Bodily Injury and $300,000 each occurrence for Property Damage, or a minimum combined single unit of $500,000 each occurrence for Bodily Injury and Property Damage.

Such insurance shall specifically include Contractual Liability coverage applicable to the indemnity provisions of Paragraph 3, above.

If requested by Seller, Carrier shall furnish Seller insurance certificates and/or certified copies of the original policies to evidence the insurance required herein. Maintaining the prescribed insurance shall not relieve Carrier of any other obligation under this Agreement.

6. This instrument contains the entire agreement between the parties hereto with respect to Carrier's Key and/or Card loading privileges at the terminal recited above. This agreement may be modified at any time, but only by an instrument in writing signed by both of the parties hereto. No oral promise shall be effective to amend the terms of this Agreement.

7. The Key and/or Card Loading privileges granted herein are temporary in nature and may be revoked by Seller, in its sole discretion, at any time by giving 30 days' prior written notice by certified mail to Carrier at its last known address. Postmark date shall be the effective date of the notice. Also, upon 30 days' prior written notice to Seller, Carrier may relinquish its privileges hereunder.

8. The term of this Agreement shall be one year, commencing on the date of execution set forth below, and unless and until at least 30 days' prior written notice of termination is given by either party to the other, this Agreement shall be automatically renewed on each anniversary of the Date of Execution, below, for a successive one-year term.

10. The terms, conditions, and provisions hereof shall extend to, be binding upon, and inure to the benefit of, the parties hereto, their successors, and assigns; provided, however, the Carrier shall not assign any of its rights, privileges, duties, or obligations hereunder without the prior written consent of Seller.

SECTION 2. This ordinance shall be in force and effect from and after its passage.

The following is said resolution as passed:

WHEREAS, The Chicago Housing Authority presently manages numerous highrise buildings designed expressly for lower income families, or middle income families, or senior citizens; and

WHEREAS, Many of these fine residents are introduced to the concept of highrise living through our Chicago Housing Authority; and

WHEREAS, Elevator usage is a prime necessity for citizens living in CHA highrise buildings; and

WHEREAS, Currently most of the elevators in CHA buildings are equipped with an alarm button for use in an emergency, and often in such emergency cases, the alarm has not been immediately answered; and

WHEREAS, This situation could be easily corrected by the installation of emergency telephones in CHA elevators, such telephones to be made easily accessible to elevator passengers and connected to a central emergency system; now, therefore,

Be It Resolved, That we, the City Council of the City of Chicago, do hereby memorialize the Chicago Housing Authority to consider the feasibility of installing an emergency telephone system in each of its residential highrise buildings, with special priority for senior citizen buildings, so that each elevator in such buildings is equipped with an easily accessible telephone for emergency use and immediate response.

The following is said resolution as passed:

WHEREAS, The City of Chicago Housing Court, administered by the Circuit Court of Cook County, is an essential part of the City's code enforcement process; and

WHEREAS, Community groups throughout the City testify in Housing Court, and work with City inspectors and prosecutors to develop effective housing conservation strategies; and

WHEREAS, It has been proposed that Housing Court be relocated from the Daley Civic Center to an isolated location at 13th St. and Michigan Ave.; and

WHEREAS, Housing Court cannot be considered a meaningful mechanism to fight housing deterioration unless it can provide access to community organizations that participate in code enforcement efforts; and

WHEREAS, Housing Court must be located in a centrally located facility, so that citizens can easily use public transportation to travel to court; and

WHEREAS, Housing Court needs to be located within close proximity to City and County agencies that staff the courts, that house court files, conduct title searches, and provide other support services that judges, prosecutors, and inspectors rely upon in their daily courtroom duties; and

WHEREAS, Community organizations throughout the City, as well as other involved in the code enforcement process, object to this proposed relocation because of the detrimental effect it will have on housing conservation efforts in Chicago; now, therefore,

BE IT RESOLVED, That the City Council of the City of Chicago does hereby state its opposition to the proposed relocation of Housing Court from the Daley Civic Center to 13th St. and Michigan Ave.; and

BE IT FURTHER RESOLVED, That the City Council of the City of Chicago continue to do the utmost in improving the effectiveness of the City Housing Court; and

The following is said ordinance:

Whereas, The City of Chicago, Illinois (the "City") is a body politic and corporate under the laws of the State of Illinois and a home rule unit under Article VII of the 1970 Constitution of the State of Illinois; and

Whereas, The City has determined that it is desirable and in the public interest to enter into a revolving credit arrangement with certain banks named below (the "Banks"), providing for one or more borrowings as the City may from time to time require in anticipation of revenues of the City in order to finance its short-term cash flow needs, such borrowings (i) not to exceed $50,000,000 in aggregate principal amount at any time outstanding; (ii) to be accomplished pursuant to this Ordinance and the terms and conditions of a Revolving Credit Agreement among the Banks and the City dated as of April 1, 1981 (the "Agreement"); and (iii) to be evidenced by the issuance by the City of its general obligation notes (the notes to be issued pursuant to this Ordinance and the Agreement are referred to herein as the "Notes"); and

Be It Ordained by the City Council of the City of Chicago:

Section 1. The Agreement providing for a revolving credit arrangement among the City and the Banks and for borrowings by the City, from time to time, in anticipation of revenues of the City, not to exceed $50,000,000 in aggregate principal amount at any time outstanding, in substantially the form attached hereto as Exhibit A, shall be entered into between and among the City, Continental Illinois National Bank and Trust Company of Chicago, as Agent for the Banks, and the following Banks:

and the same is hereby approved and shall be executed for and on behalf of the City by the Mayor of the City (the "Mayor") and the City Comptroller of the City (the "City Comptroller"), attested by the City Clerk or Deputy City Clerk, and shall have the corporate seal of the City affixed thereto.

Section 2. The Mayor and the City Comptroller are authorized to borrow (and, in the event of payment or prepayment of any borrowings, to reborrow) at any time and from time to time on or before December 1, 1982, pursuant to this Ordinance and the Agreement, such moneys as the City may from time to time request, in anticipation of revenues of the City, in order to finance the short-term cash flow needs of one or more of the funds of the City, such borrowings not to exceed $50,000,000 in aggregate principal amount at any time outstanding and each such borrowing to be evidenced by the issuance of Notes as provided herein: provided, however, that no borrowing or reborrowing shall be made hereunder for the purpose of refunding any outstanding borrowing or reborrowing hereunder; and, further provided, that no borrowing or reborrowing shall be made hereunder at a time when there is outstanding any Note the maturity of which has been extended pursuant to Section 3 hereof. The "Agent's Prime Rate" shall mean at any time the rate of interest per annum then most recently announced by the Agent as its prime rate for 90-day unsecured commercial loans in Chicago, Illinois. Section 5. Each Note shall be a direct general obligation of the City to the payment of which (as to both principal and interest) the City pledges its full faith and credit. Each Note shall be payable (both as to principal and interest to the date of payment) from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose. The City covenants and agrees that in the event any Note shall not have been paid at its stated maturity or the stated maturity of any Note shall have been extended in accordance with Section 3 hereof and such Note shall not have theretofore been paid or prepaid, the City shall, at or prior to the third regular meeting of the City Council held after the date which is five business days after the stated maturity of such Note, but in any event on or before the December 31 next following the stated maturity of such Note, levy for the year ending on such December 31 ad valorem taxes without limitation as to rate or amount against all taxable property situated within the City sufficient to pay when due the principal of and unpaid interest on all such Notes, in which event such Notes shall be payable from the proceeds of such taxes in addition to the other sources identified in this Section 5.

Section 6. Any taxes levied pursuant to the covenant contained in Section 5 hereof shall be sufficient to provide funds for payment of principal of and unpaid interest on the Notes with respect to which such taxes are levied on the basis of the following assumptions: (i) the applicable rate of interest payable on each such Note will be the greater of 70% of the Agent's Prime Rate in effect on the date of its issuance or 11% per annum from and after the date such taxes are levied and so long as any such Note is thereafter outstanding; and (ii) no prepayments of Notes will be made subsequent to the date such taxes are levied. In the event the Notes with respect to which such taxes have been levied are prepaid in whole or in part prior to the last date on which certificates of tax abatement with respect to the taxes so levied are permitted by the County Clerks of Cook and DuPage Counties to be filed, the City Comptroller shall, on or prior to such date, file certificates of tax abatement with respect to the taxes so levied in the offices of such County Clerks and shall concurrently file copies thereof in the office of the City Clerk and the office of the Committee on Finance of the City Council. Such certificates shall refer to the amount of taxes so levied for the payment of principal of and interest on such Notes and shall indicate the amount of principal and interest thereon which, by reason of such prepayment, will not be required to be repaid from the proceeds of taxes so levied, which amount is to be abated from the taxes so levied and, further indicating the remainder of such taxes so levied which are to be extended for collection by said County Clerks. In the event proceeds of taxes so levied are not available in time to meet any payments of principal of and interest on the Notes, then the fiscal officers of the City are hereby directed to make such payments from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in advancement of the collection of the taxes so levied and when the proceeds of such taxes are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Notes as the same become due.

Section 7. The City shall appropriate amounts sufficient to pay principal of and interest on the Notes for the year(s) such amounts are due, but, if for any such year it fails to do so this Ordinance shall constitute a continuing appropriation ordinance of the amounts necessary to pay principal of and interest on the Notes as provided herein and in the Agreement without any further action on the part of the City Council. In particular, but not in limitation of the foregoing, there is hereby appropriated from each fund of the City for which borrowings are made pursuant to this Ordinance amounts sufficient (a) to pay principal of and interest on the Notes evidencing such borrowings as and when the same become due and (b) to prepay the principal of such Notes in the event the City elects to prepay such Notes as provided in this Ordinance. The appropriate officers of the City are hereby ordered and directed to make such payments.

Section 8. This Ordinance is made pursuant to the powers of the City as a home rule unit under the Illinois Constitution. The appropriate officers of the City are hereby authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consummate the transactions contemplated by the Ordinance and the Agreement. All references in this Ordinance and the Agreement to any officer of the City who is appointed by the Mayor shall be deemed for all purposes to refer to such officer or to any temporary successor to such officer who shall have been appointed by the Mayor and shall then be acting as such successor.

Section 9. The Mayor and the City Comptroller may each designate another to act as their respective proxies and to affix their respective signatures to the Notes, the Agreement, and any other instrument, certificate or document required to be signed by the Mayor or the City Comptroller pursuant to this Ordinance or the Agreement. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxies for the Mayor and the City Comptroller, respectively. A written signature of the Mayor or of the City Comptroller, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signatures attached, shall be recorded in the Journal of the Proceedings of the City Council and then filed with the City Clerk. When the signature of the Mayor is placed on an instrument, certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the signature of the City Comptroller is so affixed to an instrument, certificate or document at the direction of the City Comptroller, the same, in all respects, shall be binding on the City as if signed by the City Comptroller in person.

Section 10. To the extent that any statutes, ordinances, resolutions, rules or orders, or parts thereof, are in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any provision of this ordinance shall be prohibited by or invalid under Illinois or Federal law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this ordinance. This ordinance shall be published by the City Clerk by causing to be printed in pamphlet form at least 100 copies hereof, which copies are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this ordinance, and this ordinance shall be in full force and effect from and after its passage, approval by the Mayor and publication as provided by law.

Whereas, each Note issued pursuant to this Agreement shall mature not later than ninety-one (91) days after the date of issuance of such Note, unless extended as provided in this Agreement, and shall bear interest at a rate equal to 60% of the Prime Rate of the Agent as announced from time to time, and as further provided in this Agreement; and

Whereas, the Banks are willing to make loans to the City in the aggregate principal amount of not to exceed $50,000,000 at any time outstanding for such purposes on the basis of the terms and conditions set forth and the security provided for in this Agreement and the Ordinance and to accept the Notes as evidence of such loans; and

Whereas, the City has determined that the representations, agreements and covenants made or to be made by it in this Agreement, the Ordinance and the Notes are proper, desirable and necessary to obtain and secure payment of the loans under the Agreement and the Ordinance, to issue and sell the Notes and to carry out the City's obligations, powers and purposes under the Ordinance;

Now, Therefore, in consideration of the mutual agreements herein contained, the parties hereto agree as follows:

1. *Representations and Warranties.* To induce the Banks to accept the Notes provided for herein, the City represents and warrants that:

(a) *Authority of the City.* The City is a body politic and corporate duly organized and validly existing as a home rule unit within the meaning of Section 6 of Article VII of the Constitution of the State of Illinois. The City has full legal right, power and authority (i) to possess its properties and conduct its affairs, (ii) to adopt the Ordinance, (iii) to enter into this Agreement, (iv) to borrow money from the Banks for the purposes set forth in the Ordinance and this Agreement, and to issue, execute and deliver the Notes in evidence of such borrowings as provided in this Agreement and the Ordinance, (v) to secure and provide for payment of the Notes in the manner provided in the Ordinance, this Agreement and the Notes, (vi) to make the representations and covenants made by it in the Ordinance, this Agreement and the Notes, and (vii) to perform its other obligations contemplated under the Ordinance, this Agreement and the Notes. The City has, with respect to the issuance of the Notes, complied with all applicable provisions of law, including the Ordinance, in all matters relating to the transactions contemplated hereby.

(b) *Validity of Ordinance, Agreement and Notes.* The Ordinance has been duly adopted by the City at a meeting of the City Council of the City which was duly called, noticed and held, and the Ordinance has not been altered or amended and is in full force and effect. The City has duly authorized (i) the execution, delivery and performance of this Agreement, (ii) the issuance, execution, sale, delivery and due performance of the Notes, and (iii) the taking of any and all such action as may be required on the part of the City to carry out, give effect to and consummate the transactions contemplated by the Ordinance, the Notes and this Agreement. When duly executed and delivered by the City, this Agreement and the Notes will constitute legal, valid and binding obligations of the City enforceable in accordance with their respective terms and the Banks will be entitled to the benefits and security of the Ordinance, the Notes and this Agreement.

(c) *Litigation.* Except as stated in a certificate of the Corporation Counsel of the City furnished to the Banks, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, or before or by any court, public board or body, pending against or, to the best of the knowledge of the City, threatened against the City (nor to the best of the knowledge of the City is there any basis therefor), which in any way questions the validity of the Ordinance, the powers of the City referred to in Section 1(a) above, or the validity of any proceeding taken or to be taken by the City in connection with the issuance, execution, sale and delivery of the Notes or wherein an unfavorable decision, ruling or finding would in any way materially and adversely affect the transactions contemplated by this Agreement or materially and adversely affect the ability of the City to fulfill its obligations under the Ordinance, this Agreement or the Notes and to levy ad valorem taxes unlimited as to rate and amount against all taxable property within the City sufficient to pay the principal of and interest on the Notes, or which in any way would materially and adversely affect the validity or enforceability of the Notes or the Agreement (or of any other instrument required or contemplated for use in consummating the transactions contemplated by this Agreement) or the exemption of the interest on the Notes from Federal income taxation.

(d) *Legislation.* Except as stated in a certificate of the City Comptroller furnished to the Banks, to the best knowledge of the City, there is no legislation pending before the Illinois General Assembly (or adopted by it and awaiting action by the Governor) or the Congress of the United States or ordinance pending before the City Council which would affect or limit the right, power or authority of the City to enter into this Agreement, to issue the Notes or to perform its obligations under the Ordinance, this Agreement or the Notes or which in any way would materially and adversely affect the validity of the Ordinance, the Notes or this Agreement (or any instrument required or contemplated for use in consummating the transactions contemplated hereby), nor is there any such legislation or ordinance which is not introduced for action in the General Assembly or Congress or before the City Council, but which to the knowledge of the City is proposed to be so introduced and has been reduced to a written draft.

(e) *Permits and Approvals.* No approval, permit, consent, or authorization of, or registration or filing with, any governmental or public agency, authority or body not already obtained or made is required on the part of the City in connection with the issuance and sale of the Notes or the execution and delivery by the City of this Agreement and the Notes, or except as contemplated herein, the performance of its obligations under the Ordinance, this Agreement and the Notes.

(f) *No Conflicts.* The adoption of the Ordinance, the execution and delivery by the City of this Agreement and the Notes, and compliance with the provisions of each of such instruments, will not conflict with, result in a breach of any provision of, or constitute a default under, any ordinance, resolution, indenture, commitment, agreement or other instrument adopted by the City or to which the City is a party or by which it is bound, or under any provision of the Constitution of the State of Illinois or any existing law, rule, regulation, judgment, order or decree to which the City (or any of its officers in their respective capacities as such) is subject.

(g) *No Defaults.* The City is not in default in the payment of principal of, premium, if any, or interest on, or otherwise in default in any material manner with respect to, any general obligation indebtedness for borrowed money (including, without limitation, bonds, notes or certificates of indebtedness), lease rental obligations to the Public Building Commission of Chicago, or water revenue obligations which it has issued, assumed or guaranteed, or for which it has otherwise become obligated, as to payment of principal, premium, if any, or interest.

(h) *Financial Statements.* The City has provided the Banks with the financial statements of the City for the fiscal year ended December 31, 1979, audited by Peat, Marwick, Mitchell & Co., independent certified public accountants, together with certain additional financial information constituting Part II of Appendix A to the Official Statement of the City of Chicago dated April ...., 1981 (the "Official Statement"). Except as the Comptroller of the City has otherwise advised the Banks in writing, all such financial statements have been prepared in accordance with generally accepted accounting principles, applied on a consistent basis throughout the periods specified therein. Such financial statements, including in each case any related notes, are true, complete and correct in all material respects and present fairly the financial position of the City as at each balance sheet date and the results of its operation and changes in financial position for the periods covered thereby. Except as stated in a certificate previously provided by the City to the Banks and signed by the Comptroller of the City, and as otherwise disclosed in the Official Statement no material adverse change has occurred in the financial position of the City or results of its operations since December 31, 1979. The City has also provided the Banks with certain unaudited quarterly financial reports for the quarter ended December 31, 1980 including statements of actual cash flow through December 31, 1980 and projected cash flow through December 31, 1981. Such financial reports and cash flow statements are based on the best information ascertainable by the City as of the date hereof, and the cash flow projections are based on various assumptions as to future events and circumstances which the City believes to be reasonable.

(i) *Official Statement.* Except as the City Comptroller has otherwise advised the Banks in writing, the Official Statement, a copy of which has previously been provided to the Banks did not (as of the date thereof) contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

2. *General Conditions Concerning Loans and Notes.*

(a) Subject to the terms and conditions of this Agreement, each Bank severally agrees to lend and relend to the City from time to time on or before December 1, 1982 its proportionate share equal to such Bank's Percentage of Aggregate Commitment as set forth on the signature pages hereof, of such amounts as the City may, from time to time, request be loaned under this Agreement. However, the total amount of borrowings outstanding at any time under this Agreement shall not exceed $50,000,000. The amounts requested by the City to be loaned from time to time shall each be in multiples of $100,000 and in a minimum amount of $100,000. The City shall give the Banks at least one business days prior written notice of each proposed borrowing under this Agreement shall not exceed $50,000,000. fulfillment of the conditions described in Section 3 of this Agreement and delivery to the Agent of a Note as provided in Section 4 of this Agreement, each Bank shall pay to the Agent funds equal to such Bank's Percentage of Aggregate Commitment of the proposed borrowing, and the Agent shall thereupon pay or cause to be paid to the City the sum so to be borrowed, but, with respect to any Bank other than the Agent, the Agent shall be so obligated only to the extent that the Agent shall have received funds from such Bank as above provided.

(b) The Agreement shall terminate on December 1, 1982, or at such time after such date when all Notes are paid in full as to both principal and interest, whichever date is later. No loans shall be made under this Agreement after December 1, 1982.

(c) All payments to be made pursuant to this Agreement shall be in Federal funds or other immediately available funds.

3. *Specific Conditions Precedent to Loans and Issuance of Notes.*

The following shall be conditions precedent to the making from time to time of loans and the issuance of the Notes under this Agreement:

(a) Immediately prior to the making of the first loan and the issuance of the first series of Notes pursuant to this Agreement, the City shall deliver to the Agent, in sufficient number of counterparts to provide the Agent and each Bank with one such counterpart, the following documents, addressed to the Banks, in care of the Agent and dated the date of the loan:

(i) A certified copy of the Ordinance as adopted by the City Council, approved by the Mayor of the City, and published as provided by law;

(ii) An opinion of bond counsel acceptable to the Banks, in substantially the form of Exhibit A to this Agreement;

(iii) The opinion of the Corporation Counsel of the City in substantially the form of Exhibit B to this Agreement;

(iv) A certificate or certificates of the Mayor of the City and the Comptroller of the City: (A) stating that the representations and warranties of the City set forth in Section 1 hereof are true and correct on and as of the date of such Certificate; (B) stating that the aggregate unpaid principal amount of all Notes then to be outstanding under this Agreement will not exceed the maximum amount of loans permitted by this Agreement; (C) regarding the incumbency and term of office of each official of the City whose manual or facsimile signature appears on the Notes, this Agreement or any certificate or other document required to be delivered pursuant to this Agreement; and (D) stating that no event of default, as defined in Section 9 of this Agreement and no event which, with the lapse of time or the giving of notice or both, would constitute such an event of default, has occurred and is continuing;

(v) An arbitrage certificate signed by the Mayor and the Comptroller of the City in form acceptable to bond counsel;

(vi) A certificate signed by the City Comptroller and the City Treasurer as required by Section 2 of the Ordinance.

(b) At the time of the making of each loan subsequent to the first loan and the concurrent issuance of Notes, the City shall deliver to the Agent properly executed certificates as of the date of the loan as to the matters referred to in Sections 3(a)(iv), (v) and (vi) of this Agreement. The City shall also then deliver to the Agent the opinions of bond counsel and the Corporation Counsel of the City, each dated the date of such loan, with respect to the Notes then to be issued. Those opinions shall be in the forms as required in subparagraphs (a)(ii) and (iii) of this Section and shall relate specifically to the Notes then being issued.

(c) Notwithstanding any other provision of this Agreement, no loan shall be required to be made under this Agreement if, and as long as, any condition precedent to the making of the loan shall not have been satisfied or if, and as long as, any event of default described in Section 9 of this Agreement, or any event which, with the lapse of time or the giving of notice or both, would constitute such an event of default, shall have occurred and be continuing.

(d) Notwithstanding any other provision of this Agreement, no loan shall be required to be made under this Agreement so long as any Note which is not paid on or before the stated maturity date thereof remains outstanding and unpaid.

4. *Notes Evidencing Obligation to Repay Borrowings.*

(a) Each borrowing under this Agreement by the City shall be evidenced by Notes of the City substantially in the form set forth in the Ordinance, with appropriate insertions in the appropriate spaces, and dated the date of the borrowing evidenced by such Notes. The Notes shall be numbered consecutively from 1 in the chronological order of issuance. The Notes shall be payable to each Bank in the principal amount thereof, at the office of the Agent at 231 South LaSalle Street, Chicago, Illinois 60693. Each Note shall mature not later than ninety-one (91) days after the date of issuance thereof, or on December 1, 1982 (whichever is earlier), provided, however, that in certain circumstances the maturity of any such Note may be extended as provided in Section 8(b) hereof. Interest on the Notes shall be payable as provided in Section 5 of this Agreement.

(b) Each Note shall be executed in the name of the City by the Mayor of the City and by the City Comptroller by their manual or facsimile signature, shall be attested by the manual or facsimile signature of the (Deputy) City Clerk and shall be sealed with the corporate seal of the City.

(c) Each Note shall be a direct and general obligation of the City to the payment of which (as to both principal and interest) the City pledges its full faith and credit. The Notes shall be payable (both as to principal and interest to the date of payment) (i) from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose; and (ii) in the event of an extension of maturity pursuant to Section 8(b) hereof, from the proceeds of ad valorem taxes to be levied by the City without limitation as to rate or amount against all taxable property situated within and City sufficient to pay when due the principal of and interest on the Notes.

(d) Upon payment in full of principal of and interest on any Note, the Note shall be cancelled and surrendered to the City. Prepayments of principal of each Note shall be noted on the back of the Note by the holder of the Note.

5. *Interest.*

(a) The Notes shall bear interest from their respective dates until paid. Except as provided in paragraph (b) of this Section 5, the interest rate on the Notes shall be equal during each calendar month in which Notes are outstanding and unpaid to 60% of the Agent's Prime Rate in effect on the first day of such month (or, in the case of any calendar month during which Notes are issued, to

60% of the Agent's Prime Rate in effect on the first date in which Notes are outstanding during such month); provided, however, that the interest rate on Notes, the maturity of which has been extended pursuant to Section 8(b) hereof, shall be equal during each month that such Notes are outstanding and unpaid to 70% of the Agent's Prime Rate in effect on the first day of such month (or, in the case of any month during which the maturity of any such Notes is extended, to 70% of the Agent's Prime Rate in effect on the first date on which the maturity of any such Notes is extended during such month); and provided, further, that the interest rate on any Note shall not at any time exceed the greater of 11% or 70% of the Agent's Prime Rate on the date of issuance of such Note. The Agent shall notify the City within three (3) business days after any change in the Agent's Prime Rate. The failure of the Agent timely so to notify the City of any change in the Agent's Prime Rate shall not affect the obligation of the City to pay interest at such changed rate as long as such notice is given prior to payment of such interest. The "Agent's Prime Rate" shall mean the rate per annum then most recently announced by the Agent as its Prime Rate for 90-day unsecured commercial loans in Chicago, Illinois.

(b) Notwithstanding the provisions of paragraph (a) of this Section 5, the interest to be paid with respect to any Bank shall be at a rate equal during each month that Notes are outstanding and unpaid to the Agent's Prime Rate in effect on the first day of such month or, in the case of any month during which Notes are issued, to the Agent's Prime Rate in effect on the first date on which Notes are outstanding during such month (the "Taxable Rate") for any period during which interest on any Note is required to be included in the gross income of such Bank for Federal income tax purposes. No Bank shall include interest on any Note in its gross income for Federal income tax purposes, or enter into any settlement agreement with the United States Internal Revenue Service whereby interest on any Note will be so includable, in whole or in part, without first having given notice to the City of the reasons for so including or agreeing to include interest in the gross income of such Bank and permitting the City, at its option and at its own expense, to challenge on behalf of or, at the option of such Bank, in conjunction with such Bank, any determination or decision of the Internal Revenue Service requiring interest so to be included in gross income for Federal income tax purposes. Promptly after such interest has been required to be included in the gross income of any Bank for Federal income tax purposes, or upon such Bank entering into a settlement agreement providing for such inclusion of such interest, the City shall pay to the Bank, the difference between (i) the interest, if any, which has been paid on the Note in respect of the period during which such interest is required to be included in the gross income of the Bank for Federal income tax purposes and (ii) interest on the Note in respect of such period at the Taxable Rate.

(c) Except in connection with any prepayment or acceleration in accordance with this Agreement, or in connection with additional payments as provided in paragraph (b) of this Section 5, interest on each Note shall be payable at maturity. Interest on any Note extended pursuant to Section 8(b) hereof shall be payable after the stated maturity date on each subsequent October 1, January 1, April 1, and July 1 during the period such Note is outstanding and at the final maturity date as extended. Interest on each Note shall be computed for actual days elapsed on the basis of a year of 365 or 366 days, as appropriate, in respect of the principal amount of such Note from time to time outstanding and unpaid.

6. *City's Right To Prepay Notes.*

The City may, at its option, at any time or from time to time, upon one (1) day's notice to the Banks and without premium or penalty, and from any funds available to it prepay the Notes, in whole, or in part in any integral multiple of $100,000. Any such prepayment shall be accompanied by payment of the unpaid accrued interest on the principal amount so prepaid to the date of such prepayment. Any partial payment of any Note shall be evidenced by notation on the back thereof by the holder of such Note to indicate the date of such prepayment and the amount thereof. In the event of any prepayment each Bank agrees to relend an amount equal to its proportionate share of such prepayment as the City may, from time to time, request, as provided in Section 2 of this Agreement.

7. *Application of Payments.*

(a) Any prepayment of less than the total aggregate principal amount and accrued interest of all Notes outstanding shall be applied pro rata to the payment of Notes in the order of issuance. Prepayment of less than all of any Note shall be applied first to accrued interest on the principal amount being prepaid and then to the principal of that Note.

(b) All payments and prepayments of principal of and interest on the Notes shall be paid to the Agent for the account pro rata of the Banks entitled thereto in accordance with the provisions of this Agreement. The Agent shall immediately distribute to each Bank all payments of principal or interest received by the Agent for the account of such Bank. All amounts received by each Bank (whether as a result of payment transmitted by the City or otherwise) on account of payment of interest on or principal of the Notes shall be so applied by it to its Notes.

(c) If any of the Banks shall obtain any payment or prepayment (whether voluntary or involuntary) in respect of principal of or interest on any Note in excess of its pro rata share of payments then obtained by all Banks in respect of principal and interest on all Notes, then such Bank shall purchase from the other Banks such interest (at face value) in the Notes as shall be necessary to cause such purchasing Bank to share the excess payment received ratably with such other Banks; provided, however, that if all or any portion of the excess payment is thereafter recovered from such purchasing Bank, the purchase shall be rescinded and the purchase price restored to the extent of such recovery but without interest.

8. *Covenants.*

The City hereby covenants and agrees with the Banks that during the term of this Agreement:

(a) The City shall duly and punctually pay the principal of and interest on the Notes out of the sources of payment specified in Section 4(c) hereof at the dates set forth in this Agreement and the Notes. All amounts payable by the City to the Banks under this Agreement or the Notes shall be paid to the Agent at 231 South LaSalle Street, Chicago, Illinois 60693.

(b) The City hereby pledges its full faith and credit to the payment of the principal of and interest on the Notes and of any other amounts payable by the City to the Banks under this Agreement. The City hereby covenants and agrees that in the event that any Note is not paid on or before the stated maturity date thereof and remains outstanding, the City shall levy and collect ad valorem taxes for the year of the stated maturity date, without limitation as to rate or amount, against all taxable property situated within the City sufficient to pay when due the principal of and accrued interest on such Note. The stated maturity of any Note may be extended by the Banks in their discretion at the request of the City to November 15 of the calendar year which next commences following the stated maturity of such Note pursuant to a written instrument executed by the Mayor and City Comptroller and delivered to each of the Banks at least two business days prior to the stated maturity of such Note. Such request shall be effective upon receipt and shall be delivered to the Agent at 231 South LaSalle Street, Chicago, Illinois 60693, Attention: Vice President, Public Finance Division; to The First National Bank of Chicago at One First National Plaza, Chicago, Illinois 60670, Attention: Vice President, Public Funds Division; and to the Morgan Guaranty Trust Company of New York, 23 Wall Street, New York, New York, 10015, Attention: Public Finance Department. Unless a Bank shall have delivered to the City a written rejection of any request for an extension of maturity not later than 5:00 p.m. of the second business day after delivery to the Banks of such request, the maturity of any Note which shall have been the subject of such request shall be automatically extended to November 15 of the calendar year which next commences following the stated maturity of such Note. A tax levy ordinance shall be adopted not later than the third regular meeting of the City Council occurring after a date which is five business days after the extension is granted, deemed granted or denied, but in any event on or before the December 31 next following the stated maturity of such Note. If such Note is thereafter paid from any other funds or revenues of the City, the taxes so levied shall be abated in accordance with Section 6 of the Ordinance.

(c) The City shall appropriate by ordinance as provided by law sums sufficient to pay the Notes in full, both as to principal and interest, when due. To the extent that the City should fail to include in any appropriation ordinance (including supplements thereto) for any year an amount sufficient to pay the principal of and interest on the Notes due during such year, the Ordinance shall constitute a continuing appropriation of such amounts for such purposes, as provided in the Ordinance.

(d) The levy of taxes for the Notes shall be for the sole benefit of the holders of interests in the Notes and the holders of interests in the Notes shall have a claim against such levy and the future proceeds of such levy to the extent of the indebtedness outstanding under this Agreement but only after such proceeds are deposited into the Note Escrow Account.

(e) As soon as practicable following the end of each fiscal year of the City, the City shall furnish the Banks with a comprehensive audit of the City's finances and funds by one of the eight largest national firms of independent certified public accountants selected by the City and acceptable to the Banks. Upon any proposed change in accounting firms, the Chairman of the Committee on Finance of the City Council shall provide to the Banks a statement as to whether the Committee on Finance has recommended or approved or disapproved of such change and stating the reasons for such recommendation, approval or disapproval. Each year-end financial statement shall be furnished to the Banks within 240 days after the last day of the City's fiscal year.

(f) The City will prepare and furnish to the Banks the available unaudited quarterly financial reports prepared by the City for each quarterly fiscal period of each fiscal year of the City. Each quarterly report shall include a statement of revenues and expenditures for the Corporate Fund and any other fund for which such information is available, a comparison of such revenues and expenditures to such amounts as allocated to that quarter by the City based on the Annual Budget for such fiscal year, and an explanation of any unfavorable variances in excess of ten percent (10%) of the amount as allocated. Each quarterly report shall also include a quarterly cash flow statement including projected cash flow for the remainder of the unexpired budget period, a comparison of actual and projected cash flow with the projections for the fiscal year 1981 provided to the Banks at the time of the initial loan hereunder, or with similarly prepared cash flow projections prepared by the City and submitted to the Banks on or before January 31, 1982 for the calendar year 1982, and any other information reasonably requested by the Banks. Each quarterly financial report shall be furnished to the Banks within 90 days after the last day of the quarterly fiscal period to which such report relates.

(g) Prior to the issuance or extension of any Note, the City will also prepare and furnish to the Banks a statement summarizing the receipts and disbursements for the Corporate Fund and the opening and closing balances for each month ending more than 30 days prior to the date of such report and comparing them with the cash flow projections provided to the Banks at the time of the initial loan hereunder for the calendar year 1980 and with a similarly prepared cash flow projections prepared by the City and submitted to the Banks on or before January 31, 1981 for the calendar year 1981.

(h) It is the intention of the City and the Banks that the interest on the Notes be excluded from the gross income of the Bank for Federal income tax purposes by reason of the provisions of Section 103 of the Internal Revenue Code of 1954, as amended (the "Code"), or any substantially similar successor provision hereinafter enacted. To that end, the City covenants that it will not take any action, or omit to take any action which is lawful and within its power to take, and which, if taken or omitted, would cause interest on the Notes to become includable in the gross income of the holders thereof for Federal income tax purposes. Without limiting the foregoing, the City covenants that no funds of the City will be invested or used in such manner that would cause the Notes to be "arbitrage bonds" within the meaning of Section 103(c) of the Code and the applicable regulations promulgated thereunder, as they may be in force and applicable at the time of such investment or use.

(i) No borrowing or reborrowing under this Agreement shall be made for the purpose of refunding any outstanding borrowings or reborrowings hereunder.

(j) Prior to the collection of any taxes levied for payment of any Note as provided in Section 8(b) hereof, the City will establish separate and segregated escrow accounts with third parties substantially similar to the escrow accounts established for payment of the obligations of the City incurred pursuant to the General Obligation Term Loan Agreement dated as of April 1, 1980 between the City, the Agent and certain banks.

(k) The City covenants and agrees that for a period of at least 30 consecutive days at any time during the term of this agreement following the date of the issuance of the first Note hereunder, which 30 consecutive day period shall be selected at the sole option of the City, no Notes shall be outstanding under this Agreement; provided, however, that this covenant shall be of no force or effect in the event the City shall have levied a tax pursuant to Section 8(b) hereof, so long as such tax shall not have been abated within the period permitted by law.

(l) The City agrees to make available to the public upon request at the office of the City Clerk any financial report furnished to the Banks pursuant to Sections 8(e), (f) and (g) of this Agreement at the same time any such financial report is furnished to the Banks. It is further understood and agreed that the Banks have the right, within their own discretion, to disclose any such financial reports to third parties, to the extent permitted by applicable law, and the Banks will notify the City of any such disclosure.

(m) In consideration of the commitment of the Banks to make loans to the City hereunder, the City hereby agrees to pay to the Banks, ratably according to their respective Commitments, a fee (herein called the "Commitment Fee") for the period commencing on the date hereof and ending on December 1, 1982, of ½ of 1% per annum on the daily average aggregate amount of the unused Commitments. The Commitment Fee in respect of each Calendar Quarter (or portion thereof) shall be payable following the end of such Calendar Quarter on the 15th day after receipt by the City of a statement from the Agent of the amount of the Commitment Fee for such Calendar Quarter, for any period then ending for which the Commitment Fee shall not have been thereto paid.

9. *Events of Default.*

(a) If one or more of the following "events of default" occur:

(i) Default in the payment of principal of, or interest on, any Note when due;

(ii) Default by the City in the payment of any other general obligation indebtedness for borrowed money (including lease rental payments to the Public Building Commission of Chicago) or any water or sewer revenue notes (which water or sewer revenue notes are held at such time by any of the Banks) when the same becomes due and payable or the failure by the City to observe or perform any term, covenant or agreement contained in any agreement, instrument, ordinance or resolution by which it is bound evidencing or securing general obligation indebtedness for borrowed money for such period of time as would cause acceleration of the maturity thereof or would permit (assuming the giving of appropriate notice if required) the holder or holders thereof to accelerate the maturity thereof;

(iii) Any representation made by the City herein or in any schedule, statement, exhibit, report, certificate, notice or writing furnished by the City to the Banks in connection herewith of which the Banks have given notice to the City shall be untrue in any material respect on the date as of which the facts set forth are stated or certified and, with respect only to financial reports delivered pursuant to Sections 8(e), (f) and (g) hereof, which is not made good within 30 days after notice thereof from the Agent or any of the Banks;

(iv) Legislation shall be enacted or a referendum of the electors of the City shall be passed or a decision by a court of competent jurisdiction shall become final and not subject to further review which prevents the City from complying with the Ordinance, the Notes or this Agreement or limits or modifies the powers of the City in any way which materially and adversely affects the ability of the City to pay any of its general obligation indebtedness as the same becomes due or materially and adversely impairs the ability of the City to perform its obligations under the Ordinance, this Agreement or the Notes, or the Ordinance shall be modified or amended except as permitted by this Agreement;

(v) Default in the performance of any of the City's agreements set forth herein or in the Ordinance (and not constituting an event of default under any of the preceding subsections of this Section 9(a)) and continuance of such default for 30 days after notice thereof to the City from the Agent or from any Bank; or

(vi) A decree or order by a court having jurisdiction shall be entered adjudging the City a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization or rearrangement of the City under the Federal bankruptcy laws or any similar applicable Federal or Illinois law, and such decree or order shall continue undischarged or unstayed for a period of 30 days; or a decree or order of a court having jurisdiction for the appointment of a receiver, liquidator, trustee or assignee in bankruptcy or insolvency of the City or all or any material portion of its property, or for the winding-up or liquidation of the City or all or any material portion of its property, shall be entered, and such decree or order shall continue undischarged and unstayed for a period of 30 days; or

(vii) The City shall institute proceedings to be adjudicated a voluntary bankrupt, or shall consent to the filing of a bankruptcy proceeding against it, or shall file a petition or answer or consent seeking reorganization or arrangement under the Federal bankruptcy laws or any similar applicable Federal or Illinois law, or shall consent to the filing of any such petition, or shall consent to the appointment of a receiver, liquidator, trustee or assignee in bankruptcy or insolvency of the City or of all or any material portion of its property, or shall make an assignment generally for the benefit of creditors, or shall admit in writing its insolvency or inability to pay its debts generally as they become due, or any action shall be taken by the City in furtherance of any of these purposes;

then the Agent may, and, upon the request of any Bank (which may include the Agent) shall, declare the principal of and accrued interest on the Notes to be immediately due and payable, and the Notes shall thereupon be and become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which are expressly waived, and without relieving the City of any of its obligations under the Ordinance or this Agreement; provided, however, that in the case of any occurrence of any event of default described in the foregoing clauses (vi) or (vii), the Notes shall become due and payable forthwith without the requirement of any such declaration or request, and without presentment, demand, protest or other notice of any kind, all of which are expressly waived.

(b) If any event of default or event which might mature into an event of default has occurred and is continuing, the Agent may take whatever action at law or in equity which may appear necessary or desirable to collect the principal of and interest on the Notes then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the City under the Ordinance, this Agreement or the Notes, whether for specific performance of any covenant or agreement contained in the Ordinance, this Agreement or the Notes or in aid of the execution of any power granted in this Agreement or the Ordinance.

(c) No remedy in this Agreement conferred upon or reserved to the Agent or the Banks is intended to be exclusive of any other available remedy or remedies. Each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement, as now or subsequently existing at law or in equity or by statute. No delay or omission to exercise any right or power occurring upon any event of default shall be construed to be a waiver of such right or power, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agent or the Banks to exercise any remedy reserved in this Agreement, it shall not be necessary to give any notice other than notice required by this Agreement.

(d) In the event of any default in payment of principal of or interest on the Notes when due any indebtedness from the Agent or from any Bank to the City may be set off and applied to the payment of the defaulted principal of or interest on the Notes. This paragraph shall not apply to any funds held by the Agent or any Bank, in its capacity as trustee, escrowee or paying agent, in any segregated escrowed or trusteed account or to any taxes, assessments or charge made by the City against such Bank in its governmental capacity as to which funds there shall be no such setoff or application.

(e) Any request by the City for a waiver or consent with respect to a default (other than a default described in Section 9 (a)(i), (ii), (vi) or (vii) hereof), shall be acted on by the Banks within 60 days after receipt of written request therefor, and if not acted on within such time shall be deemed to have been granted. Any such request shall contain full and complete disclosure of all material facts, and any waiver granted shall be effective only to the extent of such disclosure.

10. *The Agent.*

(a) Each Bank authorizes the Agent to act on behalf of such Bank to the extent provided in this Agreement and to take such other action as may be reasonably incidental to such action.

(b) The Agent shall not be required to do any act under this Agreement, or take any action towards the execution or enforcement of the agency created by this Agreement or to prosecute or to defend any suit in respect of this Agreement or any security unless indemnified by the Banks to the satisfaction of the Agent against loss, cost, liability and expense. If any indemnity furnished to the Agent for any performance should become impaired, the Agent may call for additional indemnity and may cease to do the acts indemnified against until such additional indemnity is given.

(c) Each Bank agrees to reimburse the Agent, to the extent not reimbursed by the City, for such Bank's pro rata share (based upon its percentage of the aggregate commitment set forth on the signature pages of this Agreement) of all reasonable out-of-pocket expenses (including reasonable attorneys fees and legal expenses) incurred by the Agent under or in connection with this Agreement or in enforcing the obligation of the City under this Agreement, the Ordinance or the Notes, or in enforcing any security for this Agreement or the Notes.

(d) The Agent shall promptly distribute to each of the Banks such Bank's pro rata share of all payments actually received by the Agent with respect to the Notes and the Commitment Fee payable to the Banks pursuant to Section 8(m) of this Agreement. The Agent shall conclusively deem each of the Banks to have continuing interests in its Notes until such time as the Agent shall have received written notice from such Bank that its interest in its Notes has been assigned as provided in Section 11(b) of this Agreement to a proper assignee, which notice shall set forth the name and address of such assignee.

(e) Neither the Agent, nor any of its directors, officers, employees or Agents, shall be liable as such for any action taken or omitted by it or them, except for its own or their own gross negligence or willful misconduct, nor responsible for any recitals or warranties in this Agreement, nor for the execution or validity of this Agreement or the Notes, nor for the validity, effectiveness or enforcement of any security, nor to make any inquiry concerning the performance by the City of its obligations. The Agent shall be entitled to rely upon advise of counsel concerning legal matters and upon any certificate, schedule, statement, report, notice or writing which it believes to be genuine or to have been presented by a proper person.

(f) The Agent may resign as such at any time upon at least 30 days' prior written notice to the City and the Banks, such resignation to take effect upon the appointment of and acceptance by a successor agent in accordance with the next sentence of this Section. In the event the Agent gives notice of its resignation, Banks holding in the aggregate interests in more than 50% of the unpaid principal amount of the Notes shall, as promptly as practicable, appoint a successor agent.

(g) Each Bank acknowledges that it has, independent of the Agent and any other Bank and based on such financial statements, documents, information and investigations as has been furnished by the City, made its own credit decision to make the loan to the City under this Agreement. Each Bank also acknowledges that it will, independently of the Agent and any other Bank and based on such documents, information and investigations as it shall deem appropriate, continue to make its own credit decisions in exercising or not exercising from time to time any rights and privileges available to it under this Agreement and any instrument executed pursuant to this Agreement.

(h) Each assignee of an interest of a Bank in a Note pursuant to Section 11(b) of this Agreement shall have with respect to such interest all of the rights, privileges, authorities, duties and obligations of its assignor from and after the time that notice in writing of such assignment shall have actually been received by the Agent.

11. *General.*

(a) No official, officer, agent or employee of the City shall be liable personally on the Notes by reason of the issuance thereof.

(b) This Agreement shall be binding upon and shall inure to the benefit of the City, the Agent and the Banks, and the respective successors and assigns of the Agent and the Banks but only to the extent such assignment is permitted under this paragraph (b), and shall inure to the benefit of each such assignee of the Notes or any interest therein. Any Bank may assign its interests in this Agreement or its Notes (either in whole or in part) only to any other national or state bank. The Bank assigning any interest in its Note shall promptly notify the City and the Agent and of such assignment and of the name and of the address of the assignee. The failure so to give notice of assignments shall not affect the validity of such assignment.

(c) The provisions of this Agreement, the Notes and the Ordinance shall each constitute a contract among the City, the Agent and the Banks. Any owner of any interest in any Note may either in law or equity, by suit, action, mandamus or other proceeding, enforce or compel performance by the City and its officials of all duties required by law, the Notes, this Agreement or the Ordinance. No change or modification shall be made in this Agreement, the Notes or the Ordinance which in any way affect the obligation of the City with respect to the Notes, this Agreement or the Ordinance without the prior written consent (except as otherwise provided in Section 9(e)) of the City and Banks holding in the aggregate interests in more than 50% of the unpaid principal amount of the Notes, but no such change or modification in the maturity, principal amount, principal installment payment dates or amounts, interest payment dates, interest rates, security or sources of payment of the Notes shall be made without the prior written consent of the City and each of the Banks.

(d) Whenever possible each provision of this Agreement shall be interpreted in a manner as to be effective and valid under Illinois law, but if any provision of this Agreement shall be prohibited by or invalid under Illinois law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Agreement.

(e) This Agreement may be executed in any number of copies and by the different Banks on separate counterparts; provided, however, that each counterpart shall be executed by the City and the Agent. When counterparts executed by all parties shall have been received by the Agent, this Agreement shall become effective and at that time the Agent shall notify the City and each Bank.

(f) No failure or delay by the Agent or the Banks in exercising any right, power or privilege under the Ordinance, the Notes or this Agreement shall operate as a waiver of that right, power or privilege, nor shall any single or partial exercise or any right, power or privilege preclude any other or further exercise of that right, power or privilege or the exercise of any other right, power or privilege.

(g) Each of the Banks severally represents that it is purchasing its Notes for its own account and with no present intention of distributing or reselling its Notes or any interest therein but subject, nevertheless, to the disposition of its Notes and all interests therein being at all times within its sole discretion and control.

(h) Any notice under this Agreement shall be effective upon receipt and shall be delivered, in the case of the City, to the City at City Hall, attention Comptroller, and, in the case of the agent or the Banks to the Agent at 231 South LaSalle Street, Chicago, Illinois 60693, attention Public Finance Department.

(i) This Agreement supersedes the Revolving Credit Agreement dated as of June 15, 1980 (the "1980 Agreement") by and among the City, the Agent and the banks named therein, and the commitments of such banks to make loans to the City pursuant to the 1980 Agreement are hereby terminated.

In Witness Whereof, the parties to this Agreement have caused it to be executed by their respective authorized officers as of the day and year first above written.

Action Deferred—On Proposed Ordinance Authorizing the Filing of a Request to Assessor of Cook County for Certification of State-Wacker Area as Class 7 "Area" in Need of Commercial Development.

The Committee on Finance submitted the following report, which was, on motion of Alderman Frost and Alderman Kenner, *Deferred* and ordered published.

Chicago, March 27, 1981.

To the President and Members of the City Council:

Your Committee on Finance, to which was referred a communication dated March 6, 1981 from the Office of the Mayor transmitting a proposed ordinance authorizing the filing of a request to the Assessor of Cook County for certification of the State-Wacker Area as a Class 7 designated "area in need of commercial development" having had the same under advisement, begs leave to report and recommend that Your Honorable Body *Pass* the proposed ordinance transmitted herewith.

This recommendation was concurred in by eighteen members of the committee with two dissenting votes.

Respectfully submitted,
(Signed) Wilson Frost,
Chairman.

The following is said proposed ordinance:

Whereas, The City of Chicago is a home rule unit authorized by the Illinois Constitution of 1970 to exercise any power and perform any function pertaining to its government and affairs, including, but not limited to, the power to regulate for the protection of the public health, safety, morals and welfare, the power to incur debt, and the power to tax; and

Whereas, The City Council of the City of Chicago has declared the existence of commercial areas which are presently blighted where a major portion of the area is detrimental to the health, safety and welfare of the occupants and the welfare of the municipal community, necessitate a disproportionate expenditure of public funds for crime prevention, public health and safety, fire and accident prevention, and other public services and facilities, and fail to produce a proper share of taxes and provide adequate local employment commensurate with the capacity of said areas; and

Whereas, The Commercial District Development Commission was created on May 9, 1975, by Ordinance of the City Council of the City of Chicago, to provide for the eradication and elimination of blighted commercial areas and the rehabilitation and redevelopment of said areas for commercial purposes; and

Whereas, On March 28, 1979, the City Council of the City of Chicago approved the Resolution of the Commercial District Development Commission designating an area identified as the Blighted Commercial Area—North Loop as a blighted area in need of commercial development, as well as the Redevelopment Plan submitted by the Commission with respect to said area; and

Whereas, The Commercial District Development Commission has determined that a portion of the Blighted Commercial Area—North Loop bounded by State Street, Wacker Drive, Clark Street and Lake Street, exclusive of the property actually occupied by the Ryan Insurance building on the southwest corner of Wacker and Dearborn (herein called "State-Wacker Area") meets the criteria for a blighted commercial area as defined in Chapter 15.1-1 of the Municipal Code of the City of Chicago; and

Whereas, The Redevelopment Plan adopted and approved by the City Council on March 28, 1979 included the Redevelopment Plan for the State-Wacker Area; and

Whereas, The development, redevelopment or rehabilitation of the North Loop blighted commercial area contemplated utilization of a variety of funding sources, including Urban Development Action Grant, the sale or resale of land to private developers, and interim financing by the City of Chicago; and

Whereas, The Cook County Board of Commissioners on March 3, 1980, adopted "An Ordinance Amending The Real Property Assessment Classification Ordinance, as amended" for the purpose of encouraging and assisting new development of commercial structures, or the substantial rehabilitation of existing commercial structures, in areas that are designated as blighted areas; and

Whereas, There is a lack of viable industrial and commercial buildings within the State-Wacker Area which is contributing to substantial unemployment in such areas; and

Whereas, If existing commercial structures were improved and utilized fully, and if new commercial structures were developed, the economic well being of the County of Cook and the City of Chicago would be improved by an increase in the level of economic activity, by increased employment opportunities and by a growth in the real property tax base; and

Whereas, Because of the blighted or depressed condition of the State-Wacker Area, the ordinary unaided operation of private enterprise cannot accomplish the necessary modernization, rehabilitation and development and public assistance and encouragement of such private enterprise are needed; and

Whereas, The classification of the State-Wacker Area for property tax purposes as an area in need of the development of new commercial structures or the substantial rehabilitation of existing commercial structures is an appropriate and necessary method of providing such assistance and encouragement and will result in increasing the tax base in such area; and

Whereas, The Department of Planning and the Commercial District Development Commission have recommended that the City Council of the City of Chicago apply to the Cook County Assessor and request certification of the State-Wacker Area for Class 7 designation as "an area in need of commercial development";

The City Council of the City of Chicago hereby finds as follows:

A. The property located within the State-Wacker Area has been duly designated as part of a blighted area in need of commercial development by the Commercial District Development Commission, which designation was approved by the City Council of the City of Chicago on March 28, 1979 and as a blighted area itself by designation approved by the City Council of the City of Chicago on March 6, 1981; and

B. Real estate taxes within the State-Wacker Area have declined, remained stagnant or potential real estate taxes are not being fully realized due to the depressed condition of the area; and

C. There is a reasonable expectation that the development, redevelopment or rehabilitation of the State-Wacker Area is viable and likely to go forward on a reasonably timely basis if Class 7 designation is granted pursuant to the provisions of "An Ordinance Amending the Real Property Assessment Classification Ordinance, as amended" adopted by the Cook County Board of Commissioners on March 3, 1980; and

D. Certification of the State-Wacker Area for Class 7 designation will materially assist development, redevelopment or rehabilitation of the area and such development, redevelopment or rehabilitation would not go forward without such certification; and

E. Certification of the State-Wacker Area for Class 7 designation is reasonably expected to ultimately result in an increase in real property tax revenues and employment opportunities within the area; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

Section 1. The City Council of the City of Chicago does hereby request certification of the State-Wacker Area for designation as a Class 7 "area in need of commercial development" for assessment purposes pursuant to the provisions of "An Ordinance Amending the Real Property Assessment Classification Ordinance, as amended" adopted March 3, 1980 by the Cook County Board of Commissioners. This request supersedes the ordinance passed by the City Council on July 8, 1980 requesting certification of the entire blighted commercial area—North Loop.

Section 2. The ordinance of March 28, 1979, approving the Redevelopment Plan submitted by the Commission with respect to the Blighted Commercial Area—North Loop is hereby reaffirmed as the redevelopment plan for the State-Wacker Area to the extent it is applicable.

Section 3. The Mayor of the City of Chicago is hereby authorized to execute any and all documents required in connection with the foregoing request for certification.

Section 4. The Chairman of the Commercial District Development Commission is hereby authorized and directed to deliver a certified copy of this Ordinance to the Cook County Assessor and to furnish such additional information as may be required in connection with the application for certification of the State-Wacker Area for Class 7 designation as an "area in need of commercial development".

Section 5. This ordinance shall be in full force and effect from and after its passage.

Action Deferred—ON PROPOSED ORDINANCE AUTHORIZING AN EXECUTION OF AGREEMENTS AND PROVIDING FOR ISSUANCE OF GENERAL OBLIGATION BOND ANTICIPATION NOTES, SERIES APRIL, 1981 NECESSARY FOR INTERIM FINANCING OF NORTH LOOP REDEVELOPMENT PROJECT.

The Committee on Finance submitted the following report, which was, on motion of Alderman Frost and Alderman Kenner, *Deferred* and ordered published:

CHICAGO, March 27, 1981.

To the President and Members of the City Council:

Your Committee on Finance, pursuant to the provisions of applicable law, advertised for a Public Hearing on an Ordinance introduced into the City Council by Jane M. Byrne, Mayor, City of Chicago, on March 6, 1981, recommending the Issuance of General Obligation Bond Anticipation Notes in the amount of Fifty-five Million ($55,000,000.00) Dollars, necessary to finance a portion of the redevelopment costs for the North Loop Redevelopment Project. Said advertisement was published in a newspaper of general circulation in the City of Chicago, to-wit "Chicago Tribune" and said advertisement was published on March 14, 1981 calling for a Public Hearing on March 27, 1981 at 10:00 A.M. A certification of said publication is attached to this report. The Committee on Finance did, at the appointed time and place, hold a Public Hearing and heard testimony of witnesses.

The Committee on Finance after the testimony of witnesses, found said issuance of $55,000,000.00 of General Obligation Bond Anticipation Notes to be necessary, desirable and in the public interest.

The Committee on Finance then, by roll call, recommended to the City Council the adoption of an Ordinance authorizing the issuance of $55,000,000.00 of General Obligation Bond Anticipation Notes, a copy of said roll call is attached hereto and made a part of this report as follows.

The following is said proposed ordinance:

Whereas, The City of Chicago, Illinois (the "City") is a body politic and corporate under the laws of the State of Illinois and a home rule unit under Article VII of the 1970 Constitution of the State of Illinois; and

Whereas, The Commercial District Development Commission (the "Commission") was created by an ordinance passed by the City Council of the City (the "City Council") on May 8, 1975 adding chapter 15.1 to the Municipal Code of the City (the "Commission Ordinance") to provide for the eradication and elimination of blighted commercial areas and to provide for the rehabilitation and redevelopment of said areas pursuant to redevelopment plans; and

Whereas, A redevelopment project (the "North-Loop Redevelopment Project") was established pursuant to the Commission Ordinance by two ordinances passed by the City Council on March 28, 1979 approving and adopting, respectively, the designation by the Commission of an area identified as the "North-Loop" as a Blighted Commercial Area and the North-Loop Redevelopment Plan submitted by the Commission with respect to said area; and

Whereas, The City has determined that it is desirable and in the public interest to temporarily borrow money in advance of permanent financing, and in evidence thereof to issue $55,000,000 aggregate principal amount of its general obligation bond anticipation notes in order to provide interim financing for a portion of the Redevelopment Project Costs (as defined in the Commission Ordinance) in connection with the North-Loop Redevelopment Project (the "North-Loop Redevelopment Project Costs"); and

Whereas, The City has determined that it is desirable and in the public interest to authorize the issuance of up to $57,500,000 of its general obligation bonds for the purpose of paying or providing for the payment of the principal of and interest on all or part of such general obligation bond anticipation notes; and

Whereas, The City has determined that it is desirable and in the public interest to authorize and enter into a credit agreement with certain banks providing for the borrowing by the City, subject to compliance by the City with the various conditions set forth in said credit agreement, of up to $57,500,000 for the purpose of providing an additional source of funds for paying when due the principal of and interest on all or part of such general obligation bond anticipation notes in the event the City does not issue such general obligation bonds; and

Whereas, The City, by reason of its constitutional home rule powers and applicable law, has the power to issue such general obligation bond anticipation notes and general obligation bonds and enter into said credit agreement; and

Whereas, The City has undertaken the study of the use of tax increment financing pursuant to the Real Property Tax Increment Allocation Redevelopment Act of the State of Illinois in the area described as:

> Beginning at the convergence of the center line of Lake and LaSalle Streets; thence north along the center line of LaSalle Street to the center line extended west of the east-west alley next north of Lake Street; thence east along said line to the center line of Clark Street; thence north along said center line to the center line of Wacker Drive; thence east along the center line of Wacker Drive to the center line of State Street; thence south along said center line to the center line as extended west of Haddock Place; thence east along said line to the east line of Lot 28 extended north of Block 8 in Fort Dearborn Addition to Chicago as aforesaid; thence south along said line and the east line of Lot 28 as aforesaid extended south to the center line of Lake Street; thence east along the center line of Lake Street to the east line of Lot 10 extended north of Block 9 in Fort Dearborn Addition to Chicago as aforesaid; thence south along said line and the east line of Lot 10 as aforesaid extended south to the center line of Benton Place; thence west along said center line to the east line of Lot 22 extended north in Block 9 as aforesaid; thence south along the east line of Lot 22 as extended north and south along the east line of Lot 22 extended south to the center line of Randolph Street; thence west along the center line of Randolph Street; thence west along the center line of Randolph Street to the center line of State Street; thence south along the center line of State Street to the south line extended east of Lot 1 of Assessors Resubdivision of Lots one to five in Block 58 in Assessors Division of original Town of Chicago as aforesaid; thence west along said extended line and the south line of said Lot 1 to the west line of said Lot 1; thence north along said west line of Lot 1 and its extension to the center line of Washington Street; thence west along said center line to the center line of Dearborn Street; thence north along said center line to the center line of Randolph Street; thence west along said center line to the center line of Clark Street; thence north along said center line to the center line of Lake Street; thence west along said center line to the place of beginning; and

Whereas, It appears that certain of the proceeds of such general obligation bond anticipation notes may be used to pay for redevelopment costs, as defined in said Act, prior to the formal adoption of a "redevelopment plan" or the formal designation of a "redevelopment project area" as defined in said Act; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

Section 1. In accordance with the findings and recommendations of the Committee on Finance of the City Council pursuant to a properly noticed public hearing heretofore held on this Ordinance by said Committee, $55,000,000 shall be temporarily borrowed in advance of permanent financing for the purpose of providing interim financing for a portion of the North-Loop Redevelopment Project Costs, and in evidence of such temporary borrowing $55,000,000 aggregate principal amount of General Obligation Bond Anticipation Notes of the City (the "Notes") shall be issued. It is hereby found and determined that such temporary borrowing in advance of permanent financing is necessary for the welfare of the government and affairs of the City, is for a proper public purpose for which the City may authorize and issue its general obligation bonds and is in the public interest.

Section 2. The Notes shall be designated "General Obligation Bond Anticipation Notes, Series of April, 1981", shall be dated April 1, 1981, shall be issued as coupon Notes, registrable as to principal only, in denominations of $5,000 or any integral multiple thereof, shall be numbered consecutively from one upwards, shall mature on October 1, 1982, and shall bear interest from their date until the principal sum is paid or provided for at the rate of eleven percent (11%) per annum or such lesser rate as shall be established pursuant to Section 9 hereof, computed on the basis of a 360-day year.

Interest on the Notes shall be payable on October 1, 1981, April 1, 1982 and at maturity, but only upon presentation and surrender of the interest coupons attached thereto as they severally become due. Both principal of and interest on the Notes shall be payable in lawful money of the United States of America at the office of the City Treasurer of the City (the "City Treasurer") in Chicago, Illinois, or, at the option of the holder, at the office of Morgan Guaranty Trust Company of New York in New York, New York.

Each Note shall be executed by the manual or facsimile signatures of the Mayor of the City (the "Mayor") and the City Comptroller of the City (the "City Comptroller"), attested by the manual signature of the City Clerk or Deputy City Clerk, and shall have the corporate seal of the City affixed, impressed or printed thereon. Each interest coupon shall be executed by the facsimile signatures of the Mayor and the City Clerk. The Mayor, the City Comptroller and the City Clerk have filed or shall file with the Secretary of State of Illinois their manual signatures certified by them pursuant to the Uniform Facsimile Signature of Public Officials Act, as amended, and the use of the facsimile signatures of such persons to execute the Notes and interest coupons is authorized pursuant to the filing. In case any officer of the City whose manual or facsimile signature appears on a Note or interest coupon shall cease to be such officer before the delivery of such Note or interest coupon, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

Section 3. The Notes shall pass by delivery, unless registered, and any Note may be registered as to principal only in the name of the owner on the registry books of the City Comptroller, such registration being noted on each Note so registered, after which registration only such registered owner, or the legal representative of such owner, shall be entitled to receive the principal thereof, and after such registration no transfer thereof shall be valid unless noted on such registry books and similarly noted on the Note, unless the last registration is to bearer, after which it shall be transferably by delivery, but may be again registered as before. Such registration, however, shall not affect the negotiability of the interest coupons by delivery.

Section 4. Each Note, interest coupon and form of registration shall be in substantially the following form:

Section 5. Each Note shall be a direct general obligation of the City to the payment of which (as to both principal and interest) the City pledges its full faith and credit. Each Note shall be payable (both as to principal and interest) from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose, or any combination thereof, including, but not limited to, (i) proceeds of the anticipated sale and issuance, prior to the maturity of the Notes, of general obligation bonds, general obligation bond anticipation notes or other debt obligations sold and issued to refund the Notes (the "Refunding Securities") and (ii) proceeds of loans (the "Loans") made pursuant to a Credit Agreement, dated as of April 1, 1981, in substantially the form attached hereto as Exhibit A (the "Agreement"), providing for borrowings by the City, subject to compliance by the City with the various conditions set forth in the Agreement, of up to $57,500,000 for the purpose of paying the principal of and interest on the Notes when due, among the City, the banks named therein (the "Banks") and Continental Illinois National Bank and Trust Company of Chicago, as agent for said banks (the "Agent"). The City hereby authorizes the issuance of up to $57,500,000 principal amount of general obligation bonds for the purpose of paying or providing for payment of all or part of the Notes when due and covenants and agrees to (i) approve an ordinance in substantially the form of Exhibit C to the Agreement, with appropriate insertions, such approval to be prior to the maturity of the Notes, and (ii) to use its best efforts to sell and issue such bonds prior to the maturity of the Notes in accordance with the conditions set forth in the Agreement.

Section 6. The City shall appropriate amounts sufficient to pay principal of and interest on the Notes for the years such amounts are due, but, if for any such year it fails to do so, this Ordinance shall constitute a continuing appropriation ordinance of such amounts without any further action on the part of the City Council.

Section 7. There is hereby established a special account, separate and segregated from all other funds and accounts of the City, to be designated "Special Escrow for Payment of City of Chicago General Obligation Bond Anticipation Notes, Series of April, 1981" (the "Escrow Account"), said Escrow Account to be maintained with Continental Illinois National Bank and Trust Company of Chicago, Chicago, Illinois, as escrow agent (the "Escrow Agent"), pursuant to an agreement entitled "Escrow Agreement (General Obligation Bond Anticipation Notes, Series of April, 1981)" (the "Escrow Agreement") between the City and the Escrow Agent in substantially the form attached hereto as Exhibit B.

Section 8. The City Treasurer is hereby ordered and directed to deposit (a) a part of the proceeds of the sale of the Notes which, together with any accrued interest received, shall be sufficient to pay the interest to become due on the Notes on October 1, 1981 and April 1, 1982, as provided in Section 9 hereof, (b) proceeds of the Refunding Securities and Loans, if any, and (c) other moneys into the Escrow Account in accordance with the terms of the Escrow Agreement. Moneys so deposited in the Escrow Account shall be invested in accordance with the Escrow Agreement and shall be used solely and only for the purpose of paying principal of and interest on the Notes so long as any Notes remain outstanding. The City hereby pledges, as security for the Notes, all moneys deposited into the Escrow Account for the sole benefit of the holders of the Notes and said holders shall have a first and prior lien upon all such moneys but only after such moneys are deposited in the Escrow Account and only until the principal of and interest on the Notes are paid in full or until such moneys are withdrawn or removed from the Escrow Account pursuant to the Escrow Agreement. On each interest payment date, moneys in the Escrow Account shall be transferred in accordance with the Escrow Agreement.

In the event that proceeds of the Refunding Securities and Loans, if any, are not available in time to make any payments of principal of or interest on the Notes when due, then the fiscal officers of the City are hereby directed to make such payments in accordance with the Escrow Agreement from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Notes as the same become due.

Section 9. The City Comptroller is hereby authorized to sell the Notes, with the concurrence of the Chairman of the Committee on Finance of the City Council, either pursuant to advertised notice and the receipt of sealed bids, such sale to be on the basis of not less than par and the lowest interest cost to the City, or pursuant to a negotiated sale at a price of not less than par and on such terms as he may deem to be in the best interests of the City; provided that, in either case, the interest rate for the Notes shall not exceed the rate specified in Section 2 hereof. Subsequent to such sale, the City Comptroller shall file in the office of the City Clerk a notification of sale directed to the City Council setting forth the name of the purchaser or purchasers of the Notes, the terms of the sale, and the interest rate of the Notes, and thereafter the Notes shall be duly prepared and executed in the form and manner provided herein and delivered to the City Treasurer for delivery to the purchaser or purchasers in accordance with the terms of sale. In the event that the Notes are sold bearing an interest rate less than the rate specified in Section 2 hereof, then the City Comptroller shall include in the notification of sale referred to above further information to indicate the amount of reduction in interest cost to the City resulting from such sale at a lower rate of interest.

Simultaneously with the delivery of the Notes, the sale proceeds (after payment of costs of issuance) shall be applied as follows: (i) an amount which, together with any accrued interest received, will be sufficient to pay the interest becoming due on the Notes on October 1, 1981 and April 1, 1982 shall be deposited in the Escrow Account under the terms of the Escrow Agreement, and (ii) the remaining proceeds shall be used to pay or reimburse the City for payment of North-Loop Redevelopment Project Costs and pending such use shall be deposited in a special account, to be maintained under the control and supervision of the City Comptroller and the City Treasurer with Continental Illinois National Bank and Trust Company of Chicago, separate and segregated from all other funds and accounts of the City.

It is hereby declared to be the policy of the City that the public be fully informed with respect to persons who benefit directly or indirectly from the disbursements of proceeds of the Notes in connection with the City's acquisition of properties for the North-Loop Redevelopment Project. No disbursement for the acquisition of any such properties shall be authorized or paid unless a disclosure statement shall have been filed with the City Clerk setting forth in such form and detail as shall be acceptable to the City Comptroller and the Corporation Counsel, the following information: (1) the name of each person who is the beneficial owner, or who was subsequent to January 1, 1979 a beneficial owner, directly or indirectly, of an interest in such property; (2) the name of each affiliate and associate of any person named in (1) above who is or, subsequent to January 1, 1979, was a beneficial owner of such an interest; (3) a description of the nature of such interest and, in the case of any joint or co-ownership interest, the percentage or participating share of each person, affiliate and associate; (4) a description of each sale or other transfer of any such interest in such property from and after January 1, 1979, including the dates thereof, the consideration paid, the names and addresses of the parties to the transactions and other material terms of the transactions. Such statement shall be signed under oath by the person to whom the City proposes to disburse and shall be a public record. In the event such person does not have, and after diligent efforts is unable to obtain, all of the information required to be set forth, he may so state in the statement, in which event the Corporation Counsel shall take such action and do such things as he deems appropriate under applicable law in order to discover the information which has not been set forth. A report of the Corporation Counsel setting forth his findings shall be filed with the City Clerk and shall be a public record. In the event the disclosure statement, as supplemented by the report of the Corporation Counsel, does not set forth all of the information required with respect to a particular property, the disbursement of such proceeds for such property shall be made only upon the specific authorization of the City Council by ordinance. Certain terms used herein shall have the meanings set forth in Exhibit C hereto.

Section 10. The City covenants that it will take no action in the investment of the proceeds of the Notes which would result in making the interest payable on any of the Notes subject to federal income taxes by reason of the Notes being classified as "arbitrage bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended.

Section 11. The Escrow Agreement, in substantially the form attached hereto as Exhibit B, shall be entered into and the same is hereby approved and shall be executed for and on behalf of the City by the Mayor, the City Treasurer and the City Comptroller, attested by the City Clerk or Deputy City Clerk, and shall have the corporate seal of the City affixed thereto.

Section 12. The Agreement, in substantially the form attached hereto as Exhibit A, shall be entered into and the same is hereby approved and shall be executed for and on behalf of the City by the Mayor and the City Comptroller, attested by the City Clerk or Deputy City Clerk, and shall have the corporate seal of the City affixed thereto.

Section 13. The Mayor and the City Comptroller are authorized to borrow, on or after September 28, 1982 and on or before October 1, 1982, pursuant to this Ordinance and the Agreement, such moneys as the City may request in order to pay when due the principal of and interest on all or part of the Notes, such borrowing not to exceed $57,500,000 in aggregate principal amount and to be evidenced by the issuance of Term Notes (the "Term Notes") as provided herein. Such borrowing shall be requested in the manner set forth in the Agreement and shall be conditioned upon delivery of a certificate signed by the City Comptroller and the City Treasurer of the City dated the date of such borrowing, which certificate shall set forth the principal amount of such borrowing and shall be filed in the office of the City Clerk and the office of the Committee on Finance of the City Council and copies of such certificate shall be delivered to each member of the City Council at least two days before the date of such borrowing.

Section 14. Each Term Note shall be designated "General Obligation Term Note, Series 1982-A", shall be dated its date of issuance, shall be payable in five equal annual installments of principal on November 15 in each of the years 1983 through 1987, and shall bear interest until paid on the principal amount from time to time outstanding at a rate, during each calendar month in which such Term Note is outstanding, equal to 65% of the Agent's Prime Rate in effect on the first day of such month, computed for actual days elapsed on the basis of a 365 or 366-day year as appropriate; provided, however, that during the first calendar month in which any Term Note is outstanding the interest rate on such Term Note shall be equal to 65% of the Agent's Prime Rate in effect on its date of issuance. The "Agent's Prime Rate" shall mean at any time the rate of interest per annum then most recently announced by the Agent as its prime rate for 90-day unsecured commercial loans in Chicago, Illinois. Interest on the Term Notes shall be payable at a rate equal to the Agent's Prime Rate as provided in the Agreement for any period during which interest thereon is required to be included in the gross income of the holder for Federal income tax purposes.

Interest on each Term Note shall be payable on May 15, 1983 and each November 15 and May 15 thereafter until the principal thereof is paid in full. Both the principal of and interest on the Term Notes shall be payable in lawful money of the United States of America at the principal office of the Agent in Chicago, Illinois.

Each Term Note may be prepaid at any time, in whole or in part, without premium or penalty, at the option of the City, upon one day's prior notice to the Banks, as provided in the Agreement; provided, however, that on or prior to the date of any such prepayment the City Comptroller and the City Treasurer shall have signed and filed in the office of the City Clerk and the office of the Committee on Finance of the City Council a certificate setting forth the amount of such prepayment, together with accrued interest thereon.

Each Term Note shall be executed by the manual or facsimile signatures of the Mayor and the Comptroller, attested by the manual signature of the City Clerk or the Deputy City Clerk and shall have the corporate seal of the City affixed thereto. In case any officer of the City whose manual or facsimile signature shall appear on a Term Note shall cease to be such officer before the delivery of such Term Note, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer shall have remained in office until delivery. The Mayor and City Comptroller shall file or have filed with the Secretary of State of Illinois their manual signatures certified by them pursuant to the Uniform Facsimile Signature of Public Officials Act, as amended, and the use of the facsimile signatures of such persons to execute the Term Notes is authorized pursuant to such filing.

Section 16. Each Term Note shall be a direct general obligation of the City to the payment of which (as to both principal and interest) the City pledges its full faith and credit. Each Term Note shall be payable (both as to principal and interest to the date of payment) from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose. The City covenants and agrees that the City shall on or before December 31, 1982 levy for the years 1982 through 1986 ad valorem taxes without limitation as to rate or amount against all taxable property situated within the City for the purpose of paying

when due the principal of and unpaid interest on all such Term Notes, in which event such Term Notes shall be payable from the proceeds of such taxes in addition to the other sources identified in this Section 16.

Section 17. Any taxes levied pursuant to the covenant contained in Section 16 hereof shall be for the purpose of providing funds for payment of principal of and unpaid interest on the Term Notes with respect to which such taxes are levied on the basis of the following assumptions: (i) that the applicable rate of interest payable on each such Term Note so long as any such Term Note is thereafter outstanding shall be equal to 65% of the Agent's Prime Rate in effect on November 1, 1982; and (ii) that no prepayments of the Term Notes will be made subsequent to the date such taxes are levied. The City covenants and agrees that in the event the taxes so levied for any such year (i) were less than the amount required to pay principal of and interest on the Term Notes in the current year or (ii) are reasonably anticipated to be less than such required amount in the next succeeding year, it shall pass such supplemental tax levies as shall from time to time appear to be sufficient to provide sufficient moneys to pay in full the principal of and interest on the Term Notes or to replenish any funds of the City previously used for such purpose. In the event that taxes levied pursuant to the covenant contained in Section 16 hereof and this Section 17 and collected in any year shall remain on hand, after all principal and interest due on the Term Notes in such year have been paid when due, such taxes shall be deposited and retained in the escrow account required to be established pursuant to the Agreement. In the event that no supplemental tax levy is required hereunder and it appears that the taxes levied pursuant to the covenant contained in Section 16 hereof and this Section 17 and to be collected in the next succeeding year will exceed the amount required to pay principal and interest due on the Term Notes during such succeeding year, such taxes shall be abated as hereinafter set forth; provided, however, that such abatement shall not in any event be greater than the amount then on deposit in such escrow account. Prior to the last date on which certificates of tax abatement with respect to the taxes so levied are permitted by the County Clerks of Cook and DuPage Counties to be filed, the City Comptroller shall, on or prior to such date, file certificates of tax abatement with respect to the taxes so levied in the offices of such County Clerks and shall concurrently file copies thereof in the office of the City Clerk and the office of the Committee on Finance of the City Council. Such certificates shall refer to the amount of taxes so levied for the payment of principal of and interest on such Term Notes and shall indicate the amount of principal and interest thereon which, by reason of such amount on deposit in the escrow account, is not expected to be required to be repaid from the proceeds of taxes so levied, which amount is to be abated from the taxes so levied and, further indicating the remainder of such taxes so levied which are to be extended for collection by said County Clerks. In the event proceeds of taxes so levied are not available in time to meet any payments of principal of and interest on the Term Notes, then the fiscal officers of the City are hereby directed to make such payments from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in advancement of the collection of the taxes so levied and when the proceeds of such taxes are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Term Notes as the same become due.

Section 18. The City shall appropriate amounts sufficient to pay principal of and interest on the Term Notes for the years such amounts are due, but, if for any such year it fails to do so this Ordinance shall constitute a continuing appropriation ordinance of the amounts necessary to pay principal of and interest on the Term Notes as provided herein and in the Agreement without any further action on the part of the City Council. In particular, but not in limitation of the foregoing, there is hereby appropriated amounts sufficient (a) to pay principal of and interest on the Term Notes as and when the same become due and (b) to prepay the principal of such Term Notes in the event the City elects to prepay such Term Notes as provided in this Ordinance. The appropriate officers of the City are hereby ordered and directed to make such payments.

Section 19. This Ordinance is made pursuant to the powers of the City as a home rule unit under Article VII of the 1970 Illinois Constitution. The appropriate officers of the City are hereby authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consummate the transactions contemplated by this Ordinance, the Notes, the Escrow Agreement, the Term Notes and the Agreement.

Section 20. The Mayor and the City Comptroller may each designate another to act as their respective proxies and to affix their respective signatures to the Notes, the Term Notes, the Agreement, the Escrow Agreement, and any other instrument, certificate or document required to be signed by the Mayor or the City Comptroller pursuant to this Ordinance, the Agreement, or the Escrow Agreement. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxies for the Mayor and the City Comptroller, respectively. A written signature of the Mayor or of the City Comptroller, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signatures attached, shall be recorded in the Journal of the Proceedings of the City Council and then filed with the City Clerk. When the signature of the Mayor is placed on an instrument, certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the signature of the City Comptroller is so affixed to an instrument, certificate or document at the direction of the City Comptroller, the same, in all respects, shall be binding on the City as if signed by the City Comptroller in person.

Section 21. To the extent that any statutes, ordinances, resolutions, rules or orders, or parts thereof, are in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any provision of this Ordinance shall be prohibited by or invalid under Illinois or Federal law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Ordinance. This Ordinance shall be published by the City Clerk by causing to be printed in pamphlet form at least 100 copies hereof, which copies, are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this Ordinance, and this Ordinance shall be in full force and effect from and after its passage, approval by the Mayor and publication as provided by law.

(g) *No Conflicts.* The adoption of the Ordinance, the execution and delivery by the City of this Agreement, the Notes, the BAN's and the Bonds, and compliance with the provisions of each of such instruments, will not conflict with, result in a breach of any provision of, or constitute a default under, any ordinance, resolution, indenture, commitment, agreement or other instrument adopted by the City or to which the City is a party or by which it is bound, or under any provision of the Constitution of the State of Illinois or any existing law, rule, regulation, judgment, order or decree to which the City (or any of its officers in their respective capacities as such) is subject.

(h) *No Defaults.* The City is not in default in the payment of principal of, premium, if any, or interest on, or otherwise in default in any material manner with respect to, any general obligation indebtedness for borrowed money (including, without limitation, bonds, notes or certificates of indebtedness), lease rental obligations to the Public Building Commission of Chicago, or water revenue obligations which it has issued, assumed or guaranteed, or for which it has otherwise become obligated, as to payment of principal, premium, if any, or interest.

(i) *Financial Statements.* The City has provided the Banks with the financial statements of the City for the fiscal year ended December 31, 1979, audited by Peat, Marwick, Mitchell & Co., independent certified public accountants, together with certain additional financial information constituting Part II of Appendix A to the Official Statement of the City dated April ...., 1981, a copy of which has previously been provided to the Banks. Except as the Comptroller of the City has otherwise advised the Banks in writing, all such financial statements have been prepared in accordance with generally accepted accounting principles, applied on a consistent basis throughout the periods specified therein. Such financial statements, including in each case any related notes, are true, complete and correct in all material respects and present fairly the financial position of the City as at each balance sheet date and the results of its operations and changes in financial position for the periods covered thereby. Except as stated in a certificate previously provided by the City to the Banks and signed by the Comptroller of the City, and as otherwise disclosed in such Official Statement, no material adverse change has occurred in the financial position of the City or results of its operations since December 31, 1979. The City has also provided the Banks with certain unaudited quarterly financial reports for the quarter ended December 31, 1980 including statements of actual cash flow through December 31, 1980, preliminary actual cash flow through February 28, 1981 and projected cash flow through December 31, 1981. Such financial reports and cash flow statements are based on the best information ascertainable by the City as of the date hereof, and the cash flow projections are based on various assumptions as to future events and circumstances which the City believes to be reasonable.

(j) *Official Statement.* Except as the City Comptroller has otherwise advised the Banks in writing, the Official Statement of the City dated April ...., 1981 did not (as of the date thereof) contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

2. *General Conditions Concerning Loans and Notes; Reduction or Termination of Standby Facility.*

(a) Subject to the terms and conditions of this Agreement, each Bank severally agrees to lend to the City on or after September 28, 1982, but not later than October 1, 1982, its proportionate share, equal to such Bank's Percentage of Aggregate Commitment as set forth on the signature pages hereof, of such amount not exceeding $57,500,000 as the City may request be loaned under this Agreement. The amount requested by the City to be loaned shall be in multiples of $100,000. The City shall give the Banks at least three business days prior written notice of a proposed borrowing under this Agreement. Upon such notice and upon fulfillment of the conditions described in Section 3 of this Agreement and delivery to the Agent of a separate Note or Notes (in such denominations as the Agent may request) payable to each Bank in an aggregate principal amount equal to such Bank's Percentage of Aggregate Commitment of the proposed borrowing, as provided in Section 4 of this Agreement, each Bank shall pay to the Agent funds equal to such Bank's Percentage of Aggregate Commitment of the proposed borrowing, and the Agent shall thereupon pay or cause to be paid to the City the sum so to be borrowed, but, with respect to any Bank other than the Agent, the Agent shall be so obligated only to the extent that the Agent shall have received funds from such Bank as above provided.

(b) The Agreement shall terminate at the close of business on October 1, 1982, or if Notes are issued hereunder at such later time as all Notes are paid in full as to both principal and interest.

(c) All payments to be made pursuant to this Agreement shall be in Federal funds or other immediately available funds.

(d) The Commitments of the Banks set forth on the signature pages hereof shall be reduced pro rata in proportion to any payment or provision for payment of principal of or interest due at maturity on the BAN's. For purposes of the preceding sentence, deposit of moneys in the Note Escrow Account (as defined in the Ordinance) shall be deemed to be provision for payment. This Agreement and the obligations of the Banks to lend money to the City hereunder shall terminate prior to October 1, 1982 (i) upon the payment in full of the BAN's from sources other than from proceeds of the Notes, (ii) upon the deposit in said Note Escrow Account of an amount sufficient to provide for the payment in full of the BAN's at maturity or (iii) as provided in Section 9(a) of this Agreement.

3. *Specific Conditions Precedent to Loans and Issuance of Notes.*

The following shall be conditions precedent to the making of the loans and the issuance of the Notes under this Agreement:

(a) Immediately prior to the making of the loans and the issuance of the Notes pursuant to this Agreement, the City shall deliver to the Agent, in sufficient number of counterparts to provide the Agent and each Bank with one such counterpart, the following documents, addressed to the Banks, in care of the Agent and dated the date of the loans:

(i) A certified copy of the Ordinance as adopted by the Council, approved by the Mayor of the City, and published as provided by law;

(ii) An opinion of bond counsel acceptable to the Banks, in substantially the form of Exhibit A to this Agreement;

(iii) An opinion of the Corporation Counsel of the City, substantially the form of Exhibit B to this Agreement;

(iv) A certificate or certificates of the Mayor of the City and the Comptroller of the City: (A) stating that the representations and warranties of the City set forth in Section 1 hereof are true and correct on and as of the date of such Certificate; (B) regarding the incumbency and term of office of each official of the City whose manual or facsimile signature appears on the Notes, this Agreement, the BAN's or any certificate or other document required to be delivered pursuant to this Agreement; and (C) stating that no event of default, as defined in Section 9 of this Agreement, and no event which, with the lapse of time or the giving of notice or both, would constitute such an event of default, has occurred and is continuing.

(v) An arbitrage certificate signed by the Mayor and the Comptroller of the City in form acceptable to bond counsel.

(vi) A certificate signed by the City Comptroller and the City Treasurer as required by Section 13 of the Ordinance.

(b) Within thirty days prior to the date of maturity of the BAN's, (i) the Council shall have adopted an ordinance authorizing the issuance and sale of the Bonds in substantially the form of Exhibit C hereto; and (ii) the City shall have invited public bids for the sale of the Bonds in the aggregate principal amount necessary to pay the principal of and accrued and unpaid interest on the BAN's by publishing a notice of sale of the Bonds in the Daily Bond Buyer or other daily financial newspaper acceptable to the Agent, and shall have failed to receive any bid for the Bonds in response to such invitation at a Reasonable Interest Cost. As used herein "Reasonable Interest Cost" shall mean average annual net interest cost to the City not in excess of the then most recently published "Bond Buyer Index of Municipal Bond Average Yields—20 Bonds", plus 250 basis points. Such invitation for bids shall specify (i) that the Bonds shall constitute full faith and credit general obligation Bonds of the City, (ii) that prior to the issuance thereof the City shall have levied ad valorem taxes against all taxable property situated within the City without limit as to rate or amount sufficient to pay when due the principal of and interest on the Bonds and (iii) that the City shall deliver with the Bonds the unqualified approving opinion of nationally recognized bond counsel regarding the Bonds. Such invitation for bids shall not specify a maximum rate of interest.

(c) The proceeds of the Notes shall immediately be deposited into the Note Escrow Account in accordance with the Ordinance and used solely for the purpose of paying the principal of and accrued interest on the BAN's.

(d) Notwithstanding any other provision of this Agreement, no loan shall be required to be made under this Agreement if, and as long as, any condition precedent to the making of the loan shall not have been satisfied or if, and as long as, any event of default described in Section 9 of this Agreement, or any event which, with the lapse of time or the giving of notice or both, would constitute such an event of default, shall have occurred and be continuing.

4. *Notes Evidencing Obligation to Repay Borrowings.*

(a) Loans under this Agreement shall be evidenced by Notes of the City substantially in the form set forth in the Ordinance, with appropriate insertions in the appropriate spaces, and dated the date of the loans evidenced by such Notes. The Notes shall be payable to each Bank as to principal and interest, at the office of the Agent at 231 South LaSalle Street, Chicago, Illinois 60693. Principal of the Notes shall be payable in five equal annual installments on November 15 in each of the years 1983 through 1987. Interest on the Notes shall be payable as provided in Section 5 of this Agreement.

(b) Each Note shall be executed in the name of the City by the Mayor of the City and by the City Comptroller by their manual or facsimile signatures, shall be attested by the manual or facsimile signature of the (Deputy) City Clerk and shall be sealed with the corporate seal of the City.

(c) Each Note shall be a direct and general obligation of the City to the payment of which (as to both principal and interest) the City pledges its full faith and credit. The Notes shall be payable (both as to principal and interest to the date of payment) (i) from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose; and (ii) from the proceeds of ad valorem taxes levied by the City without limitation as to rate or amount against all taxable property situated within the City sufficient to pay when due the principal of and interest on the Notes. Such taxes shall be levied so as to be collectible beginning with the first installment of real property taxes in 1983.

(d) Upon payment in full of principal of and interest on any Note, the Note shall be cancelled and surrendered to the City. Payments of principal installments and prepayments of principal of each Note shall be noted on the back of the Note by the holder thereof.

5. *Interest.*

(a) The Notes shall bear interest from the date thereof until paid. Except as provided in paragraph (b) of this Section 5, the interest rate on all the Notes shall be equal during each calendar month that the Notes are outstanding and unpaid to 65% of the Agent's Prime Rate in effect on the first day of such month; provided, however, that during the first calendar month that the Notes are outstanding such rate shall be equal to 65% of the Agent's Prime Rate in effect on the date of issuance of the Notes. The Agent shall notify the City within the first three business days of any calendar month of any change in the Agent's Prime Rate from the applicable rate during the preceding month. The failure of the Agent timely so to notify the City of any change in the Agent's Prime Rate shall not affect the obligation of the City to pay interest at such changed rate as long as such notice is given prior to payment of such interest. The "Agent's Prime Rate" shall mean the rate per annum then most recently announced by the Agent as its Prime Rate for 90-day unsecured commercial loans in Chicago, Illinois.

(b) Notwithstanding the provisions of paragraph (a) of this Section 5, the interest to be paid on any Note shall be at a rate equal during each month that such Note is outstanding and unpaid to the Agent's Prime Rate in effect on the first day of such month or, in the case of the first month during which such Note is outstanding, to the Agent's Prime Rate in effect on the date of issuance of such Note (the "Taxable Rate") for any period during which interest on such Note is required to be included in the gross income of any Bank for Federal income tax purposes. No Bank shall include interest on any Note in its gross income for Federal income tax purposes, or enter into any settlement agreement with the United States Internal Revenue Service whereby interest on any Note will be so includable, in whole or in part, without first having given notice to the City of the reasons for so including or agreeing to include interest in the gross income of such Bank and permitting the City, at its option and at its own expense, to challenge on behalf of or, at the option of such Bank, in conjunction with such Bank, any determination or decision of the Internal Revenue Service requiring interest so to be included in gross income for Federal income tax purposes. Promptly after such interest has been required to be included in the gross income of any Bank for Federal income tax purposes, or upon such Bank entering into a settlement agreement providing for such inclusion of such interest, the City shall pay to the Bank, the difference between (i) the interest, if any, which has been paid on any Note held by such Bank in respect of the period during which such interest is required to be included in the gross income of the Bank for Federal income tax purposes and (ii) interest on such Note in respect of such period at the Taxable Rate.

(c) Except in connection with any prepayment or acceleration in accordance with this Agreement, or in connection with additional payments as provided in paragraph (b) of this Section 5, interest on the Notes shall be payable semiannually on May 15 and November 15 of each year until the Notes have been paid, beginning on May 15, 1983. Interest on the Notes shall be computed for actual days elapsed on the basis of a year of 365 or 366 days, as appropriate, in respect of the principal amount of the Notes outstanding and unpaid.

6. *City's Right To Prepay Notes.*

The City may, at its option, at any time or from time to time, upon one (1) day's notice to the Banks, without premium or penalty and from any funds available to it, prepay the Notes, in whole, or in part in any integral multiple of $100,000. Any such prepayment shall be accompanied by payment of the unpaid accrued interest on the principal amount so prepaid to the date of such prepayment. Any partial payment of the Notes shall be evidenced by notation on the back thereof by the holder of such Note to indicate the date of such prepayment and the amount thereof.

7. *Application of Payments.*

(a) Any prepayment of less than the total outstanding aggregate principal amount of and accrued interest on all Notes shall be applied pro rata to all of the Notes.

(b) All payments and prepayments of principal of and interest on the Notes shall be paid to the Agent for the account pro rata of the Banks entitled thereto in accordance with the provisions of this Agreement. The Agent shall immediately distribute to each Bank all payments of principal or interest received by the Agent for the account of such Bank. All amounts received by each Bank (whether as a result of payment transmitted by the City or otherwise) on account of payment of interest on or principal of the Notes shall be so applied by it to its Notes.

(c) If any of the Banks shall obtain any payment or prepayment (whether voluntary or involuntary) in respect of principal of or interest on any Note in excess of its pro rata share of payments then obtained by all Banks in respect of principal and interest on all Notes, then such Bank shall purchase from the other Banks such interest (at face value) in the Notes as shall be necessary to cause such purchasing Bank to share the excess payment received ratably with such other Banks; provided, however, that if all or any portion of the excess payment is thereafter recovered from such purchasing Bank, the purchase shall be rescinded and the purchase price restored to the extent of such recovery but without interest.

8. *Covenants.* The City hereby covenants and agrees with the Banks that during the term of this Agreement:

(a) The City shall duly and punctually pay the principal of and interest on the Notes out of the sources of payment specified in Section 4(c) hereof at the dates set forth in this Agreement and the Notes and in accordance with the terms and conditions of the Escrow Agreement provided for in Section 8(i) hereof. All amounts payable by the City to the Banks under this Agreement or the Notes shall be paid to the Agent at 231 South LaSalle Street, Chicago, Illinois 60693.

(b) The City hereby pledges its full faith and credit to the payment of the principal of and interest on the Notes and of any other amounts payable by the City to the Banks under this Agreement. The City hereby covenants and agrees that the City shall levy and provide for the collection of taxes which it is now authorized and empowered to impose, or which it may additionally hereafter be authorized and empowered to impose, including, without limitation, ad valorem taxes against all taxable property situated within the City, without limitation as to rate or amount, sufficient to pay when due the principal of and accrued interest on the Notes. In the event that Notes are issued under this Agreement, a tax levy ordinance shall be adopted by the Council not later than December 31, 1982. If the Notes are thereafter paid in whole or in part from any other funds or revenues of the City, the taxes so levied shall be abated in accordance with Section 17 of the Ordinance.

(c) The City shall appropriate by ordinance as provided by law sums sufficient to pay the Notes in full, both as to principal and interest, when due. To the extent that the City should fail to include in any appropriation ordinance (including supplements thereto) for any year an amount sufficient to pay the principal of and interest on the Notes due during such year, the Ordinance shall constitute a continuing appropriation of such amounts for such purposes, as provided in the Ordinance.

(d) The levy of taxes for the Notes shall be for the sole benefit of the holders of the Notes and the holders of the Notes shall have a claim against such levy and a first and prior lien upon all proceeds of such levy to the extent of the indebtedness outstanding under this Agreement and the Notes but only after such proceeds are deposited into the Note Escrow Account.

(e) As soon as practicable following the end of each fiscal year of the City, the City shall furnish the Banks with a comprehensive audit of the City's finances and funds by one of the eight largest national firms of independent certified public accountants selected by the City and acceptable to the Banks, together with any management letter prepared by such accountants in conjunction with such audit and addressed to the City. Upon any proposed change in accounting firms, the Chairman of the Committee on Finance of the Council shall provide to the Banks a statement as to whether the Committee on Finance has recommended or approved or disapproved of such change and stating the reasons for such recommendation, approval or disapproval. Each year-end financial statement shall be furnished to the Banks within 240 days after the last day of the City's fiscal year.

(f) The City shall prepare and furnish to the Banks the available unaudited quarterly financial reports prepared by the City for each quarterly fiscal period of each fiscal year of the City. Each quarterly report shall include a statement of revenues and expenditures for the Corporate Fund and any other fund for which such information is available, a comparison of such revenues and expenditures to such amounts as allocated to that quarter by the City based on the Annual Budget for such fiscal year, and an explanation of any unfavorable variances in excess of ten percent (10%) of the amount as allocated. Each quarterly report shall also include a quarterly cash flow statement including projected cash flow for the remainder of the unexpired budget period, a comparison of actual and projected cash flow to the projections for the fiscal year 1981 heretofore provided to the Banks, and any other information reasonably requested by the Banks. Each quarterly financial report shall be furnished to the Banks within 90 days after the last day of the quarterly fiscal period to which such report relates.

(g) It is the intention of the City and the Banks that the interest on the Notes be excluded from the gross income of the Banks for Federal income tax purposes by reason of the provisions of Section 103 of the Internal Revenue Code of 1954, as amended (the "Code"), or any substantially similar successor provision hereinafter enacted. To that end, the City covenants that it will not take any action, or omit to take any action which is lawful and within its power to take, and which, if taken or omitted, would cause interest on the Notes to become includable in the gross income of the holders thereof for Federal income tax purposes. Without limiting the foregoing, the City covenants that no funds of the City will be invested or used in such manner that would cause the Notes to be "arbitrage bonds" within the meaning of Section 103(c) of the Code and the applicable regulations promulgated thereunder, as they may be in force and applicable at the time of such investment or use.

(h) Prior to the collection of any taxes levied for payment of the Notes as provided in Section 8(b) hereof, the City shall establish a special escrow account, separate and segregated from all other funds and accounts of the City, with Continental Illinois National Bank and Trust Company of Chicago, as escrow agent (the "Escrow Agent"), to be designated "Special Escrow for City of Chicago General Obligation Term Notes (North Loop Development Project)" (the "Term Loan Escrow Account") pursuant to an ordinance of the Council and an Escrow Agreement between the City and the Escrow Agent (the "Escrow Agreement") substantially similar to the escrow agreement attached as Exhibit A to the General Obligation Term Loan Agreement dated as of April 1, 1980 between the City, the Agent and certain banks. All proceeds of taxes levied for payment of the Notes shall be deposited in the Term Loan Escrow Account in accordance with the Escrow Agreement and shall be faithfully applied to the payment of principal of and interest on the Notes. In the event that sufficient moneys are not deposited in the Term Loan Escrow Account to meet in a timely manner the required principal and interest payments on the Notes, then other moneys of the City shall be so deposited therein, at or before the time such principal and interest is due so as to provide for timely payment thereof. Moneys so deposited shall be used solely and only for the purpose of paying the principal of and the interest on the Notes and shall not be used for any other purpose so long as the Notes remain outstanding. Pending the need for the use of the moneys so deposited, the Escrow Agent shall invest the moneys so deposited in accordance with the provisions of the Escrow Agreement. To the extent that moneys for the payment of the Notes are deposited in such escrow account from other funds or revenues of the City available for that purpose, the taxes so levied may be abated in accordance with Section 17 of the Ordinance.

(i) The City agrees to make available to the public upon request at the office of the City Clerk any financial report furnished to the Banks pursuant to Sections 8(e) and (f) of this Agreement at the same time any such financial report is furnished to the Banks. It is further understood and agreed that the Banks have the right, within their own discretion, to disclose any such financial reports to third parties, to the extent permitted by applicable law, and the Banks will notify the City of any such disclosure.

(j) In consideration of the commitment of the Banks to make loans to the City hereunder, the City hereby agrees to pay to the Banks, ratably according to their respective Commitments as set forth on the signature pages hereof, a fee (herein called the "Commitment Fee") for the period commencing on the date of execution hereof and ending on the earlier of October 1, 1982 or the date of termination of the commitment of the Banks hereunder prior to October 1, 1982, of ½ of 1% per annum on the daily average aggregate amount of the unused Commitments. The Commitment Fee in respect of each calendar quarter (or portion thereof) shall be payable following the end of such calendar quarter on the 15th day after receipt by the City of a statement from the Agent of the amount of the Commitment Fee for such calendar quarter, for any period then ending for which the Commitment Fee shall not have been theretofore paid.

(k) The City covenants that so long as either BAN's or Notes are outstanding and unpaid the City will not issue or incur any general obligation indebtedness for the purpose of financing the City's North Loop Development Project except for the purpose of paying or prepaying the BAN's or the Notes or any portion thereof.

9. *Events of Default.*

(a) If one or more of the following "events of default" occur:

(i) Default in the payment of principal of, or interest on, any Note when due;

(ii) Default by the City in the payment of any other general obligation indebtedness for borrowed money (including, without limitation, installments of interest on the BAN's and lease rental payments to the Public Building Commission of Chicago) or any water or sewer revenue notes (which water or sewer revenue notes are held at such time by any of the Banks) when the same becomes due and payable or the failure by the City to observe or perform any term, covenant or agreement contained in any agreement, instrument, ordinance or resolution by which it is bound evidencing or securing general obligation indebtedness for borrowed money for such period of time as would cause acceleration of the maturity thereof or would permit (assuming the giving of appropriate notice if required) the holder or holders thereof to accelerate the maturity thereof;

(iii) Any representation made by the City herein or in any schedule, statement, exhibit, report, certificate, notice or writing furnished by the City to the Banks in connection herewith of which the Banks have given notice to the City shall be untrue in any material respect on the date as of which the facts set forth are stated or certified and, with respect only to financial reports delivered pursuant to Sections 8(e) and (f) hereof, which is not made good within 30 days after notice thereof from the Agent or any of the Banks;

(iv) Legislation shall be enacted or a referendum of the electors of the City shall be passed or a decision by a court of competent jurisdiction shall become final and not subject to further review which prevents the City from complying with the Ordinance, this Agreement, the Notes, the BAN's or the Bonds or limits or modifies the powers of the City in any way which materially and adversely affects the ability of the City to perform its obligations under any of the foregoing instruments or to pay any of its general obligation indebtedness as the same become due or the Ordinance shall be modified or amended except as permitted by this Agreement;

(v) Default in the performance of any of the City's agreements set forth herein or in the Ordinance (and not constituting an event of default under any of the preceding subsections of this Section 9(a)) and continuance of such default for 30 days after notice thereof to the City from the Agent or from any Bank; or

(vi) A decree or order by a court having jurisdiction shall be entered adjudging the City a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization or rearrangement of the City under the Federal bankruptcy laws or any similar applicable Federal or Illinois law, and such decree or order shall continue undischarged or unstayed for a period of 30 days; or a decree or order of a court having jurisdiction in the premises for the appointment of a receiver, liquidator, trustee or assignee in bankruptcy or insolvency of the City or all or any material portion of its property, or for the windingup or liquidation of the City or all or any material portion of its property, shall be entered, and such decree or order shall continue undischarged and unstayed for a period of 30 days; or

(vii) The City shall institute proceedings to be adjudicated a voluntary bankrupt, or shall consent to the filing of a bankruptcy proceeding against it, or shall file a petition or answer or consent seeking reorganization or arrangement under the Federal bankruptcy laws or any similar applicable Federal or Illinois law, or shall consent to the filing of any such petition, or shall consent to the appointment of a receiver, liquidator, trustee or assignee in bankruptcy or insolvency of the City or of all or any material portion of its property, or shall make an assignment generally for the benefit of creditors, or shall admit in writing its insolvency or inability to pay its debts generally as they become due, or any action shall be taken by the City in furtherance of any of these purposes;

then (i) if Notes have been issued pursuant to this Agreement, the Agent may, and upon the request of any Bank or Banks holding not less than 51% of the aggregate principal amount of the Notes (which may include the Agent) shall, declare the principal of and accrued interest on the Notes to be immediately due and payable, and the Notes shall thereupon be and become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which are expressly waived, and without relieving the City of any of its obligations under the Ordinance or this Agreement; provided, however, that in the case of any occurrence of any event of default described in the foregoing clauses (vi) or (vii), the Notes shall become due and payable forthwith without the requirements of any such declaration or request, and without presentment, demand, protest or other notice of any kind, all of which are expressly waived; and (ii) prior to the issuance of any Notes under this Agreement, the Agent may, and upon the request of any Bank or Banks having not less than 51% of the aggregate Commitments (which may include the Agent) shall, terminate this Agreement and the commitment of the Banks to make loans hereunder by giving written notice of such termination to the City.

(b) If any event of default or event which might mature into an event of default has occurred and is continuing, the Agent may take whatever action at law or in equity which may appear necessary or desirable to collect the principal of and interest on the Notes then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement of covenant of the City under the Ordinance, this Agreement or the Notes, whether for specific performance of any covenant or agreement contained in the Ordinance, this Agreement or the Notes or in aid of the execution of any power granted in this Agreement or the Ordinance.

(c) No remedy in this Agreement conferred upon or reserved to the Agent or the Banks is intended to be exclusive of any other available remedy or remedies. Each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement, as now or subsequently existing at law or in equity or by statute. No delay or omission to exercise any right or power occurring upon any event of default shall be construed to be a waiver of such right or power, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agent or the Banks to exercise any remedy reserved in this Agreement, it shall not be necessary to give any notice other than notice required by this Agreement.

(d) In the event of any default in payment of principal of or interest on the Notes when due, any indebtedness from the Agent or from any Bank to the City may be set off and applied to the payment of the defaulted principal of or interest on the Notes. This paragraph shall not apply to any funds held by the Agent or any Bank, in its capacity as trustee, escrowee or paying agent, in any segregated escrowed or trusteed account or to any taxes, assessments or charge made by the City against such Bank in its governmental capacity as to which funds there shall be no such setoff or application.

(e) Any request by the City for a waiver or consent with respect to a default (other than a default described in Section 9 (a)(i), (ii), (vi) or (vii) hereof), shall be acted on by the Banks within 60 days after receipt of written request therefor, and if not acted on within such time shall be deemed to have been granted. Any such request shall contain full and complete disclosure of all material facts, and any waiver granted shall be effective only to the extent of such disclosure.

10. *The Agent.*

(a) Each Bank authorizes the Agent to act on behalf of such Bank to the extent provided in this Agreement and to take such other action as may be reasonably incidental to such action.

(b) The Agent shall not be required to do any act under this Agreement, or take any action towards the execution or enforcement of the agency created by this Agreement or to prosecute or to defend any suit in respect of this Agreement or any security unless indemnified by the Banks to the satisfaction of the Agent against loss, cost, liability and expense. If any indemnity furnished to the Agent for any performance should become impaired, the Agent may call for additional indemnity and may cease to do the acts indemnified against until such additional indemnity is given.

(c) Each Bank agrees to reimburse the Agent, to the extent not reimbursed by the City, for such Bank's pro rata share (based upon its percentage of the aggregate commitment set forth on the signature pages of this Agreement) of all reasonable out-of-pocket expenses (including reasonable attorney's fees and legal expenses) incurred by the Agent under or in connection with this Agreement or in enforcing the obligation of the City under this Agreement, the Ordinance or the Notes, or in enforcing any security for this Agreement or the Notes.

(d) The Agent shall promptly distribute to each of the Banks such Bank's pro rata share of all payments actually received by the Agent with respect to the Notes and the Commitment Fee payable to the Banks pursuant to Section 8(m) of this Agreement. The Agent shall conclusively deem each of the Banks to have continuing interests in its Notes until such time as the Agent shall have received written notice from such Bank that its interest in its Notes has been assigned as provided in Section 11(b) of this Agreement to a proper assignee, which notice shall set forth the name and address of such assignee.

(e) Neither the Agent, nor any of its directors, officers, employees or agents, shall be liable as such for any action taken or omitted by it or them, except for its own or their own gross negligence or willful misconduct, nor responsible for any recitals or warranties in this Agreement, nor for the execution or validity of this Agreement or the Notes, nor for the validity, effectiveness or enforcement of any security, nor to make any inquiry concerning the performance by the City of its obligations. The Agent shall be entitled to rely upon advise of counsel concerning legal matters and upon any certificate, schedule, statement, reports, notice or writing which it believes to be genuine or to have been presented by a proper person.

(f) The Agent may resign as such at any time upon at least 30 days' prior written notice to the City and the Banks, such resignation to take effect upon the appointment of and acceptance by a successor agent in accordance with the next sentence of this Section. In the event the Agent gives notice of its resignation, Banks holding in the aggregate interests in more than 50% of the unpaid principal amount of the Notes shall, as promptly as practicable, appoint a successor agent.

(g) Each Bank acknowledges that it has, independent of the Agent and any other Bank and based on such financial statements, documents, information and investigations as has been furnished by the City, made its own credit decision to make the loan to the City under this Agreement. Each Bank also acknowledges that it will, independently of the Agent and any other Bank and based on such documents, information and investigations as it shall deem appropriate, continue to make its own credit decisions in exercising or not exercising from time to time any rights and privileges available to it under this Agreement and any instrument executed pursuant to this Agreement.

(h) Each assignee of an interest of a Bank in a Note pursuant to Section 11(b) of this Agreement shall have with respect to such interest all of the rights, privileges, authorities, duties and obligations of its assignor from and after the time that notice in writing of such assignment shall have actually been received by the Agent.

11. *General.*

Such payments and deposits shall continue, but only until an amount has been so deposited which, together with all moneys on deposit in the Escrow Account, is sufficient to make all payments of principal of and interest on the Notes as the same become due, and thereafter no further deposits shall be required.

2.03. *Capitalized Interest.* Simultaneously with the delivery of the Notes, the Treasurer shall withdraw from the proceeds of the Notes and pay to the Escrow Agent for deposit in the Escrow Account an amount which, together with any accrued interest received, will be sufficient to pay the interest due on the Notes on October 1, 1981 and April 1, 1982. 3.01. *Amounts Held in Escrow Account.* Moneys deposited in the Escrow Account shall be used solely and only for the purpose of paying principal of and interest on the Notes and shall not be used for any other purpose (other than making investments permitted by Section 3.03 hereof) so long as any Notes remain outstanding. After all payments due and to become due to holders of the Notes have been made or provided for, any amount remaining on deposit in the Escrow Account shall be paid to the City.

3.02. *Payment of the Notes.* On each interest payment date, the Escrow Agent shall withdraw from the Escrow Account and transfer to the Paying Agents moneys sufficient to pay principal of and interest on the Notes due on such date. 3.03. *Investment of Moneys in Escrow Account.* Pending the need for moneys deposited in the Escrow Account to be used for payment of principal of and interest on the Notes, said moneys may be invested by the Escrow Agent in Permitted Investments in accordance with the written directions of the Comptroller, with written affirmation of the Treasurer. 3.04. *Reports.* The Escrow Agent shall submit to the Treasurer and the Comptroller a monthly statement commencing May 1, 1981, itemizing all moneys received by it and all transfers and payments made by it under the provisions of this Agreement during the preceding month, and also listing the Permitted Investments on deposit therewith on the date of said report, including all moneys held by it received as interest on or profit from the Permitted Investments.

The Comptroller shall advise the Escrow Agent at least ten (10) days prior to each interest payment date of the amount of principal and/or interest becoming due on the Notes on such date. If it shall then appear to the Escrow Agent that the total moneys in the Escrow Account, including deposits therein, investments and earnings on investments, will not be sufficient to make all payments due to the holders of the Notes on such date, the Escrow Agent shall notify the City not less than five (5) days prior to such date and the City shall make Additional Deposits pursuant to Section 2.02 hereof. The term "Pledged Taxes" in respect of any calendar year shall mean the taxes hereinabove levied for collection in such year for the purpose of providing the funds required to pay (i) interest on the Bonds becoming due on July 1 of such year and (ii) principal of and interest on the Bonds becoming due on January 1 of the following year, less any abatement thereof pursuant to Section 11 hereof.

Section 7. The City shall appropriate amounts sufficient to pay principal of and interest on the Bonds for the years such amounts are due, but, if for any such year it fails to do so, this Ordinance shall constitute a continuing appropriation ordinance of such amounts without any further action on the part of the City Council.

Section 8. The Bonds shall be secured by a special account, separate and segregated from all other funds and accounts of the City, heretofore established and designated "Master Escrow for Payment of City of Chicago General Obligation Bonds" (the "Escrow Account"), said Escrow Account being maintained with Continental Illinois National Bank and Trust Company of Chicago, Chicago, Illinois, as escrow agent (the "Escrow Agent"), pursuant to an agreement, dated as of April 1, 1981, entitled "Master Escrow Agreement (General Obligation Bonds)" (the "Escrow Agreement") between the City and the Escrow Agent. The Bonds shall constitute "Additional Bonds" as defined in the Escrow Agreement.

Section 9. The City Treasurer is hereby ordered and directed to deposit proceeds of the Pledged Taxes and other moneys into the Escrow Account in accordance with the terms of the Escrow Agreement. Moneys so deposited in the Escrow Account shall be invested in accordance with the Escrow Agreement and shall be used solely and only for the purpose of paying principal of and interest on the Bonds and Additional Bonds (as defined in the Escrow Agreement) so long as any Bonds or Additional Bonds remain outstanding. The City hereby pledges, as equal and ratable security for the Bonds and Additional Bonds, all present and future proceeds of the Pledged Taxes for the sole benefit of the holders of the Bonds and Additional Bonds and said holders shall have an equal and ratable first and prior lien upon all present and future proceeds of such levy but only after such proceeds are deposited in the Escrow Account and only until the principal of and interest on the Bonds and Additional Bonds are paid in full or until such proceeds are withdrawn or removed from the Escrow Account pursuant to the Escrow Agreement. On each interest payment date, moneys in the Escrow Account shall be transferred in accordance with the Escrow Agreement.

In the event that proceeds of the Pledged Taxes are not available in time to make any payments of principal of or interest on the Bonds when due, then the fiscal officers of the City are hereby directed to make such payments in accordance with the Escrow Agreement from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in advancement of the collection of the Pledged Taxes and when the proceeds of the Pledged Taxes are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Bonds as the same become due.

Section 10. A copy of this Ordinance, duly certified by the City Clerk, shall be filed in the respective offices of the County Clerks of Cook and DuPage Counties, Illinois (the "County Clerks"), and such filing shall constitute the authority for and it shall be the duty of said County Clerks, in each year beginning in 1983 to and including 2002, to extend the taxes levied pursuant to Section 6 hereof for collection, such taxes to be in addition to and in excess of all other taxes heretofore or hereafter authorized to be levied by the City on its behalf.

Section 11. The City Comptroller is hereby authorized to sell the Bonds, with the concurrence of the Chairman of the Committee on Finance of the City Council, either pursuant to advertised notice and the receipt of sealed bids, such sale to be on the basis of not less than ninety- .... percent (9....%) of par and the lowest interest cost to the City, or pursuant to a negotiated sale at a price of not less than ninety- .... percent (9....%) of par and on such terms as he may deem to be in the best interests of the City; provided that, in either case, the interest rate for the Bonds of each maturity shall not exceed the rate or rates specified therefor in Section 2 hereof. Subsequent to such sale, the City Comptroller shall file in the office of the City Clerk a notification of sale directed to the City Council setting forth the name of the purchaser or purchasers of the Bonds, the terms of the sale, and the interest rate or rates on the Bonds, and thereafter the Bonds shall be duly prepared and executed in the form and manner provided herein and delivered to the City Treasurer for delivery to the purchaser or purchasers in accordance with the terms of sale.

In the event that the Bonds of any maturity are sold bearing an interest rate less than the rate specified therefor in Section 2 hereof, then the City Comptroller shall include in the notification of sale referred to above further information to indicate the amount of reduction in interest cost to the City resulting from such sale at a lower rate of interest, and, in addition, the City Comptroller shall file in the respective offices of the County Clerks certificates of tax abatement. Such certificates shall refer to the amount of taxes levied pursuant to Section 6 hereof, shall indicate the amount of reduction in interest cost to the City resulting from the sale of the Bonds at a lesser rate or rates of interest than the rate or rates specified therefor in Section 2 hereof, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which are to be extended for collection by said County Clerks.

The proceeds from the sale of the Bonds (after payment of the costs of issuance) shall be used to pay or provide for payment of when due the principal of and interest on all of the then outstanding BAN's. Pending such use the Bond proceeds shall be applied as follows: (i) an amount which, together with any accrued interest received, will be sufficient to pay the interest becoming due on the Bonds on January 1, 1983 shall be deposited in the Escrow Account under the terms of the Escrow Agreement, and (ii) the remaining proceeds shall be deposited into the "Special Escrow for Payment of City of Chicago General Obligation Bond Anticipation Notes, Series of April, 1981" and held pursuant to the terms of the Escrow Agreement (General Obligation Bond Anticipation Notes, Series of April, 1981) dated as of April 1, 1981 between the City and the Escrow Agent named therein. In the event proceeds from the sale of the BAN'S have not been fully expended prior to payment in full of the BAN'S, such proceeds shall remain in the special account described in Section 9 of the ordinance authorizing the issuance of the BAN'S and the disbursement of such proceeds shall remain subject to the provisions of said Section 9.

Section 12. The City covenants that it will take no action in the investment of the proceeds of the Bonds which would result in making the interest payable on any of the Bonds subject to federal income taxes by reason of the Bonds being classified as "arbitrage bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended.

Section 13. This Ordinance is made pursuant to the powers of the City as a home rule unit under Article VII of the 1970 Illinois Constitution. The appropriate officers of the City are hereby authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consummate the transactions contemplated by this Ordinance, the Bonds and the Escrow Agreement.

Section 14. The Mayor and the City Comptroller may each designate another to act as their respective proxies and to affix their respective signatures to the Bonds, the Escrow Agreement, and any other instrument, certificate or document required to be signed by the Mayor or the City Comptroller pursuant to this Ordinance or the Escrow Agreement. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxies for the Mayor and the City Comptroller, respectively. A written signature of the Mayor or of the City Comptroller, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signatures attached, shall be recorded in the Journal of the Proceedings of the City Council and then filed with the City Clerk. When the signature of the Mayor is placed on an instrument, certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the signature of the City Comptroller is so affixed to an instrument, certificate or document at the direction of the City Comptroller, the same, in all respects, shall be binding on the City as if signed by the City Comptroller in person.

Section 15. To the extent that any statutes, ordinances, resolutions, rules or orders, or parts thereof, are in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any provision of this Ordinance shall be prohibited by or invalid under Illinois or Federal law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Ordinance. This Ordinance shall be published by the City Clerk by causing to be printed in pamphlet form at least 100 copies hereof, which copies are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this Ordinance, and this Ordinance shall be in full force and effect from and after its passage, approval by the Mayor and publication as provided by law.

The term "Pledged Taxes" in respect of any calendar year shall mean the taxes hereinabove levied for collection in such year for the purpose of providing the funds required to pay (i) interest on the Bonds becoming due on July 1 of such year and (ii) principal of and interest on the Bonds becoming due on January 1 of the following year, less any abatement thereof pursuant to Section 11 hereof; provided, however, that Pledged Taxes shall not include that portion of the taxes hereinabove levied for 1981 which is equal in amount to the amount of Bond proceeds advanced pursuant to Section 11 hereof from the capital project account for the purpose of paying the interest becoming due on the Bonds on January 1, 1982, which portion when collected shall be used to replenish such capital project account for such advancement.

Section 7. The City shall appropriate amounts sufficient to pay principal of and interest on the Bonds for the years such amounts are due, but, if for any such year it fails to do so, this Ordinance shall constitute a continuing appropriation ordinance of such amounts without any further action on the part of the City Council.

Section 8. There is hereby established a special account, separate and segregated from all other funds and accounts of the City, to be designated "Master Escrow for Payment of City of Chicago General Obligation Bonds" (the "Escrow Account"), said Escrow Account to be maintained with Continental Illinois National Bank and Trust Company of Chicago, Chicago, Illinois, as escrow agent (the "Escrow Agent"), pursuant to an agreement entitled "Master Escrow Agreement (General Obligation Bonds)" (the "Escrow Agreement") between the City and the Escrow Agent in substantially the form attached hereto as Exhibit A.

Section 9. The City Treasurer is hereby ordered and directed to deposit proceeds of the Pledged Taxes and other moneys into the Escrow Account in accordance with the terms of the Escrow Agreement. Moneys so deposited in the Escrow Account shall be invested in accordance with the Escrow Agreement and shall be used solely and only for the purpose of paying principal of and interest on the Bonds and Additional Bonds (as defined in the Escrow Agreement) so long as any Bonds or Additional Bonds remain outstanding. The City hereby pledges, as equal and ratable security for the Bonds and Additional Bonds, all present and future proceeds of the Pledged Taxes for the sole benefit of the holders of the Bonds and Additional Bonds. Holders of the Bonds shall have a claim against the levy therefor and an equal and ratable first and prior lien upon all present and future proceeds of such levy, upon all other moneys required hereunder to be deposited in the Escrow Account, and upon all moneys required to be deposited in the Escrow Account for the purpose of paying principal of and interest on any Additional Bonds, but only after such proceeds and moneys are deposited in the Escrow Account and only until the principal of and interest on the Bonds and Additional Bonds are paid in full or until such proceeds and moneys are withdrawn or removed from the Escrow Account pursuant to the Escrow Agreement. On each interest payment date, moneys in the Escrow Account shall be transferred in accordance with the Escrow Agreement.

In the event that proceeds of the Pledged Taxes are not available in time to make any payments of principal of or interest on the Bonds when due, then the fiscal officers of the City are hereby directed to make such payments in accordance with the Escrow Agreement from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in advancement of the collection of the Pledged Taxes and when the proceeds of the Pledged Taxes are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Bonds as the same become due.

Section 10. A copy of this Ordinance, duly certified by the City Clerk, shall be filed in the respective offices of the County Clerks of Cook and DuPage Counties, Illinois (the "County Clerks"), and such filing shall constitute the authority for and it shall be the duty of said County Clerks, in each year beginning in 1982 to and including 2001, to extend the taxes levied pursuant to Section 6 hereof for collection, such taxes to be in addition to and in excess of all other taxes heretofore or hereafter authorized to be levied by the City on its behalf.

Section 11. The City Comptroller is hereby authorized to sell the Bonds, with the concurrence of the Chairman of the Committee on Finance of the City Council, either pursuant to advertised notice and the receipt of sealed bids, such sale to be on the basis of not less than ninety-eight percent (98%) of par and the lowest interest cost to the City, or pursuant to a negotiated sale at a price of not less than ninety-eight percent (98%) of par and on such terms as he may deem to be in the best interests of the City; provided that, in either case, the interest rate for the Bonds of each maturity shall not exceed the rate specified therefor in Section 2 hereof. Subsequent to such sale, the City Comptroller shall file in the office of the City Clerk a notification of sale directed to the City Council setting forth the name of the purchaser or purchasers of the Bonds, the terms of the sale, and the interest rate or rates on the Bonds, and thereafter the Bonds shall be duly prepared and executed in the form and manner provided herein and delivered to the City Treasurer for delivery to the purchaser or purchasers in accordance with the terms of sale.

In the event that the Bonds of any maturity are sold bearing an interest rate or rates less than the rate specified therefor in Section 2 hereof, then the City Comptroller shall include in the notification of sale referred to above further information to indicate the amount of reduction in interest cost to the City resulting from such sale at a lower rate or rates of interest, and, in addition, the City Comptroller shall file in the respective offices of the County Clerks certificates of tax abatement. Such certificates shall refer to the amount of taxes levied pursuant to Section 6 hereof, shall indicate the amount of reduction in interest cost to the City resulting from the sale of the Bonds at a lesser rate or rates of interest than the rate or rates specified therefor in Section 2 hereof, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which are to be extended for collection by said County Clerks.

The proceeds from the sale of the Bonds (after payment of the costs of issuance) shall be used to pay or reimburse the City for payment of the costs of the Capital Projects. Pending such use the Bond proceeds shall be applied as follows: (i) an amount which, together with any accrued interest received, will be sufficient to pay the interest becoming due on the Bonds on January 1, 1982 shall be advanced from the capital project account hereinafter described for the purpose of paying such interest and shall be deposited in the Escrow Account under the terms of the Escrow Agreement, and (ii) the remaining proceeds shall be deposited in a capital project account established to pay the costs of the Capital Projects.

Section 12. The City covenants that it will take no action in the investment of the proceeds of the Bonds which would result in making the interest payable on any of the Bonds subject to federal income taxes by reason of the Bonds being classified as "arbitrage bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended.

Section 13. The Escrow Agreement, in substantially the form attached hereto as Exhibit A, shall be entered into and the same is hereby approved and shall be executed for and on behalf of the City by the Mayor, the City Treasurer and the City Comptroller, attested by the City Clerk or Deputy City Clerk, and shall have the corporate seal of the City affixed thereto.

Section 14. This Ordinance is made pursuant to the powers of the City as a home rule unit under Article VII of the 1970 Illinois Constitution. The appropriate officers of the City are hereby authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consummate the transactions contemplated by this Ordinance, the Bonds and the Escrow Agreement.

Section 15. The Mayor and the City Comptroller may each designate another to act as their respective proxies and to affix their respective signatures to the Bonds, the Escrow Agreement, and any other instrument, certificate or document required to be signed by the Mayor or the City Comptroller pursuant to this Ordinance or the Escrow Agreement. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxies for the Mayor and the City Comptroller, respectively. A written signature of the Mayor or of the City Comptroller, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signatures attached, shall be recorded in the Journal of the Proceedings of the City Council and then filed with the City Clerk. When the signature of the Mayor is placed on an instrument, certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the signature of the City Comptroller is so affixed to an instrument, certificate or document at the direction of the City Comptroller, the same, in all respects, shall be binding on the City as if signed by the City Comptroller in person.

Section 16. To the extent that any statutes, ordinances, resolutions, rules or orders, or parts thereof, are in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any provision of this Ordinance shall be prohibited by or invalid under Illinois or Federal law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Ordinance. This Ordinance shall be published by the City Clerk by causing to be printed in pamphlet form at least 100 copies hereof, which copies are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this Ordinance, and this Ordinance shall be in full force and effect from and after its passage, approval by the Mayor and publication as provided by law.

Exhibit A attached to this ordinance reads as follows:

2.01. *Establishment of Escrow Account.* The Escrow Account is hereby established with the Escrow Agent pursuant to the Series of April, 1981 Bond Ordinance and this Agreement, separate and segregated from all other funds and accounts of the City.

2.02. *Pledged Taxes and Additional Deposits.* Pursuant to the Bond Ordinances and for the purpose of providing the funds required to pay principal of and interest on the Bonds and Additional Bonds as the same become due, the Pledged Taxes and the Additional Deposits shall be paid to the Escrow Agent for deposit in the Escrow Account in accordance with the following procedures:

(A) *Pledged Taxes*—Prior to the receipt of the first distribution of collections of property taxes in each Year, commencing in 1982, the Comptroller shall issue to the Treasurer (with a copy to the Escrow Agent) a Segregation Order specifying the percentage of each distribution to be received during such Year which is attributable to Pledged Taxes and directing that such percentage of each such distribution be segregated and paid to the Escrow Agent. Promptly upon receipt of each such distribution of property taxes from the County Collector, the Treasurer shall so segregate and pay to the Escrow Agent for deposit in the Escrow Account an amount equal to the amount of such distribution multiplied by the percentage specified in the Segregation Order.

(B) *Additional Deposits*—In the event that sufficient moneys are not on deposit in the Escrow Account to make any required principal or interest payment on the Bonds and Additional Bonds when due, then other moneys of the City shall be paid to the Escrow Agent for deposit therein (the "Additional Deposits"), not less than one (1) business day before such principal or interest is due, in an amount sufficient to provide for the timely payment thereof.

Such segregations, payments and deposits shall continue during each Year, but only until an amount has been so deposited which, together with all moneys on deposit in the Escrow Acount, is sufficient to pay (i) interest on the Bonds and Additional Bonds becoming due on July 1 of such Year and (ii) principal of and interest on the Bonds and Additional Bonds becoming due on January 1 of the following Year, and thereafter no further deposits shall be required during such Year.

2.03. *Other Deposits.* When any Bond Ordinance provides for the deposit into the Escrow Account of proceeds of Bonds or Additional Bonds or other moneys for the purpose of paying principal of or interest on Bonds or Additional Bonds, such amounts shall be held hereunder and applied in accordance with such Bond Ordinance and the provisions hereof.

ARTICLE III. OPERATION OF THE ESCROW ACCOUNT

3.01. *Amounts Held in Escrow Account.* Moneys deposited in the Escrow Account shall be used solely and only for the purpose of paying principal of and interest on the Bonds and Additional Bonds and shall not be used for any other purpose (other than making investments permitted by Section 3.03 hereof) so long as any Bonds or Additional Bonds remain outstanding. The holders of the Bonds and Additional Bonds shall be equally and ratably secured by and shall have a first and prior lien upon all moneys deposited in the Escrow Account, including (i) all present and future proceeds of the Pledged Taxes, (ii) the Additional Deposits, and (iii) any other deposits, but only after such moneys are deposited in the Escrow Account and only until the principal of and interest on the Bonds and Additional Bonds are paid in full or until such moneys are withdrawn or removed from the Escrow Account pursuant to this Section 3.01 or Section 3.03 hereof. After all payments due and to become due to holders of the Bonds and Additional Bonds have been made or provided for, any amount remaining on deposit in the Escrow Account shall be paid to the City.

3.02. *Payment of the Bonds and Additional Bonds.* On each interest payment date, the Escrow Agent shall withdraw from the Escrow Account and transfer to the Paying Agents moneys sufficient to pay principal of and interest on the Bonds and Additional Bonds due on such date. All such transfers of money to the Paying Agents shall be in immediately available funds. The remittance by the Escrow Agent of such moneys to the Paying Agents shall fully release and discharge the Escrow Agent from any further duty or obligation with respect thereto under this Agreement. The Escrow Agent is authorized to liquidate any investments in the Escrow Account in order to make available moneys necessary to make such transfers.

3.03. *Investment of Moneys in Escrow Account.* Pending the need for the moneys deposited in the Escrow Account to be used for payment of principal of and interest on the Bonds and Additional Bonds, said moneys may be invested by the Escrow Agent in Permitted Investments in accordance with the written directions of the Comptroller, with written affirmation of the Treasurer. Investments shall be scheduled to mature within the time required to pay principal of and interest on the Bonds and Additional Bonds when due.

The Escrow Agent shall report on the status of investment of moneys in the Escrow Account on a monthly basis pursuant to Section 3.04, and distributions of net earnings on Permitted Investments shall be paid as received to the City; provided, however, that at any time when the other moneys on deposit in the Escrow Account are not sufficient to make all payments due and to become due to holders of the Bonds and Additional Bonds on July 1 of the then current Year and January 1 of the following Year, net earnings on Permitted Investments shall first be used to make such payments to the extent such other moneys are insufficient.

3.04. *Reports.* The Escrow Agent shall submit to the Treasurer and the Comptroller a monthly statement commencing May 1, 1981, itemizing all moneys received by it and all transfers and payments made by it under the provisions of this Agreement during the preceding month, and also listing the Permitted Investments on deposit therewith on the date of said report, including all moneys held by it received as interest on or profit from the Permitted Investments.

The Comptroller shall advise the Escrow Agent at least ten (10) days prior to each interest payment date of the amount of principal and/or interest becoming due on the Bonds and Additional Bonds on such date. If it shall then appear to the Escrow Agent that the total moneys in the Escrow Account, including deposits therein, investments and earnings on investments, will not be sufficient to make all payments due to the holders of the Bonds and Additional Bonds on such date, the Escrow Agent shall notify the City not less than five (5) days prior to such date and the City shall make Additional Deposits pursuant to Section 2.02 hereof. Any failure by the Escrow Agent to so notify the City shall not relieve the City of its obligation to make Additional Deposits pursuant to Section 2.02 hereof.

3.05. *Payment of Fees.* The fees of the Escrow Agent and the Paying Agents shall be paid by the City. Such fees shall be competitive with fees charged for similar services by other banking institutions in the City.

ARTICLE IV. COVENANTS

The City and the Escrow Agent covenant and agree as follows:

4.01. The Escrow Agent shall have no responsibility or liability whatsoever for (a) any of the recitals herein (except those relating to its own organization), (b) the performance of or compliance with any covenant, condition, term or provision of the Bonds, the Additional Bonds or the Bond Ordinances, and (c) any undertaking or statement of the City hereunder or under the Bonds, the Additional Bonds or the Bond Ordinances. The Escrow Agent is not a trustee for the holders of the Bonds or Additional Bonds and has no obligation in its capacity as Escrow Agent to enforce the rights of the holders of the Bonds or Additional Bonds under the Bond Ordinances or this Agreement.

4.02. The Escrow Agent has all the powers and duties herein set forth with no liability in connection with any act or omission to act hereunder, except for its own gross negligence or willful misconduct, and shall be under no obligation to institute any suit or action or other proceeding under this Agreement or to enter any appearance in any suit, action, or proceeding in which it may be a defendant or to take any steps in the enforcement of its, or any, rights and powers hereunder, nor shall it be deemed to have failed to take any such action, unless and until it shall have been indemnified to its satisfaction against any and all costs and expenses, outlays, counsel fees and other disbursements, including its own reasonable fees, and if any judgment, decree or recovery be obtained by the Escrow Agent, payment of all sums due it, as aforesaid, shall be a first charge against the amount of any such judgment, decree or recovery. The Escrow Agent shall promptly notify the City of any such suit, action or proceeding.

4.03. The Escrow Agent, in its separate capacity as a banking institution, may in good faith buy, sell or hold and deal in any of the Bonds and Additional Bonds. The Escrow Agent may also, at the direction of the Comptroller and the Treasurer as provided in Section 3.03, invest for the Escrow Account in certificates of deposit issued by itself and in other Permitted Investments purchased from itself; provided, however, that the Escrow Agent shall not have or exercise any right of set-off with respect to the Escrow Account against any obligation of the City.

4.04. All transfers and payments to be made by, and all acts and things required to be done by, the Escrow Agent under the terms and provisions of this Agreement shall be made and done by the Escrow Agent without any further direction or authority of the City except as expressly provided herein.

4.05. The Escrow Agent is authorized, in its sole discretion, to disregard any and all notices or instructions given by the City or any other person, firm or corporation, except (i) only such notices or instructions as are hereinafter specifically provided for and (ii) orders or process of any court having jurisdiction duly entered or issued. If any property subject hereto is at any time attached, garnished, or levied upon under any court order or in case the payment, assignment, transfer, conveyance or delivery of any such property shall be stayed or enjoined by any court order, or in case any order, judgment or decree shall be made or entered by any court affecting such property or any part thereof, then, the Escrow Agent shall promptly notify the City thereof and in any of such events the Escrow Agent is authorized, in its discretion, to rely upon and comply with any such order, writ, judgment or decree which it is advised by legal counsel of its own choosing is binding upon it; and if it complies with any such order, writ, judgment or decree it shall not be liable to any of the parties hereto or to any other person, firm or corporation by reason of such compliance even though such order, writ, judgment or decree may be subsequently reversed, modified, annulled, set aside or vacated.

4.06. The Escrow Agent shall not be personally liable for any act taken or omitted hereunder if taken or omitted by it in good faith and in the exercise of its own best judgment. The Escrow Agent shall also be fully protected in relying upon any written notice, demand, certificate or document which it in good faith believes to be genuine.

4.07. The Escrow Agent shall not be responsible for the sufficiency or accuracy of the form, execution, validity or genuineness of any securities now or hereafter deposited hereunder, or of any endorsement thereon, or for any lack of endorsement thereon, or for any description therein, nor shall it be responsible or liable in any respect on account of the identity, authority or rights of the persons executing or delivering or purporting to execute or deliver any such document, security or endorsement. The Escrow Agent shall not be liable for any depreciation or change in the value of such investments.

4.08. If the Escrow Agent reasonably believes it to be necessary to consult with counsel concerning any of its duties in connection with this Agreement, or in case it becomes involved in litigation on account of being Escrow Agent hereunder or on account of having received property subject hereto, then in either case, its costs, expenses, and reasonable attorneys' fees shall be paid by the City of Chicago Office of the Corporation Counsel, Department of Law, upon timely notice thereof having been given.

4.09. This Agreement shall be construed, enforced, and administered in accordance with the laws of the State of Illinois, and shall inure to, and be binding upon, the respective successors and assigns of the parties hereto.

WHEREAS, It appears that the instruments above referred to which are now before this meeting are in appropriate form and are appropriate instruments to be executed and delivered by the Issuer for the purposes intended; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. *Definitions.* All defined terms used in this Bond Ordinance shall have the meanings specified in Article I of the Loan Agreement (except as herein otherwise expressly provided, or unless the context clearly requires otherwise).

SECTION 2. *Authority to Acquire and Construct the Project.* Based upon representations made by the Borrower to the Issuer, the Issuer hereby determines that the Cost of the Project will not be less than $2,700,000; that the location of the Project within the corporate boundaries of the Issuer will promote the purposes of the Enabling Ordinance; that the financing of the acquisition and construction of the Project by the Issuer through a loan of the proceeds derived from the sale of the Series 1981 Bond to the Borrower is in the public interest and in furtherance of the purposes of the Enabling Ordinance; and that such financing is authorized by the Enabling Ordinance and this Bond Ordinance. It is hereby found and declared that the financing of the Cost of the Project, and the use of the Project by the Borrower as hereinafter provided, is necessary to accomplish the purposes of the Enabling Ordinance.

SECTION 3. *Authorization of the Series 1981 Bond, and Security for the Bonds.* For the purpose of providing funds to finance a portion of the Cost of the Project, there shall be issued, and is hereby authorized and directed to be issued, the Series 1981 Bond of the Issuer.

The principal of, Premium, if any, and Interest on the Bonds shall be secured by and shall be paid solely from the revenues and receipts derived from the Instruments (but excluding moneys derived by the Issuer from the Instruments pursuant to its Unassigned Rights), and not from any other fund or source. The Bonds shall be issued in compliance with, and under authority of, the provisions of the Enabling Ordinance and this Bond Ordinance. The Issuer hereby pledges the revenues and receipts derived by it from the instruments (but excluding amounts derived by it pursuant to its Unassigned Rights) to the payment of the principal of, Redemption Premium if any, and Interest on the Bonds.

The Bonds shall be limited obligations of the Issuer, the principal of, Premium, if any, and interest on which shall be payable solely from the sources specified in, and be secured as provided by, the Enabling Ordinance and the Instruments. The obligation of the Issuer to pay the principal of, Premium, if any, and Interest on the Bonds shall never constitute a general obligation of the Issuer, nor shall the Bonds ever constitute an indebtedness or loan of credit of the Issuer, the State or any other political subdivision thereof within the meaning of any State constitutional provision or statutory limitation, and neither the Issuer, the State nor any other political subdivision thereof shall be liable thereon; and the principal of, Premium, if any, and Interest on the Bonds shall neither constitute nor give rise to a pecuniary liability or a charge against the general credit or taxing powers of the Issuer, the State or any other political subdivision thereof. The aforementioned limitation shall be plainly stated on the face of each Bond together with a recital that each such Bond has been issued under and in compliance with the provisions of the Enabling Ordinance.

Any payments on the Bonds made to any Owner thereof, or to any duly authorized representative of said Owner, by the Borrower or the Issuer, or for the account of the Borrower or the Issuer, shall, for all purposes and in every respect, be deemed a payment of the Bonds, and such payments shall be applied in accordance with the provisions of this Bond Ordinance.

Nothing in the Instruments shall be construed so as to create an obligation or commitment by the Issuer to expend any of its funds other than (i) the proceeds derived from the sale of the Bonds, (ii) certain of the revenues and receipts to be received by the Issuer, or by any Person on the Issuer's behalf, from or pursuant to the Instruments, as provided herein, (iii) any proceeds accruing to the Issuer, or to any Person on the Issuer's behalf, from insurance on the Project, (iv) any moneys accruing to the Issuer, or to any Person on the Issuer's behalf on account of any taking or condemnation of title to (or sale by the Borrower under threat of condemnation of) the whole or any part of the Project, and (v) any moneys arising out of the investment or reinvestment of said proceeds, income, rents, revenues, receipts or other moneys.

It is hereby found, determined and declared by the Issuer that the aggregate amount payable in each year under the Loan Agreement is the amount necessary in such year to pay the principal of, Premium, if any, and Interest on the Series 1981 Bond; and that the loan repayments and other monetary obligations undertaken by the Borrower in the Loan Agreement are sufficient to satisfy the monetary obligations required by the Enabling Ordinance to be undertaken by the user of an industrial development project within the meaning of the Enabling Ordinance.

SECTION 4. *Description and Details of the Series 1981 Bond.* The Series 1981 Bond shall be issued in fully registered form in the name of the Bond Purchaser, shall be numbered R-1, and shall be in the denomination of $2,700,000. The Series 1981 Bond shall be dated the date of its issuance and delivery, and shall bear interest on the unpaid principal balance thereof from said date at a rate of interest per annum computed on each April 1 and October 1, for application to the principal balance Outstanding during the six month period following each such date, equal to 60% of the prime rate of interest per annum then announced by Continental Illinois National Bank and Trust Company of Chicago, Chicago, Illinois, for short-term loans to commercial borrowers of substantial size and high credit standing (the "Prime Rate"), payable on April 1 and October 1 of each year until the maturity thereof, commencing on October 1, 1981. The Series 1981 Bond shall mature on October 1, 1996.

The principal of the Series 1981 Bond shall be payable in fifteen (15) equal annual installments, each in the amount of $180,000 on October 1 of each year beginning October 1, 1982 and ending October 1, 1996. Upon payment or prepayment of the principal of and interest on the Series 1981 Bond, the Owner thereof shall note such payment on the Schedule of Payments attached thereto and made a part thereof.

The principal of the Series 1981 Bond, and any Redemption Premium and Interest thereon, shall be payable in lawful money of the United States of America at the office of the Owner thereof.

No Bond shall be sold, transferred or assigned except to an "Institutional Investor," as such term is hereinafter defined, and then only for the investment account of such "Institutional Investor", as hereinafter defined. The costs and charges of any transfer shall be paid by the purchaser, transferee or assignee thereof. The term "Institutional Investor" as used herein means a bank, savings and loan association, insurance company or other financial institution which has a combined capital, surplus and undivided profits of at least $25,000,000. In the event that any Bond is sold, transferred or assigned, the purchaser, transferee or assignee thereof must notify the Issuer and the Borrower of the new address for the payment thereof; absent such notification, such sale, transfer or assignment shall be ineffective as against the Issuer and the

Borrower. Each Bond shall bear on the face thereof the legend: "No sale, assignment or transfer hereof shall be effective until notice thereof shall have been given to the Issuer and the Borrower in the manner required for the giving of notice under Section 9.1 of the Loan Agreement. This Series 1981 Bond shall not be sold, transferred or assigned except to an "Institutional Investor", as such term is defined in the Bond Ordinance, and then only for the investment account of such Institutional Investor."

SECTION 5. *Prepayment of the Principal of the Series 1981 Bond.* The principal installments of the Series 1981 Bond, over and above the payments required to be paid on an annual basis, shall be subject to prepayment at any time, on the occurrence of any of the events set forth in Section 7.1 of the Loan Agreement, by the Issuer at the option of the Borrower in whole (or in the case of prepayment pursuant to any condemnation award, or sale under threat of condemnation, in whole or in part and if in inverse order of their due dates prior to the stated maturity thereof), but only after giving the notice specified in Section 6 of this Bond Ordinance, an amount equal to the sum of the following:

(1) an amount of money which will be sufficient to prepay all, or the appropriate portion, of the principal of the Series 1981 Bond to be redeemed on the next applicable redemption date, including, without limitation, all Interest to accrue to said date, the applicable Premium, if any, and the expenses incurred or to be incurred in connection with the prepayment of the indebtedness hereunder and the prepayment of the Series 1981 Bond,

(2) an amount of money equal to the fees, charges and expenses of the Issuer, the Fiscal Agent and the Owner of the Series 1981 Bond, if any, accrued and to accrue until the prepayment date, and

(3) an amount of money sufficient to discharge all other liabilities of the Borrower accrued under the Instruments.

In addition, the principal installments due on the Series 1981 Bond on or after October 1, 1984, shall be subject to prepayments by the Issuer at the option and written direction of the Borrower on or after October 1, 1983, in whole at any time, or in part on any interest payment date, and if in part then in the inverse order of their due dates, but only after giving the notice specified in Section 6 hereof, at the redemption prices (expressed as percentages of principal amount) set forth in the table below, plus accrued Interest to the redemption date:

Redemption Dates (dates inclusive)	*Redemption Prices*
October 1, 1983—September 30, 1987	101%
October 1, 1987—September 30, 1996	100%

Upon the giving of notice to the Owner of the Series 1981 Bond at the time, all or any portion of the Series 1981 Bond may, in the manner set forth above, be prepaid. Such prepayment shall be valid upon payment of the amount thereof to the Owner of the Series 1981 Bond at that time, and the Issuer shall be fully released and discharged from all liability to the extent of such payment, irrespective of whether such payment shall be endorsed upon the Series 1981 Bond by the Owner thereof at that time, and irrespective of any error or omission in such endorsement.

The Series 1981 Bond shall be subject to mandatory redemption as a whole or in part, if such partial redemption will preserve the exemption from Federal income taxation of interest on the remaining Bonds outstanding, if, for any reason other than change of law or action by a Series 1981 Bondholder, (a) it is determined in an unqualified opinion of Bond Counsel (as defined in the Loan Agreement), satisfactory to the Bondholders, that interest paid in respect of the Series 1981 Bond is includible for Federal income tax purposes in the gross income of a holder or former holder of the Series 1981 Bond (other than the Borrower or any other obligor under the Loan Agreement or a "related person" or a "substantial user" as those terms are used in Section 103(b) of the Internal Revenue Code of 1954, as amended), or (b) the Internal Revenue Service issues a statutory Notice of Deficiency ("90-day letter") or similar notice to any such holder or former holder proposing a deficiency based in whole or in part on the inclusion in gross income of interest on the Series 1981 Bond. Any such redemption shall be made after notice has been given to the affected Bondholders, within 180 days following such occurrence, at the price set forth in Section 7.3 of the Loan Agreement.

In the event any such holder or former holder shall receive a Notice of Proposed Deficiency ("30-day letter") or similar notice from the Internal Revenue Service, such holder or former holder shall (a) promptly notify the Borrower in writing of such notice; (b) upon written request of the Borrower and at the expense of the Borrower, contest such claim in good faith at the administrative level of the Internal Revenue Service; (c) upon such request, inform the Borrower of the status thereof; and (d) upon such request, submit any written briefs or arguments prepared, at the expense of the Borrower, by the Borrower or its counsel, subject to the provisions set forth in Section 7.3 of the Loan Agreement.

Notice having been given in the manner provided in Section 6 hereof, the Series 1981 Bond or the principal portions thereof so called for redemption or prepayment pursuant to this Section shall become due and payable on the dates so designated, at the price and upon presentation and surrender thereof (or upon presentation of proof of ownership thereof satisfactory to the Borrower) at the office specified in such notice. The Series 1981 Bond shall continue to bear Interest until replaced with an installment note of the Borrower or paid, as described above.

All Bonds which have been redeemed shall be cancelled by the Issuer and delivered to the Borrower.

SECTION 6. *Notice of Prepayment.* Notice of any prepayment shall be given in the name of the Issuer by the Issuer or the Borrower to the Owners of the Bonds in the manner required for the giving of notice under the Loan Agreement, as specified in Section 9.1 thereof. Each such notice shall be mailed by certified or registered mail, postage prepaid, return receipt requested at least thirty (30) days and not more than ninety (90) days prior to the date fixed for prepayment, and shall specify the series and numbers of the Bonds to be prepaid, unless the giving of such notice is waived in writing by the Owners of all of the bonds to be prepaid. Such notice shall further state that payment will be made upon presentation and surrender of the Bonds to be prepaid (or upon presentation of proof of ownership thereof satisfactory to the Borrower). Notice of any prepayment as herein provided shall be given only after written notification thereof from the Borrower to the Issuer has been given. Failure to give such notice by mailing, or any defect therein, to the Owner of any Bond designated for prepayment shall not affect the validity of the proceedings for the prepayment of any other Bond.

SECTION 7. *Mutilated, Lost, Stolen or Destroyed Bonds.* In the event any Bond is mutilated, lost, stolen or destroyed, the Issuer shall execute and deliver a replacement Bond of like date, series, maturity and denomination as that mutilated, lost, stolen or destroyed; provided that in the case of and mutilated Bond, such mutilated Bond shall first be surrendered to the Issuer, to whom proof of ownership of such mutilated Bond shall also be made; provided further that in the case of any lost, stolen or destroyed Bond, there shall be first furnished to the Issuer evidence of such loss, theft or destruction satisfactory to the Issuer, to whom proof of ownership of such lost, stolen or destroyed Bond shall also be made; provided further that in the case of any mutilated, lost, stolen or destroyed Bond, the Issuer and the Borrower shall be provided with indemnity reasonably satisfactory to the Issuer and the Borrower. In the event that any such Bond shall have matured, instead of issuing a replacement Bond the Issuer may pay the same or cause the same to be paid without surrender thereof. The Issuer may charge the Owner of such Bond with the Issuer's reasonable fees and expenses in connection therewith. All Bonds issued in replacement of any mutilated, lost, stolen or destroyed Bond pursuant to the provisions of this Section shall bear an endorsement in substantially the following form: "This Bond has been reissued to replace a mutilated, lost, stolen or destroyed bond numbered .... and dated ...., 19....."

SECTION 8. *Persons Treated as Owners.* The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute Owner thereof for all purposes, and payment of or on account of the principal of, Premium, if any, and Interest on any such Bond shall be made only to or upon the order of the Owner thereof, or his duly authorized legal representative, and neither the Issuer nor the Borrower shall be affected by any notice to the contrary. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Subject to the restrictions on transfer provided in Section 4 hereof, title to each Bond is transferable by the Owner thereof or by his attorney duly authorized in writing. Transferees shall be entitled at their request and cost to the issuance of new Bonds. Transfer of title to any Bond shall be effective only upon the giving of the notice required by Section 4 hereof.

SECTION 9. *Method of Execution of Bonds.* The Bonds shall be executed for and on behalf of the Issuer by the manual signature of its Mayor, and attested to by the manual signature of its City Clerk, with the seal of the Issuer impressed thereon.

SECTION 10. *Form of the Series 1981 Bond.* The Series 1981 Bond and the form of assignment attached thereto shall be in substantially the following form:

Reference is hereby made to the Bond Ordinance, the Loan Agreement, the Assignment, the Collateral Security Agreement and the Mortgage (all of which are hereinafter collectively referred to as the "Instruments") for a description of the Project, the nature and extent of the security for the Bonds, a statement of the terms and conditions upon which the Bonds are issued and secured, the rights of the owners hereof and thereof, and the other matters set forth therein.

This Series 1981 Bond shall not be sold, transferred or assigned except to an "Institutional Investor", as such term is defined in the Bond Ordinance, and then only for the investment account of such Institutional Investor.

Subject to the preceding paragraph, this Series 1981 Bond may be sold, transferred or assigned by the owner hereof in person, or by his attorney duly authorized in writing, but only in the manner, subject to the limitation and upon payment of the charges provided in the Bond Ordinance. Upon such sale, transfer or assignment, the purchaser, transferee or assignee hereof shall be entitled, at such purchaser's, transferee's or assignee's expense, to the issuance of a new Bond.

The Issuer may deem and treat the party in whose name this Series 1981 Bond is registered as the absolute owner hereof for the purpose of receiving payments of, or on account of, the principal hereof, premium, if any, and interest due hereon, and for all other purposes, and neither the Issuer nor the Borrower shall be affected by any notice to the contrary, except as provided in the Bond Ordinance.

October 1, 1987—September 30, 1996.....	100%

Upon the giving of notice to the owner hereof, as described in the third succeeding paragraph, all or any portion of this Series 1981 Bond may, in the manner set forth above, be prepaid. Such prepayment shall be valid upon payment of the amount thereof to the owner of this Series 1981 Bond, and the Issuer shall be fully released and discharged from all liability to the extent of such payment, irrespective of whether such payment shall be endorsed upon the Schedule of Payments appended hereto, and irrespective of any error or omission in such endorsement.

The Series 1981 Bond shall be subject to mandatory redemption as a whole or in part, if such partial redemption will preserve the exemption from Federal income taxation of interest on the remaining Bonds outstanding, if, for any reason other than change of law or action by a Series 1981 Bondholder, (a) it is determined in an unqualified opinion of Bond Counsel (as defined in the Loan Agreement), satisfactory to the Bondholders, that interest paid in respect of the Series 1981 Bond is includible for Federal income tax purposes in the gross income of a holder or former holder of the Series 1981 Bond (other than the Borrower or any other obligor under the Loan Agreement or a "related person" or a "substantial user" as those terms are used in Section 103(b) of the Internal Revenue Code of 1954, as amended), or (b) the Internal Revenue Service issues a statutory Notice of Deficiency ("90-day letter") or similar notice to any such holder or former holder proposing a deficiency based in whole or in part on the inclusion in gross income of interest on the Series 1981 Bond. Any such redemption shall be made after notice has been given to the affected Bondholders, within 180 days following such occurrence, at the price set forth in Section 7.3 of the Loan Agreement.

In the event any such holder or former holder shall receive a Notice of Proposed Deficiency ("30-day letter") or similar notice from the Internal Revenue Service, such holder or former holder shall (a) promptly notify the Borrower in writing of such notice; (b) upon written request of the Borrower and at the expense of the Borrower, contest such claim in good faith at the administrative level of the Internal Revenue Service; (c) upon such request, inform the Borrower of the status thereof; and (d) upon such request, submit any written briefs or arguments prepared, at the expense of the Borrower, by the Borrower or its counsel, subject to the provisions set forth in Section 7.3 of the Loan Agreement.

In the event any principal over and above the principal required to be paid on an annual basis is intended to be prepaid as aforesaid, notice thereof identifying the amount of principal to be prepaid shall be given in the name of the Issuer by the Borrower or the Issuer by mailing (by certified or registered mail, postage prepaid, return receipt requested) a copy of the prepayment notice at least thirty (30) days and not more than ninety (90) days prior to the date fixed for prepayment, to the owner of each Bond (or portion thereof) to be prepaid at the address furnished to the Issuer and the Borrower in writing by such owner, unless such notice is waived by the owners of all of the Bonds to be prepaid; provided, however, that failure to give such notice by mailing, or any defect therein, shall not affect the validity of any proceedings for the prepayment of principal with respect to which no such failure has occurred. The unpaid portions of the Bonds shall continue to bear interest until paid. Payment will be made upon presentation and surrender of the Bonds to be prepaid.

If the Issuer shall default in the due and punctual payment of the principal of, premium, if any, or interest on any Bond when and as the same shall become due and payable, at maturity, by acceleration or otherwise, or if an "event of default", as defined in the Loan Agreement shall occur, then, and at any time thereafter, unless and until the event of default shall have been cured or shall have been waived in the manner provided therein, the owners of a majority in aggregate principal amount of Bonds then outstanding may, upon written notice given by certified or registered mail to the Issuer, the Borrower and the owners of the remainder of the Bonds at the time outstanding under the Bond Ordinance, declare all Bonds then outstanding to be due and payable, and may proceed to enforce the rights embodied in the Bonds then outstanding, and any and all such other rights as the owners of the Bonds may have, either by suit in equity or by action at law, or both.

The obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds is a limited obligation of the Issuer payable solely from the revenues and receipts derived from the Instruments and the Project, and otherwise as provided in the Instruments. Pursuant to the provisions of the Instruments, amounts sufficient in the aggregate for the prompt payment when due of the principal of, premium, if any, and interest on the Bonds are to be paid directly to the owners of such Bonds for the account of the Issuer pursuant to the terms and provisions thereof. Any payments on the Bonds made to any owner (or representative thereof) by the Borrower or the Issuer, or for the account of the Borrower or the Issuer, shall for all purposes and in every respect be deemed a payment of the Bonds, and such funds shall be applied to the payment of the Bonds, and shall satisfy and discharge the liability of the Issuer upon the Bonds.

The Bonds shall be limited obligations of the Issuer, the principal of, premium, if any, and interest on which shall be payable solely from the sources specified in, and be secured as provided by, the Enabling Ordinance and the Instruments. The obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds shall never constitute a general obligation of the Issuer, nor shall the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds ever constitute an indebtedness or loan of credit of the Issuer, the State of Illinois or any other political subdivision thereof within the meaning of any State of Illinois constitutional provision or statutory limitation, and neither the Issuer, the State of Illinois nor any other political subdivision thereof shall be liable thereon, and the obligation of the Issuer to pay the principal of, premium, if any, and interest on the Bonds shall neither constitute nor give rise to a pecuniary liability or a charge against the general credit or taxing power of the Issuer, the State of Illinois or any other political subdivision thereof.

In certain events, on the conditions, in the manner and with the effect set forth in the Bond Ordinance, the principal of all of the Bonds issued under the Bond Ordinance, and then outstanding, may become or may be declared to be due and payable before the stated maturity thereof, together with interest accrued thereon. Modifications or alterations of the Instruments may be made only to the extent and in the circumstances permitted by the Bond Ordinance.

It Is Hereby Certified, Recited and Declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the passage and approval of the Bond Ordinance and the issuance of this Series 1981 Bond do exist, have happened and have been performed in due time, form and manner as required by law; and that the issuance of this Series 1981 Bond, together with all other obligations of the Issuer relating hereto, shall not constitute an indebtedness of the Issuer, the County of Cook, the State of Illinois or of any other political subdivision thereof within the meaning of any constitutional or statutory provision of the State of Illinois. Neither the officers of the Issuer nor any person executing the Bonds shall be personally liable on the Bonds solely by reason of the issuance thereof.

In Witness Whereof, the City of Chicago, Illinois, has caused this Series 1981 Bond to be executed in its name by the manual or facsimile signature of its Mayor, and attested by the manual signature of its City Clerk and the manual or facsimile signature of its City Comptroller, and its seal to be impressed hereon, all as of ...., 1981.

SECTION 11. *Execution and Delivery of the Bonds; Deposit of Bond Proceeds; Designation of Fiscal Agent by Issuer.* The Mayor and the City Clerk of the Issuer are hereby authorized and directed to prepare and execute, in the manner hereinbefore

specified, the Series 1981 Bond herein authorized, and to deliver the Series 1981 Bond to the Bond Purchaser upon receipt of the purchase price therefor, namely 100% of the principal amount thereof. The Mid-City National Bank of Chicago, Chicago, Illinois, is hereby designated Fiscal Agent for the Issuer for the purposes of, among other things, (i) serving as the depository of the proceeds of the Series 1981 Bond as provided herein, (ii) establishing and maintaining the Construction Fund as provided in Section 13 hereof, and (iii) performing such other obligations and responsibilities as shall be provided in the Instruments. The rights and duties of the Fiscal Agent are further specified in Section 32 of this Bond Ordinance. The proceeds of said Series 1981 Bond shall be deposited with the Fiscal Agent and applied as provided in Section 3.3 of the Loan Agreement and Section 13 hereof.

SECTION 12. *Evidence of Signatures of Bondowners; Ownership of Bonds.* Any request, consent, revocation of consent or other instrument which this Bond Ordinance may require or permit to be signed and executed by the Owners of the Bonds may be in one or more counterparts of similar tenor, and shall be signed or executed by such Owners of the Bonds in person, or by their attorneys duly appointed in writing. Proof of (i) the execution of any such instrument, or of an instrument appointing any such attorney, or (ii) the ownership by any Person of the Bonds shall be sufficient for any purpose of this Bond Ordinance (except as otherwise herein expressly provided) if made in the following manner, or in any other manner satisfactory to the Issuer, the Fiscal Agent or the Borrower, which may nevertheless require further or other proof in cases where the same is deemed desirable. The fact and the date of the execution of such instruments by any Owner of the Bonds or his attorney may be proved by a guarantee of the signature thereon by a bank or trust company, or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the individual signing such request or other instrument acknowledged to him the execution thereof and exhibited before him the Bonds to which an ownership claim has been made, or by an affidavit of a witness of such execution and presentation, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association, or a member of a partnership, on behalf of such corporation, association or partnership, such signature guarantee, certificate or affidavit shall also constitute sufficient proof of authority.

Any request or consent by the Owner of any Bond shall bind all future Owners of such Bond, and of any Bond issued in exchange therefor or in replacement thereof, with respect to anything done or suffered to be done by the Issuer, the Fiscal Agent or the Borrower in accordance therewith.

SECTION 13. *Construction Fund.* There is hereby authorized and ordered to be established in the custody of the Fiscal Agent a separate trust fund designated the "Bloomer-Fiske, Inc. Construction Fund (City of Chicago, Illinois)" (the "Construction Fund"). The Fiscal Agent shall promptly deposit the proceeds derived from the sale of the Series 1981 Bond into the Construction Fund. The Construction Fund shall be used for the purpose of providing moneys to pay the Cost of the Project, in the manner and as provided in Section 3.3 of the Loan Agreement. Any moneys not required for said purpose shall, when the Project is certified as having been completed as provided in Section 3.5 of the Loan Agreement, be applied by the Fiscal Agent in the manner provided in Section 3.3(k) of the Loan Agreement.

SECTION 14. *Investments.* As used herein, the term "Permitted Investments" shall mean those investments permitted by Section 3.8 of the Loan Agreement.

Moneys held in the Construction Fund or in any other trust fund established hereunder or pursuant hereto, upon instructions from the Authorized Borrower Representative, shall be invested by the Fiscal Agent in Permitted Investments. No investment shall be made pursuant to this Section for a period longer than the time period, determined by the Fiscal Agent, for which said moneys are not required for the purpose for which they are intended. All proceeds of, interest on and profit realized from Permitted Investments held in any trust fund shall accrue to and become a part of the appropriate trust fund, and any loss resulting from such Permitted Investments shall be charged to such trust fund and paid by the Borrower from its own funds on demand of the Fiscal Agent.

SECTION 15. *Application of the Construction Fund.* The Fiscal Agent is authorized and directed to apply the amounts on deposit in the Construction Fund to the payment or reimbursement of the Cost of the Project.

The Fiscal Agent is hereby authorized and directed to make payments and reimbursements from the Construction Fund, from time to time, as work on the Project progresses, upon a requisition submitted to the Fiscal Agent and signed by the Authorized Borrower Representative in conformance in all respects with the requirements contained in Section 3.3 of the Loan Agreement. The Fiscal Agent shall keep and maintain adequate records pertaining to the Construction Fund and all disbursements therefrom, and shall file an accounting thereof with the Issuer and the Borrower annually on the anniversary of the date of the issuance and delivery of the Series 1981 Bond until completion of the Project, such is evidenced by the certificate required by Section 16 hereof and Section 3.5 of the Loan Agreement.

SECTION 16. *Completion of the Project.* The completion of the Project, and the payment of all costs and expenses incident thereto, shall be evidenced by the filing with the Owners of the Bonds, the Issuer and the Fiscal Agent of the certificate of the Authorized Borrower Representative required by the provisions of Section 3.5 of the Loan Agreement.

SECTION 17. *Payment of Principal of, Premium, if any and Interest; Condition of the Issuer's Obligations.* The Issuer covenants that it will promptly pay, or cause to be paid, the principal of, Premium, if any, and Interest on every Bond, at the place, on the dates and in the manner provided in this Bond Ordinance and in the Bonds, according to the true intent and meaning hereof and thereof. The principal of, Premium, if any, and Interest on the Bonds are payable solely from the revenues and receipts derived from or in connection with the Instruments and the Project (but excluding those amounts derived by or for the Issuer pursuant to its Unassigned Rights), which revenues and receipts are hereby specifically pledged to the payment thereof in the manner and to the extent specified in the Instruments. The Bonds are further secured by, among other things, the Instruments and the Construction Fund. The Issuer shall not be required under the Instruments to expend any of its funds other than (i) the proceeds derived from the sale of the Bonds, (ii) the income, revenues, receipts and other moneys derived from the Instruments or the Project (but excluding revenues and receipts derived by or for the Issuer pursuant to its Unassigned Rights), (iii) any income or gains therefrom, and (iv) condemnation awards, amounts received pursuant to any sale under threat of condemnation, or insurance proceeds with respect to the Project. Each and every covenant herein made is predicated upon the condition that any obligation for the payment of money incurred by the Issuer shall not constitute an indebtedness of the Issuer or a loan of credit thereof within the meaning of any constitutional or statutory provision, but shall be payable solely from the revenues and receipts derived from or in connection with the Project, including all moneys received by the Issuer under the Loan Agreement, or by the Issuer's assignee under the Assignment, which revenues and receipts (but excluding revenues and receipts derived by or for the Issuer pursuant to its Unassigned Rights) are hereby specifically pledged to the payment thereof in the manner and to the extent in the Instruments specified; and nothing in the Bonds or this Bond Ordinance shall be considered to pledge any other funds or assets of the Issuer.

Any provision of this Bond Ordinance to the contrary notwithstanding, the Issuer shall not be obligated to take any action or execute any instrument pursuant to any provision hereof (other than its obligations to pay the principal of, Premium, if any, and Interest on the Bonds), unless (i) it shall have been requested to do so by the Owner of any such Bond in writing, and (ii) if compliance with such request can reasonably be expected to result in the incurrence by the Issuer of any fees or expenses, it shall have received from the Borrower or the Owner of the Bond assurances reasonably satisfactory to the Issuer that the Issuer will be promptly reimbursed for the full amount of such fees and expenses; provided, however, that no limitation on the obligations of the Issuer contained herein by virtue of any lack of assurances provided in clause (ii) above shall be deemed to prevent the occurrence and full force and effect of an event of default hereunder.

SECTION 18. *Particular Covenants of the Issuer.* Except as provided in Section 17 hereof, as long as any of the principal of, Premium, if any, or Interest on the Bonds herein authorized remains unpaid, or until provision shall have been made for the payment thereof, the Issuer covenants with each of the Owners of said Bonds as follows:

(a) The Issuer will comply fully with all the terms, provisions and conditions of the Instruments which require performance by, or impose duties on, the Issuer, and will not permit any default to occur on the part of the Issuer hereunder or thereunder; will fully and promptly enforce all of the terms, provisions and conditions of the Loan Agreement which require performance by, or impose duties on, the Borrower; and in the event of the occurrence of an event of default under the Loan Agreement will, subject to the terms and provisions of the Instruments, exercise, or cause the same to be exercised, all of the rights and remedies conferred upon the Issuer by the Loan Agreement for the full and complete protection of the security and rights of the Owners of the Bonds. The Issuer's obligation to pay the expenses of such enforcement shall be limited to funds made available to it for that purpose by the Owners of the Bonds, or other interested parties.

(b) The Issuer will enforce, or cause to be enforced, collection of the loan repayments and the payment of other fees, expenses and charges in the amounts and at the times set forth in the Loan Agreement, and will not reduce, or cause or permit to be reduced, the loan repayments and other fees, expenses and charges fixed, established and required by the Loan Agreement, nor change or alter the time or times when the same are due and payable under said Loan Agreement. The Issuer's obligation to pay the expenses of such enforcement shall be limited to funds made available to it for that purpose by the Owners of the Bonds, or other interested parties.

(c) Until payment of all principal of, Redemption Premiums, if any, and Interest on the Bonds has been duly made or provided for, the Issuer will not consent to any change, amendment, modification or termination of the Loan Agreement, except as otherwise provided herein or therein.

(d) Any Net Proceeds of condemnation awards or insurance coverage, any amounts received pursuant to any sale under threat of condemnation, any funds which are received by the Issuer pursuant to the termination of the Loan Agreement, or any other funds intended for the purpose of paying the principal of, Redemption Premiums, if any, and Interest on Bonds, will be used solely and exclusively to pay the principal of, Redemption Premiums, if any, and Interest on Bonds then subject to prepayment or otherwise as provided in the Loan Agreement. Upon receipt of any such funds, the Issuer shall proceed promptly to prepay principal on the Bonds over and above the principal required to be paid on an annual basis, and shall give the notice, or cause the notice to be given, thereof provided for by the terms of this Bond Ordinance.

(e) The Issuer will not issue any other obligations payable from payments to be made by the Borrower pursuant to the Loan Agreement, nor will the Issuer voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge on said payments or on the property and rights subject to the Loan Agreement, except as provided in Sections 33 and 34 hereof, nor will the Issuer, unless required by law or by the terms of the Loan Agreement of the Assignment, sell or otherwise dispose of its interest in the Loan Agreement or any part thereof.

(f) The Borrower has agreed to keep the Project, or to cause the same to be kept, insured in the manner provided for by the Loan Agreement. The Issuer's share, if any, of the Net Proceeds of any such insurance policies shall be payable to and deposited with the Bond Purchaser (as representative of all of the Owners of the Bonds). Any of the Net Proceeds of such insurance policies shall be used and applied in the manner set forth in the Loan Agreement.

(g) The Issuer shall cause the Fiscal Agent to maintain adequate records and accounts, separate and apart from all other records and accounts of the Issuer or the Fiscal Agent, in accordance with generally accepted principles of accounting, including complete details of all financial transactions relating to the Bonds and the Project. Such books and records shall be available for inspection by the agents of the Borrower or any of the owners of the Bonds during the regular business hours of the Fiscal Agent.

(h) The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Bond Ordinance, in any and every Bond executed and delivered hereunder or pursuant hereto, and in all proceedings pertaining hereto and thereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State of Illinois, including particularly and without limitation the Enabling Ordinance, to issue the Bonds authorized hereby, to lend the Borrower the proceeds of the Bonds by means of the Loan Agreement, and to pledge and assign the revenues and receipts (and rights thereto) hereby authorized to be pledged and assigned in the manner and to the extent herein, in the Loan Agreement and in the Assignment set forth; that all action on its part for the issuance of the Bonds and the adoption of this Bond Ordinance has been duly and effectively taken; and that the Bonds in the hands of the Owners thereof are and will be valid and enforceable limited obligations of the Issuer according to the import thereof.

SECTION 19. *Insurance and Condemnation Proceeds.* The Loan Agreement provides for the assignment to the Bond Purchaser (as representative of all of the Owners of the Bonds) of certain insurance proceeds and condemnation awards, amounts paid pursuant to sales under threat of condemnation, damages and compensation with respect to the Project which are payable to the Issuer. The Issuer hereby agrees to the application of such moneys in said manner.

SECTION 20. *Amendments or Modifications.* Any provision of the Bonds or the Instruments may be modified or amended in any respect with the written consent of the Owners of a majority in aggregate principal amount of Bonds then Outstanding, provided however, that nothing in this Section 20 contained shall permit or be construed as permitting (a) an extension of the stated maturity or reduction in the principal amount of, or reduction in the rate, or extension of the time of payment, of Interest on, or reduction of any Premium payable on the redemption of, any Bonds, without the consent of the Owners of such Bonds, (b) the creation of any lien (other than Permitted Encumbrances) prior to or on a parity with the lien of the Instruments, (c) a reduction in the aforesaid aggregate principal amount of Bonds the Owners of which are required to consent to any such supplemental or amendatory ordinance, without the consent of the Owners of all Bonds at the time Outstanding which would be affected by the action to be taken, (d) the modification of the rights, duties or immunities of the Fiscal Agent, without the written consent of the Fiscal Agent, or (e) a privilege or priority of any Bond over any other Bond; and provided further that any provision relating to the amounts to be paid on the Bonds (or the time of such payments) may be modified or amended only with the written consent of the Owners of all Bonds then Outstanding, and provided further that the Borrower shall have given its prior written approval to any such modification or amendment if the same would permit, or be construed to permit, any change in the obligations of the Borrower as set forth in the Instruments. Every amendment or modification of a provision of the Bonds or the Instruments to which the written consent of the Owners of all or a majority in aggregate principal amount, as appropriate, of the Bonds is given, as above provided, shall be expressed in an ordinance of the Issuer amending or supplementing the provisions of this Bond Ordinance, and shall be deemed to be a part of this Bond Ordinance. It shall not be necessary to note on any outstanding Bond any reference to such amendment or supplement. A certified copy of every such amendatory or supplemental ordinance, and a certified copy of this Bond Ordinance, will be sent by the City Clerk of the Issuer to each of the Owners of the Bonds.

The Issuer may enter into any supplemental or amendatory ordinance for any of the purposes of this Section only upon the receipt by it of the written consent of the Owners of all or a majority in aggregate principal amount, as appropriate, of the Bonds then Outstanding; such consent shall be binding upon all Owners of the Bonds and upon any subsequent Owners of the Bonds (whether or not such subsequent Owners have notice thereof).

No subsequent Owner of any Bond shall have any right to object to such supplemental or amendatory ordinance, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any supplemental or amendatory ordinance pursuant to the provisions of this Section, this Bond Ordinance shall be, and be deemed to be, modified and amended in accordance therewith; and the respective rights, duties and obligations under this Bond Ordinance of the Issuer, the Fiscal Agent, the Borrower and the Owners of the Bonds shall thereafter be determined, exercised and enforced under this Bond Ordinance, subject in all respects to such modifications and amendments. Any supplemental or amendatory ordinance authorized and entered into in accordance with the provisions of this Bond Ordinance shall thereafter form a part of this Bond Ordinance, and all of the terms and conditions contained in any such supplemental or amendatory ordinance as to any provisions authorized to be contained therein shall be, and shall be deemed to be, part of the terms and conditions of this Bond Ordinance for any and all purposes.

SECTION 21. *Enforcement.* The provisions of this Bond Ordinance shall constitute a contract between the Issuer and the Owners of the Bonds, and subject to the provisions of Section 28 hereof, the Owner of any one or more of the Bonds may sue to recover Interest, Premium or Principal which has not been paid according to the terms of said Bonds. The owners of the Bonds then Outstanding, in accordance with the provisions of Section 23 hereof and Section 10 of the Assignment, may sue in any action, either at law or in equity, to enforce or compel performance of all duties and obligations required by this Bond Ordinance to be done or performed by the Issuer or by the Borrower.

SECTION 22. *Events of Default.* Each of the events set forth in Section 6.1 of the Loan Agreement, and defined therein as an "event of default," shall constitute an "event of default" hereunder. Upon the happening and continuance of any event of default, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding may appoint a representative to act on behalf of the Owners of all of the Bonds, and such representative shall be and is hereby vested with all of the rights, powers and duties of a trustee appointed by the Owners of all of the Bonds. Upon such occurrence and giving of written notice to the Borrower, the Issuer and the other Owners of Bonds then Outstanding by the representative selected by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, or (if no such representative is selected) by the Owners of a majority in principal amount of Bonds then Outstanding, such representative or (if no such representative is selected) the Owners of a majority in aggregate principal amount of the Bonds then Outstanding may, by notice in writing delivered to the Issuer, the Borrower and the other Owners of Bonds then Outstanding, declare the principal of all Bonds then Outstanding, and the Interest accrued thereon, to be due and payable immediately without presentment, demand, protest or other notice of any kind, all of which are hereby waived; and upon any such declaration the same shall become and be immediately due and payable.

The Issuer hereby grants to the Borrower full authority for the account of the Issuer to perform any covenant or obligation, the non-performance of which is alleged in any notice received by the Borrower to constitute an event of default, in the name and place of the Issuer, with full power to do any and all things and acts to the same extent as the Issuer, and perform any such things and acts with the power of substitution.

For purposes of this Section, notice shall be deemed to have been given if given in the manner required by Section 9.1 of the Loan Agreement for the giving of notices thereunder.

SECTION 23. *Foreclosure and Enforcement of Remedies.* Upon the happening and continuance of any event of default and the giving of notice to the Borrower, the other Owners of the Bonds then Outstanding, and the Issuer (as provided in Section 22 hereof) by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding (or their representative), then and in every case the Owners of a majority in principal amount of the Bonds then Outstanding (or their representative) may proceed to protect and enforce the rights of all Owners of Bonds then Outstanding forthwith by such suits, actions or special proceedings in equity or at law, or proceedings in the office of any board or officer having jurisdiction, whether for the specific performance of any covenant or agreement contained in the Bonds or the Instruments, or in aid of the execution of any power granted herein, therein or in the Enabling Ordinance, or for the enforcement of any legal or equitable rights or remedies, including the sale of all or any part of the Project, subject to statutory requirements, if any, to the highest bidder, and all right, title and interest, claim and demand therein and thereto, and all right of redemption thereof, as the Owners of a majority in aggregate principal amount of the Bonds then Outstanding (or their representative) shall determine.

In the enforcement of any right or remedy under the Instruments or the Enabling Ordinance, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding (or their representative) shall be entitled to sue for, enforce payment on and receive any and all amounts then due and unpaid or becoming due from the Issuer to the Owners of all of the Bonds then Outstanding, for principal, Interest, Premium or otherwise under any provision of the Instruments, the Enabling Ordinance or the Bonds, with Interest on overdue payments at the rate of interest then being borne by the Series 1981 Bond and without penalty, together with any and all costs and expenses of collection and of all proceedings hereunder and thereunder, without prejudice to any other right or remedy of the Owners of all of the Bonds then Outstanding, and to recover and enforce any judgment or decree against the Issuer, but solely as provided herein and therein, for any portion of such amounts remaining unpaid, with interest, costs and expenses, and to collect (but solely from the moneys available for said purpose), in any manner provided by law, the moneys adjudged or decreed to be payable.

SECTION 24. *Application of Revenues and Receipts After Default.* All moneys received by the Owners of the Bonds pursuant to any right given or action taken under the provisions of this Bond Ordinance shall, after payment of the costs and expenses of the proceedings resulting in the collection of such money, and of the expenses, liabilities and advances incurred or made by the Owners of the Bonds, be applied to the payment of the Bonds in such manner as the Owners of all of the Bonds may determine, or in the absence of such a determination pro rata.

Whenever the principal of all the Bonds, and the Premium, if any, and Interest thereon, shall have been paid under the provisions of this Section, and all expenses and charges of the Owners of the Bonds, the Fiscal Agent and the Issuer shall have been paid, any balance remaining shall be paid to or upon the order of the Borrower.

SECTION 25. *Waivers of Events of Default Actions by the Owners of the Bonds.* The Owners of a majority in aggregate principal amount of the Bonds then Outstanding may waive any event of default hereunder upon payment of all amounts in default, and after all other defaults have been cured. All rights of action under the Instruments or the Bonds may be enforced by the Owners of the appropriate aggregate principal amount of Bonds then Outstanding without the production thereof at any trial or oher proceeding relating thereto, and any such suit or proceeding instituted by the Owners of the appropriate aggregate principal amount of Bonds then Outstanding shall be brought in their respective names without the necessity of joining as a party plaintiff or defendant the Issuer, and any recovery of judgment will be for the equal benefit of all of the Owners of the Bonds.

SECTION 26. *Bondowner Rights not Impaired.* Nothing contained in the Instruments shall affect or impair the right of any Owner of any Bond to the payment of the principal of, Redemption Premium, if any, and Interest on any Bond at and after the maturity thereof, or the obligation of the Issuer to pay the principal of, Redemption Premium, if any, and interest on each of the Bonds to the respective Owners thereof at the time, place, from the source and in the manner herein and in said Bonds expressed.

SECTION 27. *Effect of Discontinuance of Proceedings.* If any proceeding taken by the Owners of Bonds on account of any event of default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Owners of the Bonds, then and in every such case, the Borrower, the Issuer and the Owners of the Bonds shall be restored, respectively, to their former obligations and rights hereunder.

SECTION 28. *Remedies Not Exclusive; Delay or Omission.* No remedy by the terms of the Instruments conferred upon or reserved to the Owners of the Bonds is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to any other remedy given under the Instruments, or now or hereafter existing at law or in equity.

No delay or omission of the Owners of the appropriate aggregate principal amount of the Bonds then Outstanding to exercise any right or power arising upon any event of default shall impair any right or power, or shall be construed to be a waiver of any such event of default or an acquiescence therein; and every power and remedy given by the Instruments to the Owners of the Bonds may be exercised from time to time and as often as may be deemed expedient by the Owners of the appropriate aggregate principal amount of the Bonds then Outstanding.

SECTION 29. *Bondowners Control Proceedings.* Subject to the provisions of the preceding Section, anything in the Instruments to the contrary notwithstanding, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, at any time, by an instrument or instruments in writing, executed and delivered, effective upon deposit in the mail if sent by registered or certified mail, to the Issuer and the Borrower, to direct the method and place of conducting all proceedings to be taken in connection with the enforcement of the terms and conditions of the Instruments, and for the appointment of a receiver or any other proceedings hereunder or thereunder; provided that such direction shall not be otherwise than in accordance with the provisions of law and of this Bond Ordinance.

SECTION 30. *Acceleration in the Event of Default.* In the event that the principal of, Premium, if any, or Interest on the Bonds herein authorized is not paid according to the terms hereof and thereof, either on maturity, mandatory prepayment, call for redemption or the occurrence of an event of default, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, may, in accordance with the provisions of Section 10 of the Assignment, by written notice effective upon deposit in the mail if sent by certified or registered mail, given to the Borrower, the Issuer and the other Owners of Bonds then Outstanding, declare the principal of all Bonds then Outstanding to be immediately due and payable; and upon such declaration given as aforesaid, the principal of, Premium, if any, and accrued Interest on said Bonds shall be immediately due and payable. This provision, however, is subject to the condition that if at any time thereafter all arrears of Interest, except Interest accrued but not due, and of principal shall have been paid in full, then in every such case, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, by written notice effective upon deposit in the mail if sent by certified or registered mail, given to the Borrower, the Issuer and the other Owners of Bonds then Outstanding, may rescind and annul such declaration and its consequences, but no such recission of annulment shall extend to or affect any other event of default, or impair any rights consequent thereon.

SECTION 31. *Defeasance.* If the Issuer shall pay or cause to be paid, or there shall otherwise be paid, to the Owners of all of the Bonds, or their representatives, the principal of, Redemption Premium, if any, and Interest due or to become due thereon, at the times and in the manner stipulated in the Bonds and this Bond Ordinance, and if all other amounts due under the Instruments are paid in full, then the pledge and assignment of any revenues and receipts from or in connection with the Project under the Instruments, and the estate and rights hereby and thereby granted, and all covenants, agreements and other obligations of the Issuer to the Owners of the Bonds, shall thereupon cease, terminate, become void and be discharged and satisfied. In such event, the Owners of the Bonds shall cancel and discharge the lien of the Instruments, and shall execute and deliver to the Issuer and the Borrower, and record in all offices appropriate therefor, all such instruments as may be appropriate to satisfy such lien and to evidence such discharge and satisfaction; and the Fiscal Agent, the Issuer and the Owners of the Bonds shall pay over and deliver to the Borrower or its order all moneys or securities held by them or their representative pursuant to this Bond Ordinance which are not required for the payment of the principal of, Redemption Premium, if any, or Interest on the Bonds not theretofor paid or redeemed and all other amounts due under this Bond Ordinance.

All Bonds paid or redeemed in full shall be returned to the Issuer for cancellation prior to their delivery to the Borrower.

SECTION 32. *Provisions Relating to the Fiscal Agent.* The Fiscal Agent shall signify its acceptance of its duties and obligations under the Instruments by its execution of the Fiscal Agent Agreement. All provisions of this Section shall be construed as extending to and including all of the rights, duties and obligations imposed upon the Fiscal Agent under the Instruments, as fully for all intents and purposes as if this Section were contained therein.

(b) (i) The Fiscal Agent shall have no responsibility for the validity or sufficiency of the Instruments, or the security provided hereunder and thereunder, or for the due execution hereof and thereof by the Issuer and the other parties thereto, or in respect of the title to or the value of the Project, or in respect of the validity of any Bonds issued hereunder, or to see to the recording or filing of the Mortgage, any financing statement or any other document or instrument whatsoever. The recitals, statement and representations contained in this Bond Ordinance and in the Bonds shall be construed as having been made by and on behalf of the Issuer, and not by and on behalf of the Fiscal Agent, and the Fiscal Agent does not assume any responsibility for the correctness of the same.

(ii) The Fiscal Agent shall not be liable or responsible for the failure of the Issuer to perform any act required of it by the Instruments, or for the loss of any moneys arising through the insolvency or the act, default or omission of any depository other than itself in which such moneys shall have been deposited under the Instruments. The Fiscal Agent shall not be responsible for the application of any of the proceeds of the Bonds or any other moneys deposited with it and paid out, invested, withdrawn or transferred in accordance with the Instruments, or for any loss resulting from any such investment. Notwithstanding any other provision contained herein or in the other Instruments, the Issuer shall not be liable or responsible for the disposition by the Fiscal Agent of the proceeds of the Bonds, provided that the Issuer shall have properly caused the same to be deposited with the Fiscal Agent. The Fiscal Agent shall not be liable in connection with the performance of its duties under the Instruments, except for its own misconduct, negligence or bad faith. The immunities and exemptions from liability of the Fiscal Agent contained herein shall extend to its directors, officers, employees and agents.

(iii) The Fiscal Agent, prior to the occurrence of an event of default hereunder, and after the curing of all events of default which may have occurred, undertakes to perform only such duties as are specified to be performed by the Fiscal Agent as set forth in the Instruments.

(c) The Fiscal Agent shall be entitled to receive and collect from the Borrower payment or reimbursement for reasonable fees for services rendered under the Instruments, and all advances, counsel fees and other expenses reasonably and necessarily made or incurred by the Fiscal Agent in connection herewith and therewith. Before taking any action hereunder or thereunder, the Fiscal Agent may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put, and to protect it against all liability, except liability which has resulted from its own misconduct, negligence or bad faith by reason of any action taken or omitted.

(d) The Fiscal Agent shall be protected and shall incur no liability in acting or proceeding, or in not acting or not proceeding, in good faith, reasonably and in accordance with the terms of the Instruments, upon any ordinance, resolution, order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond or other paper or document which it shall in good faith believe to be genuine and to have been adopted or signed by the proper Person, or to have been prepared and furnished pursuant to any provision of the Instruments, or upon the written opinion of Independent Counsel or Bond Counsel, or an Independent Engineer, appraiser or accountant believed in good faith by the Fiscal Agent to be qualified in relation to the subject matter.

(e) The Fiscal Agent may resign and thereby become discharged of its duties under the Instruments by notice in writing given to the Issuer, the Owners of the Bonds and the Borrower, but such resignation shall only take effect upon the appointment of a successor fiscal agent pursuant to subsection (f) of this Section 32.

The Fiscal Agent may be removed at any time by an instrument or concurrent instruments in writing, filed with the Fiscal Agent, the Issuer and the Borrower, and signed by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding. The Fiscal Agent shall promptly give notice of its receipt of such filing to the Issuer, the Borrower and the other Owners of the Bonds.

(f) If at any time the Fiscal Agent shall resign, be removed, be dissolved or otherwise become incapable of acting in such capacity, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator thereof or of its property shall be appointed, or if any public officer shall take charge or control of the Fiscal Agent or of its property or affairs, or if the position of Fiscal Agent shall become vacant for any other reason, the Issuer shall, upon giving notice to the Borrower and the Owners of the Bonds, appoint a successor Fiscal Agent to fill such vacancy.

(g) Any business entity into which the Fiscal Agent may be merged or converted, or with which it may be consolidated, or any business entity resulting from any merger, conversion or consolidation to which the Fiscal Agent shall be a party, or any business entity to which the Fiscal Agent may sell or transfer all or substantially all of its assets, provided such business entity shall be a national banking association or a bank or trust company duly organized under the laws of any state of the United States of America, and authorized to conduct a banking or trust business in the State, and authorized by law to perform all the duties imposed upon the Fiscal Agent by the Instruments, shall be the successor to such Fiscal Agent without the execution or filing of any paper, or the performance of any further act, except that the Issuer shall give notice of such to the Borrower and the Owners of the Bonds.

SECTION 33. *Issuance of Additional Bonds.* As long as no event of default is occurring, the Issuer, at the written request of the Borrower, subject to the prior written approval of the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, which approval will not be unreasonably withheld, and to the extent permitted by law in effect at the time thereof, shall use its best efforts to issue Additional Bonds on a parity with the Series 1981 Bond and any Additional Bonds theretofore or thereafter issued for the purposes specified in Section 3.2 of the Loan Agreement. Before any Additional Bonds are issued, there shall be delivered to the Fiscal Agent and the Owners of the Bonds the items required as a prerequisite thereto by Section 34 hereof.

Additional Bonds shall be issued in such series and principal amounts, shall be dated, shall be numbered, shall bear interest at such rates, shall be subject to redemption at such times and prices, and shall mature in such years as the ordinance amendatory hereof and supplemental hereto authorizing the issuance thereof shall fix and determine.

SECTION 34. *Delivery of Additional Bonds.* Upon the execution and delivery in each instance of an appropriate ordinance amendatory hereof and supplemental hereto, the Issuer shall issue, execute and deliver to the purchasers thereof such Additional Bonds as hereafter in this Section 34 provided. Prior to the delivery of any Additional Bonds, there shall be filed with the Fiscal Agent and the Owners of the Bonds:

(a) A valid and effective amendment to the Loan Agreement, pursuant to Section 3.2 thereof, providing for the inclusion within the Project of any real and personal properties (or interests therein) to be acquired by purchase or construction from proceeds of the Additional Bonds, and providing for an increase in the obligations of the Borrower under Section 4.2 of the Loan Agreement.

(b) A valid and effective amendatory or supplemental ordinance providing for the issuance of such Additional Bonds, and subjecting to the lien of the Instruments, as appropriate, any and all real estate and interests therein, and any buildings, structures, facilities, machinery, equipment, fixtures and related property, and interests therein (whether real, personal or mixed), acquired by purchase or construction from the proceeds of such Additional Bonds, and pledging and assigning the additional amounts payable under the Loan Agreement to the payment of the Bonds.

(c) A duly certified copy of a valid and effective amendatory or supplemental ordinance authorizing such amendment to the Loan Agreement and the Assignment, and the issuance of such Additional Bonds.

(d) The proceeds of such Additional Bonds shall be paid over to the Fiscal Agent and deposited to the credit of the Construction Fund as provided in Section 13 hereof (or to such other trust funds as are provided and created by the amendatory or supplemental ordinance).

(e) A certificate signed by the Authorized Borrower Representative to the effect that no event of default is occurring or will result from the issuance of such Additional Bonds.

(f) An opinion of Bond Counsel to the effect that the issuance of such Additional Bonds will not affect the tax-exempt status of all Bonds then Outstanding.

SECTION 35. *Authorization and Confirmation of the Sale of the Series 1981 Bond.* The sale of the Series 1981 Bond to the Bond Purchaser at a price of 100% of the principal amount thereof, pursuant to the form, terms and provisions of this Bond Ordinance, is hereby approved and confirmed.

SECTION 36. *Form, Execution and Authorization of Financing Documents.* The Issuer, by its Mayor and its City Clerk, is authorized to enter into the Loan Agreement, the Assignment and the Fiscal Agent Agreement, which instruments are to be substantially in the form now before this meeting and hereby approved, and which instruments the Mayor and the City Clerk of the Issuer are hereby authorized and directed to execute for and on behalf of, and as the act and deed of, the Issuer. The Loan Agreement, the Assignment and the Fiscal Agent Agreement, as executed and delivered by the Mayor and the City Clerk of the Issuer, shall each be in substantially the respective forms now before this meeting and hereby approved, or with such changes therein as shall be approved by the officers of the Issuer executing the same, their execution thereof to constitute conclusive evidence of their approval and the approval of the City Council of the Issuer of any and all changes or revisions therein from the forms of said instruments now before this meeting; and from and after the execution and delivery of the above-mentioned documents, the officers, agents and employees of the Issuer are hereby authorized, empowered and directed to do all such acts and things, and to execute all such documents and instruments, as may be necessary to carry out and comply with the provisions of this Bond Ordinance and said Loan Agreement, the Assignment and Fiscal Agent Agreement as executed.

SECTION 37. *Execution of Other Instruments and Certificates.* The Mayor and the City Clerk, for and on behalf of the Issuer, are hereby authorized and directed to do any and all things necessary to effect the execution and delivery of the Instruments by the parties thereto, the performance of all obligations of the Issuer under and pursuant to the Instruments, the execution and delivery of the Bonds, and the performance of all other acts of whatever nature necessary to effect and carry out the authority conferred by this Bond Ordinance and the other Instruments. The Mayor and the City Clerk of the Issuer are hereby further authorized and directed for and on behalf of the Issuer, to execute all papers, documents, certificates and other instruments that may be required for the carrying out of the authority conferred by this Bond Ordinance and the other Instruments, or to evidence the said authority and its exercise.

SECTION 38. *Priority of Instruments.* The Instruments are given in order to secure funds to finance the acquisition, construction and equipping of the Project, and, by reason thereof, it is intended that the Instruments shall be superior to any laborers', mechanics', materialmen's or other liens which may be placed upon the Project.

SECTION 39. *Creation of Lien; Indebtedness.* The Issuer shall not create or suffer to be created any lien or charge upon or pledge of the revenues and receipts (other than revenues and receipts arising pursuant to the Issuer's Unassigned Rights) derived from or in connection with the Project, except the lien, charge and pledge created by the Instruments and the Bonds. The Issuer agrees that the Owners of all of the Bonds or the Owners of a majority in aggregate principal amount of the Bonds, as appropriate, in their own name or in the name of the Issuer, may, and are hereby granted the right to, enforce all rights of the Issuer and all obligations of the Borrower under and pursuant to the Loan Agreement, whether or not the Issuer is in default in its covenant to enforce such rights and obligations.

The Issuer shall not incur any indebtedness, or issue any evidences of indebtedness other than the Bonds herein authorized secured by a lien on or pledge of such revenues and receipts (other than revenues and receipts arising pursuant to the Issuer's Unassigned Rights) which is prior to or equal with the lien and pledge securing the Bonds hereunder, said lien continuing as long as any of the Bonds are Outstanding. The Issuer further covenants and agrees not to sell, convey, transfer, mortgage or encumber its interest in the Loan Agreement, except as specifically permitted by the Instruments.

SECTION 40. *Instruments of Further Assurance.* The Issuer covenants that it will do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, such supplemental ordinances and further acts, instruments and transfers as the Owners of the Bonds may reasonably require for the better assuring, transferring, conveying, pledging, assigning and confirming unto the Owners of the Bonds, all and singular, the property herein described, and the revenues and receipts pledged hereby to the payment of the principal of, Premium, if any, and Interest on the Bonds. Any and all property hereafter acquired which is of the kind or nature herein provided to be and become subject to the lien of the Instruments shall, *ipso facto,* and without any further conveyance, assignment or act on the part of the Issuer or the Owners of the Bonds, become and be subject to the lien of the Instruments as fully and completely as though specifically described herein and therein; but nothing in this sentence contained shall be deemed to modify or change the obligations of the Issuer heretofore made by this Section 40.

SECTION 41. *Recording and Filing.* The Mortgage, or an appropriate summary thereof, shall be recorded in the real property records of Cook County, Illinois, and/or in such other office or offices as may be at the time provided by the laws of the State as the proper place or places for the recordation thereof. The security interests granted to the Owners of the Bonds by the Issuer relative to the Issuer's rights under the Loan Agreement, and by the Borrower relative to the Borrower's rights in the Personal Property, shall be perfected in the manner required by the State Uniform Commercial Code, and any security agreement or interest which might in any way conflict with or supercede the priority of such security interests shall be released so as not to impair the priority of the security interests required to be created hereby. The Mortgage shall be re-recorded and re-indexed by the Borrower whenever, in the opinion of Independent Counsel, such action is necessary to preserve the lien hereof and thereof; and, in addition, such financing or continuation statements as in the opinion of such Independent Counsel become necessary to preserve said lien shall be filed in such offices by the Borrower as shall be required by the State Uniform Commercial Code to maintain the prior perfected status required hereby. The Borrower will within twenty (20) days after any such filing, recording or other act, furnish the Owners of the Bonds with an opinion of Independent Counsel as to the adequacy, and reciting the details. of such filing, recording or other act, and specifying any re-recording or re-filing to be effected in the future with respect to the security interests required to be created hereby.

SECTION 42. *Taxes, Charges and Assessments.* Pursuant to Section 5.7 of the Loan Agreement, the Borrower has agreed to promptly pay, or to cause to be promptly paid, all lawful taxes, assessments, imposts and governmental charges at any time levied or assessed upon or against the Project, or any part thereof, which might impair or prejudice the lien and pledge created by the Instruments; provided, however, that nothing contained in this Section shall require there to be paid any such taxes, assessments, imposts or charges as long as the validity thereof is being contested in accordance with Section 5.8 of the Loan Agreement, in good faith and by appropriate legal proceedings; and provided further that such delay in payment shall not subject the Project or any part thereof to forfeiture or sale. Nothing contained herein or in the other Instruments shall be construed as exempting the property of the Borrower or any other Person from the application of the Issuer's power of Eminent Domain, prohibiting the application of any law or regulation, or obviating any obligation of the Borrower or any other Person to any lawful tax or special assessment.

SECTION 43. *Maintenance and Repairs; Insurance.* Pursuant to Section 5.6 of the Loan Agreement, the Borrower has agreed that it will at all times cause the Project to be maintained, preserved and kept in good condition, repair and working order, and that it will from time to time cause to be made all needed repairs so that the operation and business pertaining to the Project shall at all times be conducted properly, and so that the Project shall be fully maintained as an industrial development project within the meaning of the Ordinance.

Pursuant to Section 5.9 of the Loan Agreement, the Borrower has agreed to keep, or to cause to be kept, at all times while the Bonds are Outstanding, the Project insured against such risks as are customarily insured against by businesses of like size and type as the Borrower.

SECTION 44. *Rights Under Loan Agreement.* The Issuer agrees that the Owners of all of the Bonds or the Owners of a majority in aggregate principal amount of the Bonds, as appropriate, as pledgees and assignees of certain revenues and receipts derived from the Loan Agreement under the Assignment, in their respective names or in the name of the Issuer, shall, subject to the provisions thereof, have the legal power to exercise all of the rights, powers and privileges of the Issuer under the Loan Agreement, including the right to enforce all of the obligations of the Borrower thereunder.

SECTION 45. *Provisions of this Bond Ordinance Separable.* The provisions of this Bond Ordinance are hereby declared to be separable; and if any section, phrase or provision shall for any reason be declared to be invalid, such declaration shall not affect the validity of the remainder of the sections, phrases and provisions hereof.

SECTION 46. *Covenants, Stipulations, Obligations and Agreements of the Issuer.* All covenants, stipulations, obligations and agreements of the Issuer contained in the Instruments shall be deemed to be the covenants, stipulations, obligations and agreements of the Issuer to the full extent authorized or permitted by law, and all such covenants, stipulations, obligations and agreements shall be binding upon the Issuer and its successors from time to time, and upon any board or body to which any powers or duties affecting such covenants, stipulations, obligations and agreements shall be transferred by or in accordance with law; and, except as otherwise provided in this Bond Ordinance or in the other Instruments to which the Issuer is or is to be a party, all rights, powers and privileges conferred, and duties and liabilities imposed, upon the Issuer by the provisions of this Bond Ordinance or of the other Instruments shall be executed or performed by the Issuer or by such officers, board or body as may be required by law to exercise such powers and to perform such duties.

No covenant, stipulation, obligation or agreement contained in the other Instruments shall be deemed to be a covenant, stipulation, obligation or agreement of any officer, agent or employee of the Issuer, nor shall any officer executing the Bonds be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

Section 47. *Small Issue Election.* The Issuer hereby elects to have the provisions of Section 103(b) (6) (D) of the Code applied to the Series 1981 Bond approved and authorized pursuant to this Bond Ordinance, and the Mayor and the City Clerk of the Issuer are hereby authorized, empowered and directed to take any and all such further action required to implement and effectuate such election, including, without limitation, the preparation and filing of such statements or other documents as may be deemed by them to be necessary or advisable in order to comply with the procedures set forth in Section 1.103-10(b) (2) (vi) of the Regulations; and all acts heretofore taken by them in this connection are hereby ratified and confirmed.

Section 48. *Conflicting Resolutions and Ordinances.* All resolutions and ordinances in conflict herewith are hereby repealed to the extent of such conflict. Notwithstanding the foregoing sentence, the initial ordinance of the Issuer with respect to the Project (adopted on December 19, 1980) shall not be repealed either in whole or in part.

Section 49. *Effective Date.* This Bond Ordinance shall take effect and be in force from and after its adoption.

The Committee on Finance submitted a report recommending that the City Council pass the following proposed ordinance transmitted therewith:

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. That the Commissioner of Public works and the City Comptroller, subject to approval as to form and legality of the Corporation Counsel are authorized to execute in behalf of the City of Chicago an agreement with Lakeside Group—1981 d/b/a Chicago International Art Exposition said agreement to be in substantially the following form:

This Agreement made this .... day of.......... A.D. ...., between the City of Chicago, a municipal corporation of the State of Illinois and Tenant from the Public Building Commission of Chicago (hereinafter called "Landlord") and Lakeside Group—1981, d/b/a Chicago International Art Exposition, a partnership organized and existing by virtue of the laws of the State of Illinois (hereinafter called "Tenant").

WITNESSETH:

That Landlord, for and in consideration of the terms and conditions, both general and special, hereinafter contained and made on the part of Tenant, does hereby grant to Tenant for use only by Tenant, the privileges hereinafter described on premises at Navy Pier, Foot of Grand Avenue, Chicago, Illinois 60611, hereinafter called "Pier", a plat of said Pier being attached hereto.

This Agreement shall consist of two parts:

Part I —General Conditions

Part II—Special Conditions numbered 1 to 6

All constituting the entire agreement between the parties and no warranties, inducements, considerations, promises or other references, shall be implied or impressed upon such agreement that are not set forth herein at length.

PART 1—GENERAL CONDITIONS

Article I

This agreement shall be subject and subordinate to:

(a) Any existing or future Federal/State Statute or any existing or future lease or agreement between Landlord and the United States or the State of Illinois, or political subdivisions thereof, relative to the development, construction, operation or maintenance of the Pier, the execution of which has been or may be required as a condition precedent to the expenditure of Federal, State or other public funds for the development, construction, operation or maintenance of said Pier.

(b) The right of Landlord to further develop, improve, maintain, modify and repair Pier, the facilities therein and the roadways and approaches thereto, as it sees fit, regardless of the desires or views of the Tenant and without interference or hindrance by the Tenant.

Article II

The Tenant shall not, without prior approval of Landlord, assign or transfer this agreement nor any share, part or interest therein, nor any of the rights or privileges granted hereby, nor enter into any contract requiring or permitting the doing of anything hereunder by an independent contractor unless otherwise expressly provided herein. Tenant further agrees that it shall not enter into any agreement of any nature, formal or informal, concerning other business activities at Pier, with any individual, partnership or corporation without prior approval of Landlord, it being understood that the only activity that Tenant may conduct directly or indirectly, along or through others, on, upon or from said Pier and facilities located thereon, be they demised to the others or under the control of Landlord, is as authorized under the terms of this agreement.

In the event of the issuance of this right or privilege to more than one individual or other legal entity (or to any combination thereof), then and in that event, each and every obligation or undertaking hereinstated to be fulfilled or performed by the Tenant shall be the joint and several obligation of each such individual or other legal entity.

If Tenant is a corporation and if the control thereof changes at any time during the term hereof, then Landlord may, at its option, declare such change a breach of this agreement.

It is mutually understood and agreed that nothing contained in this agreement is intended, or shall be construed, as in any wise creating or establishing the relationship of co-partners or joint venturers between the parties hereto or as constituting the Tenant as the agent or representative of the Landlord for any purpose or in any manner whatsoever.

Article III

Tenant has examined the premises prior to, and as a condition precedent to, the execution hereof and is satisfied with the physical condition of said premises, and its taking possession thereof will be conclusive evidence of its receipt of said premises in a safe, sanitary and sightly condition and in good repair.

Article IV

Tenant shall not attach, affix, or permit to be attached or affixed, upon the premises, or if so attached or affixed, relocate, replace, alter or modify, without the consent in writing in each instance of the Commissioner of Public Works (hereinafter called "Commissioner") first had and obtained, any flags, placards, signs, poles, wires, aerials, antennae, improvements or fixtures. In connection therewith Commissioner may require submission of proposed designs, floor plans, construction plans, specifications and contract documents therefor and if then approved may incorporate all or part thereof within this agreement as attachments thereto.

Article V

Tenant, at the expense of Tenant, shall keep the premises in a safe, sanitary and sightly condition and good repair and shall restore and yield the same back to Landlord upon the termination of this agreement in such condition and repair, ordinary wear and tear excepted, and if said premises shall not be so kept by Tenant, Landlord may enter the premises (without such entering causing or constituting a termination of the privilege or an interference with the possession of said premises by Tenant) and do all things necessary to restore said premises to the condition herein required, charging the cost and expense thereof to Tenant and Tenant agrees to pay Landlord, in addition to the rent and charges hereby reserved, all such costs and expenses.

Article VI

Tenant covenants and agrees to keep said premises and improvements situated thereat free and clear of any and all liens in any way arising out of the use thereof by Tenant.

In addition to the rent and charges hereinafter outlined, Tenant shall pay all fees, charges, license fees and taxes of whatever nature, if necessary, as required by law or ordinance of the City of Chicago.

Tenant shall assume all risks incident to or in connection with the business to be conducted hereunder and shall be solely responsible for all accidents or injuries of whatever nature or kind to persons or property caused by its operations at said Pier and shall indemnify, defend and save harmless the Landlord, the Public Building Commission of Chicago, their authorized agents and representatives, from any penalties for violation of any law, ordinance or regulation affecting its operations, and from any and all claims, suits, losses, damages or injuries to persons or property of whatsoever kind or nature arising directly or indirectly out of the operation of such business, or resulting from the carelessness, negligence or improper conduct of the Landlord, Public Building Commission of Chicago, Tenant, or any of their agents or employees.

Neither Landlord, nor the Public Building Commission of Chicago shall be liable to Tenant for damage to property of Tenant or any loss of revenues to Tenant resulting from their acts, omissions or neglect in the maintenance and operation of the Pier facilities.

Article VII

Tenant, at the expense of Tenant, shall keep in force, during the term of this agreement, insurance issued by responsible insurance companies, in forms, kinds and amounts as determined and directed by the Comptroller of the City of Chicago (hereinafter called "Comptroller") for the protection of Landlord and/or Tenant. Insurance requirements hereunder shall be subject to the sole determination of the Comptroller.

Said insurance may include, but need not be limited to, insurance coverages commonly known as, or similar in kind to, Public Liability, Products Liability, Property Damage, Fire and Extended Coverage, Workmen's Compensation, Scaffolding Act, and such other insurance coverages as deemed required in the sole determination of the Comptroller. All policies or endorsements thereto shall in all cases where possible name Landlord and the Public Building Commission of Chicago as co-insured thereunder.

Upon approval by said Comptroller of all insurance required, in the forms, kinds and amounts directed to be procured, Tenant shall deliver all policy originals or duplicate originals and endorsements thereto to the Comptroller for incorporation within this agreement as attachment thereto. In any event, Tenant is not to commence to exercise any of the rights and privileges granted under this agreement until such time as all insurance directed and required to be furnished by Tenant is in full force and effect.

Tenant expressly understands and agrees that any insurance protection furnished by Tenant hereunder shall in no way limit its responsibility to indemnify and save harmless Landlord under the provisions of Article VI of this agreement.

Article VIII

In the event the premises or the building of which the premises are a part shall be damaged or destroyed by fire or other casualty, the same may be promptly repaired or rebuilt by Landlord at its expense as soon as funds are available but Landlord shall not be obligated to repair, rebuild, restore or replace any fixtures, equipment, displays or other property installed by Tenant or others pursuant to this agreement.

Provided, however, that Landlord may elect, at its sole option, not to repair or reconstruct the premises or the building, of which the premises are a part, and upon written notice of such election from Landlord to Tenant the obligation of Tenant to pay rent shall cease and this agreement shall thereupon terminate.

Article IX

Landlord hereby grants to Tenant the right of access and ingress to and egress from the premises by Tenant and its employees, contractors, suppliers, servicemen, sublessees, guests, patrons and invitees; provided, that such rights of access, ingress and egress, are at all times exercised in conformance with the further provisions of this agreement and any and all regulations promulgated by Landlord or the Commissioner, or other lawful authority, for the care, operation, maintenance and protection of the Pier and the public.

Operations to be conducted by the Tenant under this agreement shall be done at the sole expense of the Tenant and shall be subject to general inspection by the Landlord to insure a continuing quality of services commensurate with the standards provided for in this agreement and to such other provisions of related agreements as may be pertinent as entered into between Landlord and others governing the use of and operations at the Pier.

Tenant does further covenant, promise and agree that said Tenant will not employ any person or persons in or about the premises or on the Pier who shall be objectionable to the Commissioner and if such persons shall be employed by Tenant, he, she, or they, shall be removed upon request of said Commissioner.

Tenant agrees to use its best efforts in every proper manner to maintain and develop the business conducted by it under this agreement and increase same and not to divert or cause, or allow, to be diverted, any business from Pier.

Article X

This agreement shall not and will not, nor shall any copy thereof, or any statement, paper or affidavit, in any way or manner referring hereto, be filed in the office of the Recorder of Deeds of Cook County, Illinois, or in any other public office, by Tenant or anyone acting for Tenant and that if the same be so filed, this agreement and each and every provision hereof shall, at the option of Landlord, be and become absolutely null and void and Landlord may declare such filing a breach of this agreement.

Article XI

If tenant shall vacate or abandon the premises, or any part thereof, or permit the same to remain vacant or unoccupied, or in case of the nonpayment of the rent and charges reserved hereby, or any part thereof, or of the breach of any covenant in this agreement contained, Tenant's right to the possession of the premises thereupon shall terminate, with or without any notice or demand whatsoever, and the mere retention of possession thereafter by Tenant, shall constitute a forcible detainer of said premises, and if the Landlord so elects, but not otherwise, this agreement shall thereupon terminate and upon the termination of Tenant's right of possession, as aforesaid, whether this agreement be terminated or not, Tenant agrees to surrender possession of the premises immediately, without the receipt of any demand for rent, notice to quit or demand for possession of the premises whatsoever, and Tenant hereby grants to Landlord full and free license to enter into and upon said premises, or any part thereof, to take possession thereof without process of law and to expel and remove Tenant, or any other person who may be occupying the premises, or any part thereof and Landlord may use such force in and about expelling and removing Tenant and said other person as may reasonably be necessary and Landlord may repossess itself of the said premises as of its former estate, but said entry of said premises shall not constitute a trespass or forcible entry or detainer, nor shall it cause forfeiture of charges due by virtue hereof, nor a waiver of any covenant, agreement or promise in said agreement contained, to be performed by Tenant.

Tenant hereby waives all notice of any election made by Landlord under this agreement, demand for rent, notice to quit, demand for possession, and any and all notices and demands whatsoever, of any and every nature, which may or shall be required by any statute of this State relating to forcible entry and detainer, or to Landlord and Tenant, or any other statute, or by the common law during the terms of this agreement. The acceptance of rent, whether in a single instance or repeatedly, after it falls due, or after knowledge of any breach hereof by Tenant, or the giving or making of any notice or demand, whether according to any statutory provisions or not, or any act or series of acts, except an express written waiver, shall not be construed as a waiver of Landlord's right to act without notice or demand or of any other right hereby given Landlord, or as an election not to proceed under the provisions of this agreement.

If default be made in the payment of the rent, or other charges herein reserved, or of any installment thereof, as herein provided, Tenant does hereby irrevocably constitute any attorney of any Court of Record in this State, attorney for it and in its name, from time to time, to waive the issuance of process and service thereof, to waive trial by jury, to confess judgment in favor of Landlord and against Tenant for the amount of rent which may be then due, by virtue of the terms hereof, or of any extensions or renewals hereof, or by virtue of any holdover after the termination hereof, and which may be in default, as aforesaid, together with the costs of such proceedings and for said purposes to file in said cause his cognovit thereof, and to make an agreement in said cognovit, or elsewhere, waiving and releasing all errors which may intervene in any such proceeding and waiving and releasing all right of appeal and right to writ of error, and consenting to an immediate execution upon such judgment, and Tenant hereby confirms all that said attorney may lawfully do by virtue hereof. Landlord shall have a first lien on Tenant's interest hereunder, and on Tenant's property now or hereafter located in said premises, or elsewhere, to secure the payment of all moneys due hereunder, which lien may be foreclosed in equity and in case of any such foreclosure proceeding, a receiver shall be appointed to take possession of said premises and property and relet the premises under order of court.

The obligation of Tenant to pay the rent reserved hereby during the balance of the term hereof, or during any extension thereof, shall not be deemed to be waived, released or terminated, nor shall the right and power to confess judgment given in the preceding paragraph hereof be deemed to be waived or terminated by the service of any five-day notice, other notice to collect, demand for possession, or notice that the tenancy hereby created will be terminated on the date therein named, the institution of any action of forcible detainer or ejectment, or any judgment for possession that may be rendered in such action, or any other act or acts resulting in the termination of Tenant's right to possession of the premises. The Landlord may collect and receive any rent due from Tenant and payment or receipts thereof shall not waive or affect any such notice, demand, suit or judgment, or in any manner whatsoever waive, affect, change, modify or alter any rights or remedies which Landlord may have by virtue hereof.

Tenant shall pay and discharge all costs, expenses and attorney's fees which shall be incurred and expended by Landlord in enforcing the covenants and agreements of this agreement, whether by the institution of litigation or in the taking advice of counsel, or otherwise.

The rights and remedies hereby created are cumulative and the use of one remedy shall not be taken to exclude or waive the right to the use of another.

Article XII

Tenant shall observe and comply with all laws, ordinances, rules and regulations of the United States Government, State of Illinois, County of Cook, City of Chicago and all agencies thereof which may be applicable to its operations or to the operation, management, maintenance or administration of the Pier, now in effect or hereafter promulgated.

Article XIII

Tenant, upon performing the covenants, conditions and agreements herein contained, shall and may peacefully have, hold and enjoy the premises and privileges hereinafter granted.

Article XIV

Landlord may furnish security service, heat, sanitary facilities and utilities as designated at outlets and at points as shown on attachment hereto. Tenant shall pay any and all charges and costs therefore whether or not metered or billed directly from Landlord upon estimates of such costs made solely by Landlord.

Article XV

To insure faithful performance of the covenants, conditions and agreements herein contained, Tenant, at the expense of Tenant shall, before exercising any rights or privileges accorded hereunder, furnish a bond in form, kind and amount as determined and directed solely by the Comptroller for incorporation within this agreement as attachment thereto.

Article XVI

Tenant, in performing under this contract, shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, religion, age, sex or national origin, nor otherwise commit an unfair employment practice. Tenant will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, creed, color, religion, age, sex or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Tenant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. Tenant further agrees that this clause will be incorporated in all contracts entered into with suppliers of materials or services, contractors and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services in connection with this contract.

U. S. Government Petitioned to Re-examine Current Policy Concerning Northern Ireland.

A proposed resolution, presented by Aldermen Casey, Cullerton, Kellam and Brady, reading as follows:

WHEREAS, There is a deep concern by the Irish-American community and all persons of goodwill over the continuing lack of perceptible progress toward a settlement of the conflict in Northern Ireland; and

WHEREAS, A major source of responsibility for this lack of progress toward a political settlement is the delay and neglect by the British Government; and

WHEREAS, Britain has continually evidenced a prejudicial, pro-unionist stance which tilts in favor of the Protestant majority and denies equal protection for all citizens; and

WHEREAS, After twelve years of terror, violence, hunger strikes, and over 2,000 deaths and 20,000 injuries, Britain is unable to bring about a just solution through peaceful means; and

WHEREAS, Britain has never made any public commitment to Irish unity as an ultimate aim; and

WHEREAS, Britain's myopic attention to violence as the major problem, rather than viewing this violence as symptomatic of the deeper problems growing out of a separate and unequal society, raises the ultimate question of her ability to rule without force; and

WHEREAS, Instead of being part of the solution, the intransigent policy of Britain's administration is, to a great extent, part of the problem, as evidenced during the recent 53-day hunger strike that stopped just days short of possible all-out-war; now, therefore,

Be It Resolved, That the Mayor and the Members of the City Council of the City of Chicago in a meeting assembled this 31st day of March, A.D., 1981, petition the United States Government to re-examine its present policy concerning Northern Ireland in view of Britain's inability, after twelve long years of conflict, to find a "just solution" through "peaceful means"; and

WHEREAS, The City has determined that it is desirable and in the public interest to enter into a revolving credit arrangement with certain banks named below (the "Banks"), providing for one or more borrowings as the City may from time to time require in anticipation of revenues of the City in order to finance its short-term cash flow needs, such borrowings (i) not to exceed $50,000,000 in aggregate principal amount at any time outstanding; (ii) to be accomplished pursuant to this Ordinance and the terms and conditions of a Revolving Credit Agreement among the Banks and the City dated as of April 1, 1981 (the "Agreement"); and (iii) to be evidenced by the issuance by the City of its general obligation notes (the notes to be issued pursuant to this Ordinance and the Agreement are referred to herein as the "Notes"); and

WHEREAS, The City by reason of its constitutional home rule powers has the power to issue the Notes as provided in this Ordinance and the Agreement; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The Agreement providing for a revolving credit arrangement among the City and the Banks and for borrowings by the City, from time to time, in anticipation of revenues of the City, not to exceed $50,000,000 in aggregate principal amount at any time outstanding, in substantially the form attached hereto as Exhibit A, shall be entered into between and among the City, Continental Illinois National Bank and Trust Company of Chicago, as Agent for the Banks, and the following Banks:

and the same is hereby approved and shall be executed for and on behalf of the City by the Mayor of the City (the "Mayor") and the City Comptroller of the City (the "City Comptroller"), attested by the City Clerk or Deputy City Clerk, and shall have the corporate seal of the City affixed thereto.

SECTION 2. The Mayor and the City Comptroller are authorized to borrow (and, in the event of payment or prepayment of any borrowings, to reborrow) at any time and from time to time on or before December 1, 1982, pursuant to this Ordinance and the Agreement, such moneys as the City may from time to time request, in anticipation of revenues of the City, in order to finance the short-term cash flow needs of one or more of the funds of the City, such borrowings not to exceed $50,000,000 in aggregate principal amount at any time outstanding and each such borrowing to be evidenced by the issuance of Notes as provided herein: provided, however, that no borrowing or reborrowing shall be made hereunder for the purpose of refunding any outstanding borrowing or reborrowing hereunder; and, further provided, that no borrowing or reborrowing shall be made hereunder at a time when there is outstanding any Note the maturity of which has been extended pursuant to Section 3 hereof. Each such borrowing shall be requested in the manner set forth in the Agreement and shall be conditioned upon delivery of a certificate signed by the City Comptroller and the City Treasurer of the City (the "City Treasurer"), dated the date of such borrowing, which certificate shall set forth the principal amount of such borrowing and the aggregate principal amount(s) of any previous borrowings pursuant to this Ordinance which are then outstanding, shall identify the fund or funds of the City into which the proceeds of such borrowing shall be deposited and shall be filed in the office of the City Clerk and the office of the Committee on Finance of the City Council of the City (the "City Council") and copies of such certificate shall be delivered to each member of the City Council at least two days before the date of such borrowing.

SECTION 3. Each Note shall be designated "General Obligation Revolving Credit Note (............ Fund)", shall be dated its date of issuance, shall mature not later than 91 days after the date thereof or on December 1, 1982 (whichever is earlier) unless the maturity thereof is extended as provided herein, and shall bear interest until paid on the principal amount from time to time outstanding at a rate, during each calendar month in which such Note is outstanding, equal to 60% of the Agent's Prime Rate in effect on the first day of such month (provided that, during the first calendar month in which any Note is outstanding, the interest rate on such Note shall be equal to 60% of the Agent's Prime Rate in effect on its date of issuance) and, if the maturity thereof is extended as provided herein, from the stated maturity date until paid at a rate, during each calendar month in which such Note is outstanding, equal to 70% of the Agent's Prime Rate in effect on the first day of such month (provided that, during the first calendar month in which the maturity of any Note is extended, the interest rate on such Note shall be equal to 70% of the Agent's Prime Rate in effect on the date on which the maturity is extended), computed for actual days elapsed on the basis of a 365 or 366-day year, as appropriate; provided, however, that the interest rate on each Note shall not exceed at any time the greater of 70% of the Agent's Prime Rate in effect on its date of issuance or 11% per annum.

The "Agent's Prime Rate" shall mean at any time the rate of interest per annum then most recently announced by the Agent as its prime rate for 90-day unsecured commercial loans in Chicago, Illinois. The stated maturity of any Note may be extended by the Bank holding such Note, in its discretion, at the request of the City pursuant to a written instrument executed by the Mayor and the City Comptroller and delivered to each of the Banks at least two business days prior to the stated maturity of such Note. Such request shall be effective upon receipt and shall be delivered to:

Unless a Bank shall have delivered to the City a written rejection of any request for an extension of maturity not later than 5:00 p.m. of the second business day after the delivery to the Bank of such request, the maturity of any Note which shall have been the subject of such request shall be automatically extended to November 15 of the calendar year which next commences following the stated maturity of such Note.

Each Note shall be executed by the manual or facsimile signatures of the Mayor and the Comptroller, attested by the manual signature of the City Clerk or the Deputy City Clerk and shall have the corporate seal of the City affixed thereto. In case any officer of the City whose manual or facsimile shall appear on a Note shall cease to be such officer before the delivery of such Note, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer shall have remained in office until delivery. The Mayor and City Comptroller shall file or have filed with the Secretary of State of Illinois their manual signatures certified by them pursuant to the Uniform Facsimile Signature of Public Officials Act, as amended, and the use of the facsimile signatures of such persons to execute the Notes is authorized pursuant to such filing.

SECTION 5. Each Note shall be a direct general obligation of the City to the payment of which (as to both principal and interest) the City pledges its full faith and credit. Each Note shall be payable (both as to principal and interest to the date of payment) from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose. The City covenants and agrees that in the event any Note shall not have been paid at its stated maturity or the stated maturity of any Note shall have been extended in accordance with Section 3 hereof and such Note shall not have theretofore been paid or prepaid, the City shall, at or prior to the third regular meeting of the City Council held after the date which is five business days after the stated maturity of such Note, but in any event on or before the December 31 next following the stated maturity of such Note, levy for the year ending on such December 31 ad valorem taxes without limitation as to rate or amount against all taxable property situated within the City sufficient to pay when due the principal of and unpaid interest on all such Notes, in which event such Notes shall be payable from the proceeds of such taxes in addition to the other sources identified in this Section 5.

SECTION 6. Any taxes levied pursuant to the covenant contained in Section 5 hereof shall be sufficient to provide funds for payment of principal of and unpaid interest on the Notes with respect to which such taxes are levied on the basis of the following assumptions: (i) the applicable rate of interest payable on each such Note will be the greater of 70% of the Agent's Prime Rate in effect on the date of its issuance or 11% per annum from and after the date such taxes are levied and so long as any such Note is thereafter outstanding; and (ii) no prepayments of Notes will be made subsequent to the date such taxes are levied. In the event the Notes with respect to which such taxes have been levied are prepaid in whole or in part prior to the last date on which certificates of tax abatement with respect to the taxes so levied are permitted by the County Clerks of Cook and DuPage Counties to be filed, the City Comptroller shall, on or prior to such date, file certificates of tax abatement with respect to the taxes so levied in the offices of such County Clerks and shall concurrently file copies thereof in the office of the City Clerk and the office of the Committee on Finance of the City Council. Such certificates shall refer to the amount of taxes so levied for the payment of principal of and interest on such Notes and shall indicate the amount of principal and interest thereon which, by reason of such prepayment, will not be required to be repaid from the proceeds of taxes so levied, which amount is to be abated from the taxes so levied and, further indicating the remainder of such taxes so levied which are to be extended for collection by said County Clerks. In the event proceeds of taxes so levied are not available in time to meet any payments of principal of and interest on the Notes, then the fiscal officers of the City are hereby directed to make such payments from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in advancement of the collection of the taxes so levied and when the proceeds of such taxes are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Notes as the same become due.

SECTION 7. The City shall appropriate amounts sufficient to pay principal of and interest on the Notes for the year(s) such amounts are due, but, if for any such year it fails to do so this Ordinance shall constitute a continuing appropriation ordinance of the amounts necessary to pay principal of and interest on the Notes as provided herein and in the Agreement without any further action on the part of the City Council. In particular, but not in limitation of the foregoing, there is hereby appropriated from each fund of the City for which borrowings are made pursuant to this Ordinance amounts sufficient (a) to pay principal of and interest on the Notes evidencing such borrowings as and when the same become due and (b) to prepay the principal of such Notes in the event the City elects to prepay such Notes as provided in this Ordinance. The appropriate officers of the City are hereby ordered and directed to make such payments.

SECTION 8. This Ordinance is made pursuant to the powers of the City as a home rule unit under the Illinois Constitution. The appropriate officers of the City are hereby authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consummate the transactions contemplated by the Ordinance and the Agreement. All references in this Ordinance and the Agreement to any officer of the City who is appointed by the Mayor shall be deemed for all purposes to refer to such officer or to any temporary successor to such officer who shall have been appointed by the Mayor and shall then be acting as such successor.

SECTION 9. The Mayor and the City Comptroller may each designate another to act as their respective proxies and to affix their respective signatures to the Notes, the Agreement, and any other instrument, certificate or document required to be signed by the Mayor or the City Comptroller pursuant to this Ordinance or the Agreement. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxies for the Mayor and the City Comptroller, respectively. A written signature of the Mayor or of the City Comptroller, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signatures attached, shall be recorded in the Journal of the Proceedings of the City Council and then filed with the City Clerk. When the signature of the Mayor is placed on an instrument, certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the signature of the City Comptroller is so affixed to an instrument, certificate or document at the direction of the City Comptroller, the same, in all respects, shall be binding on the City as if signed by the City Comptroller in person.

SECTION 10. To the extent that any statutes, ordinances, resolutions, rules or orders, or parts thereof, are in conflict with the provisions of this ordinance, the provisions of this ordinance shall be controlling. If any provision of this ordinance shall be prohibited by or invalid under Illinois or Federal law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this ordinance. This ordinance shall be published by the City Clerk by causing to be printed in pamphlet form at least 100 copies hereof, which copies are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this ordinance, and this ordinance shall be in full force and effect from and after its passage, approval by the Mayor and publication as provided by law.

Exhibit "A" attached to this ordinance reads as follows:

WITNESSETH:

Whereas, the City is a body politic and corporate under the laws of the State of Illinois and a home rule unit under Article VII of the Constitution of the State of Illinois; and

Whereas, the City has determined that it is desirable and in the public interest for it to borrow money from the Banks from time to time in anticipation of revenues of the City in order to finance the City's short-term cash flow needs, and in evidence of its obligation to repay such loans to issue its general obligation notes (the Notes to be issued under this Agreement are referred to herein as the "Notes") in the maximum aggregate principal amount at any time outstanding of $50,000,000; and

Whereas, the Notes will be issued pursuant to this Agreement and an Ordinance (the "Ordinance") adopted by the City Council of the City (the "Council"), on ...., 1981, which Ordinance authorizes the execution and delivery of this Agreement and the issuance, execution and delivery of the Notes upon the terms and conditions set forth in the Ordinance and this Agreement; and

Whereas, each Note issued pursuant to this Agreement shall mature not later than ninety-one (91) days after the date of issuance of such Note, unless extended as provided in this Agreement, and shall bear interest at a rate equal to 60% of the Prime Rate of the Agent as announced from time to time, and as further provided in this Agreement; and

Whereas, the Banks are willing to make loans to the City in the aggregate principal amount of not to exceed $50,000,000 at any time outstanding for such purposes on the basis of the terms and conditions set forth and the security provided for in this Agreement and the Ordinance and to accept the Notes as evidence of such loans; and

Whereas, the City has determined that the representations, agreements and covenants made or to be made by it in this Agreement, the Ordinance and the Notes are proper, desirable and necessary to obtain and secure payment of the loans under the Agreement and the Ordinance, to issue and sell the Notes and to carry out the City's obligations, powers and purposes under the Ordinance;

Now, Therefore, in consideration of the mutual agreements herein contained, the parties hereto agree as follows:

1. *Representations and Warranties.* To induce the Banks to accept the Notes provided for herein, the City represents and warrants that:

(a) *Authority of the City.* The City is a body politic and corporate duly organized and validly existing as a home rule unit within the meaning of Section 6 of Article VII of the Constitution of the State of Illinois. The City has full legal right, power and authority (i) to possess its properties and conduct its affairs, (ii) to adopt the Ordinance, (iii) to enter into this Agreement, (iv) to borrow money from the Banks for the purposes set forth in the Ordinance and this Agreement, and to issue, execute and deliver the Notes in evidence of such borrowings as provided in this Agreement and the Ordinance, (v) to secure and provide for payment of the Notes in the manner provided in the Ordinance, this Agreement and the Notes, (vi) to make the representations and covenants made by it in the Ordinance, this Agreement and the Notes, and (vii) to perform its other obligations contemplated under the Ordinance, this Agreement and the Notes. The City has, with respect to the issuance of the Notes, complied with all applicable provisions of law, including the Ordinance, in all matters relating to the transactions contemplated hereby.

(b) *Validity of Ordinance, Agreement and Notes.* The Ordinance has been duly adopted by the City at a meeting of the City Council of the City which was duly called, noticed and held, and the Ordinance has not been altered or amended and is in full force and effect. The City has duly authorized (i) the execution, delivery and performance of this Agreement, (ii) the issuance, execution, sale, delivery and due performance of the Notes, and (iii) the taking of any and all such action as may be required on the part of the City to carry out, give effect to and consummate the transactions contemplated by the Ordinance, the Notes and this Agreement. When duly executed and delivered by the City, this Agreement and the Notes will constitute legal, valid and binding obligations of the City enforceable in accordance with their respective terms and the Banks will be entitled to the benefits and security of the Ordinance, the Notes and this Agreement.

(c) *Litigation.* Except as stated in a certificate of the Corporation Counsel of the City furnished to the Banks, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, or before or by any court, public board or body, pending against or, to the best of the knowledge of the City, threatened against the City (nor to the best of the knowledge of the City is there any basis therefor), which in any way questions the validity of the Ordinance, the powers of the City referred to in Section 1(a) above, or the validity of any proceeding taken or to be taken by the City in connection with the issuance, execution, sale and delivery of the Notes or wherein an unfavorable decision, ruling or finding would in any way materially and adversely affect the transactions contemplated by this Agreement or materially and adversely affect the ability of the City to fulfill its obligations under the Ordinance, this Agreement or the Notes and to levy ad valorem taxes unlimited as to rate and amount against all taxable property within the City sufficient to pay the principal of and interest on the Notes, or which in any way would materially and adversely affect the validity or enforceability of the Notes or the Agreement (or of any other instrument required or contemplated for use in consummating the transactions contemplated by this Agreement) or the exemption of the interest on the Notes from Federal income taxation.

(d) *Legislation.* Except as stated in a certificate of the City Comptroller furnished to the Banks, to the best knowledge of the City, there is no legislation pending before the Illinois General Assembly (or adopted by it and awaiting action by the Governor) or the Congress of the United States or ordinance pending before the City Council which would affect or limit the right, power or authority of the City to enter into this Agreement, to issue the Notes or to perform its obligations under the Ordinance, this Agreement or the Notes or which in any way would materially and adversely affect the validity of the Ordinance, the Notes or this Agreement (or any instrument required or contemplated for use in consummating the transactions contemplated hereby), nor is there any such legislation or ordinance which is not introduced for action in the General Assembly or Congress or before the City Council, but which to the knowledge of the City is proposed to be so introduced and has been reduced to a written draft.

(e) *Permits and Approvals.* No approval, permit, consent, or authorization of, or registration or filing with, any governmental or public agency, authority or body not already obtained or made is required on the part of the City in connection with the issuance and sale of the Notes or the execution and delivery by the City of this Agreement and the Notes, or except as contemplated herein, the performance of its obligations under the Ordinance, this Agreement and the Notes.

(f) *No Conflicts.* The adoption of the Ordinance, the execution and delivery by the City of this Agreement and the Notes, and compliance with the provisions of each of such instruments, will not conflict with, result in a breach of any provision of, or constitute a default under, any ordinance, resolution, indenture, commitment, agreement or other instrument adopted by the City or to which the City is a party or by which it is bound, or under any provision of the Constitution of the State of Illinois or any existing law, rule, regulation, judgment, order or decree to which the City (or any of its officers in their respective capacities as such) is subject.

(g) *No Defaults.* The City is not in default in the payment of principal of, premium, if any, or interest on, or otherwise in default in any material manner with respect to, any general obligation indebtedness for borrowed money (including, without limitation, bonds, notes or certificates of indebtedness), lease rental obligations to the Public Building Commission of Chicago, or water revenue obligations which it has issued, assumed or guaranteed, or for which it has otherwise become obligated, as to payment of principal, premium, if any, or interest.

(h) *Financial Statements.* The City has provided the Banks with the financial statements of the City for the fiscal year ended December 31, 1979, audited by Peat, Marwick, Mitchell & Co., independent certified public accountants, together with certain additional financial information constituting Part II of Appendix A to the Official Statement of the City of Chicago dated April ....., 1981 (the "Official Statement"). Except as the Comptroller of the City has otherwise advised the Banks in writing, all such financial statements have been prepared in accordance with generally accepted accounting principles, applied on a consistent basis throughout the periods specified therein. Such financial statements, including in each case any related notes, are true, complete and correct in all material respects and present fairly the financial position of the City as at each balance sheet date and the results of its operation and changes in financial position for the periods covered thereby. Except as stated in a certificate previously provided by the City to the Banks and signed by the Comptroller of the City, and as otherwise disclosed in the Official Statement no material adverse change has occurred in the financial position of the City or results of its operations since December 31, 1979. The City has also provided the Banks with certain unaudited quarterly financial reports for the quarter ended December 31, 1980 including statements of actual cash flow through December 31, 1980 and projected cash flow through December 31, 1981. Such financial reports and cash flow statements are based on the best information ascertainable by the City as of the date hereof, and the cash flow projections are based on various assumptions as to future events and circumstances which the City believes to be reasonable.

(i) *Official Statement.* Except as the City Comptroller has otherwise advised the Banks in writing, the Official Statement, a copy of which has previously been provided to the Banks did not (as of the date thereof) contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

2. *General Conditions Concerning Loans and Notes.*

(a) Subject to the terms and conditions of this Agreement, each Bank severally agrees to lend and relend to the City from time to time on or before December 1, 1982 its proportionate share equal to such Bank's Percentage of Aggregate Commitment as set forth on the signature pages hereof, of such amounts as the City may, from time to time, request be loaned under this Agreement. However, the total amount of borrowings outstanding at any time under this Agreement shall not exceed $50,000,000. The amounts requested by the City to be loaned from time to time shall each be in multiples of $100,000 and in a minimum amount of $100,000. (b) The Agreement shall terminate on December 1, 1982, or at such time after such date when all Notes are paid in full as to both principal and interest, whichever date is later. No loans shall be made under this Agreement after December 1, 1982.

(c) All payments to be made pursuant to this Agreement shall be in Federal funds or other immediately available funds.

3. *Specific Conditions Precedent to Loans and Issuance of Notes.*

The following shall be conditions precedent to the making from time to time of loans and the issuance of the Notes under this Agreement:

(a) Immediately prior to the making of the first loan and the issuance of the first series of Notes pursuant to this Agreement, the City shall deliver to the Agent, in sufficient number of counterparts to provide the Agent and each Bank with one such counterpart, the following documents, addressed to the Banks, in care of the Agent and dated the date of the loan:

(i) A certified copy of the Ordinance as adopted by the City Council, approved by the Mayor of the City, and published as provided by law;

(ii) An opinion of bond counsel acceptable to the Banks, in substantially the form of Exhibit A to this Agreement;

(iii) The opinion of the Corporation Counsel of the City in substantially the form of Exhibit B to this Agreement;

(iv) A certificate or certificates of the Mayor of the City and the Comptroller of the City: (A) stating that the representations and warranties of the City set forth in Section 1 hereof are true and correct on and as of the date of such Certificate; (B) stating that the aggregate unpaid principal amount of all Notes then to be outstanding under this Agreement will not exceed the maximum amount of loans permitted by this Agreement; (C) regarding the incumbency and term of office of each official of the City whose manual or facsimile signature appears on the Notes, this Agreement or any certificate or other document required to be delivered pursuant to this Agreement; and (D) stating that no event of default, as defined in Section 9 of this Agreement and no event which, with the lapse of time or the giving of notice or both, would constitute such an event of default, has occurred and is continuing;

(v) An arbitrage certificate signed by the Mayor and the Comptroller of the City in form acceptable to bond counsel;

(vi) A certificate signed by the City Comptroller and the City Treasurer as required by Section 2 of the Ordinance.

(b) At the time of the making of each loan subsequent to the first loan and the concurrent issuance of Notes, the City shall deliver to the Agent properly executed certificates as of the date of the loan as to the matters referred to in Sections 3(a)(iv), (v) and (vi) of this Agreement. The City shall also then deliver to the Agent the opinions of bond counsel and the Corporation Counsel of the City, each dated the date of such loan, with respect to the Notes then to be issued. Those opinions shall be in the forms as required in subparagraphs (a)(ii) and (iii) of this Section and shall relate specifically to the Notes then being issued.

(c) Notwithstanding any other provision of this Agreement, no loan shall be required to be made under this Agreement if, and as long as, any condition precedent to the making of the loan shall not have been satisfied or if, and as long as, any event of default described in Section 9 of this Agreement, or any event which, with the lapse of time or the giving of notice or both, would constitute such an event of default, shall have occurred and be continuing.

(d) Notwithstanding any other provision of this Agreement, no loan shall be required to be made under this Agreement so long as any Note which is not paid on or before the stated maturity date thereof remains outstanding and unpaid.

4. *Notes Evidencing Obligation to Repay Borrowings.*

(a) Each borrowing under this Agreement by the City shall be evidenced by Notes of the City substantially in the form set forth in the Ordinance, with appropriate insertions in the appropriate spaces, and dated the date of the borrowing evidenced by such Notes. The Notes shall be numbered consecutively from 1 in the chronological order of issuance. The Notes shall be payable to each Bank in the principal amount thereof, at the office of the Agent at 231 South LaSalle Street, Chicago, Illinois 60693. Each Note shall mature not later than ninety-one (91) days after the date of issuance thereof, or on December 1, 1982 (whichever is earlier), provided, however, that in certain circumstances the maturity of any such Note may be extended as provided in Section 8(b) hereof. Interest on the Notes shall be payable as provided in Section 5 of this Agreement.

(b) Each Note shall be executed in the name of the City by the Mayor of the City and by the City Comptroller by their manual or facsimile signature, shall be attested by the manual or facsimile signature of the (Deputy) City Clerk and shall be sealed with the corporate seal of the City.

(c) Each Note shall be a direct and general obligation of the City to the payment of which (as to both principal and interest) the City pledges its full faith and credit. The Notes shall be payable (both as to principal and interest to the date of payment) (i) from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose; and (ii) in the event of an extension of maturity pursuant to Section 8(b) hereof, from the proceeds of ad valorem taxes to be levied by the City without limitation as to rate or amount against all taxable property situated within and City sufficient to pay when due the principal of and interest on the Notes.

(d) Upon payment in full of principal of and interest on any Note, the Note shall be cancelled and surrendered to the City. Prepayments of principal of each Note shall be noted on the back of the Note by the holder of the Note.

5. *Interest.*

(a) The Notes shall bear interest from their respective dates until paid. Except as provided in paragraph (b) of this Section 5, the interest rate on the Notes shall be equal during each calendar month in which Notes are outstanding and unpaid to 60% of the Agent's Prime Rate in effect on the first day of such month (or, in the case of any calendar month during which Notes are issued, to

60% of the Agent's Prime Rate in effect on the first date in which Notes are outstanding during such month); provided, however, that the interest rate on Notes, the maturity of which has been extended pursuant to Section 8(b) hereof, shall be equal during each month that such Notes are outstanding and unpaid to 70% of the Agent's Prime Rate in effect on the first day of such month (or, in the case of any month during which the maturity of any such Notes is extended, to 70% of the Agent's Prime Rate in effect on the first date on which the maturity of any such Notes is extended during such month); and provided, further, that the interest rate on any Note shall not at any time exceed the greater of 11% or 70% of the Agent's Prime Rate on the date of issuance of such Note. The Agent shall notify the City within three (3) business days after any change in the Agent's Prime Rate. The failure of the Agent timely so to notify the City of any change in the Agent's Prime Rate shall not affect the obligation of the City to pay interest at such changed rate as long as such notice is given prior to payment of such interest. The "Agent's Prime Rate" shall mean the rate per annum then most recently announced by the Agent as its Prime Rate for 90-day unsecured commercial loans in Chicago, Illinois.

(b) Notwithstanding the provisions of paragraph (a) of this Section 5, the interest to be paid with respect to any Bank shall be at a rate equal during each month that Notes are outstanding and unpaid to the Agent's Prime Rate in effect on the first day of such month or, in the case of any month during which Notes are issued, to the Agent's Prime Rate in effect on the first date on which Notes are outstanding during such month (the "Taxable Rate") for any period during which interest on any Note is required to be included in the gross income of such Bank for Federal income tax purposes. No Bank shall include interest on any Note in its gross income for Federal income tax purposes, or enter into any settlement agreement with the United States Internal Revenue Service whereby interest on any Note will be so includable, in whole or in part, without first having given notice to the City of the reasons for so including or agreeing to include interest in the gross income of such Bank and permitting the City, at its option and at its own expense, to challenge on behalf of or, at the option of such Bank, in conjunction with such Bank, any determination or decision of the Internal Revenue Service requiring interest so to be included in gross income for Federal income tax purposes. Promptly after such interest has been required to be included in the gross income of any Bank for Federal income tax purposes, or upon such Bank entering into a settlement agreement providing for such inclusion of such interest, the City shall pay to the Bank, the difference between (i) the interest, if any, which has been paid on the Note in respect of the period during which such interest is required to be included in the gross income of the Bank for Federal income tax purposes and (ii) interest on the Note in respect of such period at the Taxable Rate.

(c) Except in connection with any prepayment or acceleration in accordance with this Agreement, or in connection with additional payments as provided in paragraph (b) of this Section 5, interest on each Note shall be payable at maturity. Interest on any Note extended pursuant to Section 8(b) hereof shall be payable after the stated maturity date on each subsequent October 1, January 1, April 1, and July 1 during the period such Note is outstanding and at the final maturity date as extended. Interest on each Note shall be computed for actual days elapsed on the basis of a year of 365 or 366 days, as appropriate, in respect of the principal amount of such Note from time to time outstanding and unpaid.

6. *City's Right To Prepay Notes.*

The City may, at its option, at any time or from time to time, upon one (1) day's notice to the Banks and without premium or penalty, and from any funds available to it prepay the Notes, in whole, or in part in any integral multiple of $100,000. Any such prepayment shall be accompanied by payment of the unpaid accrued interest on the principal amount so prepaid to the date of such prepayment. Any partial payment of any Note shall be evidenced by notation on the back thereof by the holder of such Note to indicate the date of such prepayment and the amount thereof. In the event of any prepayment each Bank agrees to relend an amount equal to its proportionate share of such prepayment as the City may, from time to time, request, as provided in Section 2 of this Agreement.

7. *Application of Payments.*

(a) Any prepayment of less than the total aggregate principal amount and accrued interest of all Notes outstanding shall be applied pro rata to the payment of Notes in the order of issuance. Prepayment of less than all of any Note shall be applied first to accrued interest on the principal amount being prepaid and then to the principal of that Note.

(b) All payments and prepayments of principal of and interest on the Notes shall be paid to the Agent for the account pro rata of the Banks entitled thereto in accordance with the provisions of this Agreement. The Agent shall immediately distribute to each Bank all payments of principal or interest received by the Agent for the account of such Bank. All amounts received by each Bank (whether as a result of payment transmitted by the City or otherwise) on account of payment of interest on or principal of the Notes shall be so applied by it to its Notes.

(c) If any of the Banks shall obtain any payment or prepayment (whether voluntary or involuntary) in respect of principal of or interest on any Note in excess of its pro rata share of payments then obtained by all Banks in respect of principal and interest on all Notes, then such Bank shall purchase from the other Banks such interest (at face value) in the Notes as shall be necessary to cause such purchasing Bank to share the excess payment received ratably with such other Banks; provided, however, that if all or any portion of the excess payment is thereafter recovered from such purchasing Bank, the purchase shall be rescinded and the purchase price restored to the extent of such recovery but without interest.

8. *Covenants.*

The City hereby covenants and agrees with the Banks that during the term of this Agreement:

(a) The City shall duly and punctually pay the principal of and interest on the Notes out of the sources of payment specified in Section 4(c) hereof at the dates set forth in this Agreement and the Notes. All amounts payable by the City to the Banks under this Agreement or the Notes shall be paid to the Agent at 231 South LaSalle Street, Chicago, Illinois 60693.

(b) The City hereby pledges its full faith and credit to the payment of the principal of and interest on the Notes and of any other amounts payable by the City to the Banks under this Agreement. The City hereby covenants and agrees that in the event that any Note is not paid on or before the stated maturity date thereof and remains outstanding, the City shall levy and collect ad valorem taxes for the year of the stated maturity date, without limitation as to rate or amount, against all taxable property situated within the City sufficient to pay when due the principal of and accrued interest on such Note. The stated maturity of any Note may be extended by the Banks in their discretion at the request of the City to November 15 of the calendar year which next commences following the stated maturity of such Note pursuant to a written instrument executed by the Mayor and City Comptroller and delivered to each of the Banks at least two business days prior to the stated maturity of such Note. Such request shall be effective upon receipt and shall be delivered to the Agent at 231 South LaSalle Street, Chicago, Illinois 60693, Attention: Vice President, Public Finance Division; to The First National Bank of Chicago at One First National Plaza, Chicago, Illinois 60670, Attention: Vice President, Public Funds Division; and to the Morgan Guaranty Trust Company of New York, 23 Wall Street, New York, New York, 10015, Attention: Public Finance Department. Unless a Bank shall have delivered to the City a written rejection of any request for an extension of maturity not later than 5:00 p.m. of the second business day after delivery to the Banks of such request, the maturity of any Note which shall have been the subject of such request shall be automatically extended to November 15 of the calendar year which next commences following the stated maturity of such Note. A tax levy ordinance shall be adopted not later than the third regular meeting of the City Council occurring after a date which is five business days after the extension is granted, deemed granted or denied, but in any event on or before the December 31 next following the stated maturity of such Note. If such Note is thereafter paid from any other funds or revenues of the City, the taxes so levied shall be abated in accordance with Section 6 of the Ordinance.

(c) The City shall appropriate by ordinance as provided by law sums sufficient to pay the Notes in full, both as to principal and interest, when due. To the extent that the City should fail to include in any appropriation ordinance (including supplements thereto) for any year an amount sufficient to pay the principal of and interest on the Notes due during such year, the Ordinance shall constitute a continuing appropriation of such amounts for such purposes, as provided in the Ordinance.

(d) The levy of taxes for the Notes shall be for the sole benefit of the holders of interests in the Notes and the holders of interests in the Notes shall have a claim against such levy and the future proceeds of such levy to the extent of the indebtedness outstanding under this Agreement but only after such proceeds are deposited into the Note Escrow Account.

(e) As soon as practicable following the end of each fiscal year of the City, the City shall furnish the Banks with a comprehensive audit of the City's finances and funds by one of the eight largest national firms of independent certified public accountants selected by the City and acceptable to the Banks. Upon any proposed change in accounting firms, the Chairman of the Committee on Finance of the City Council shall provide to the Banks a statement as to whether the Committee on Finance has recommended or approved or disapproved of such change and stating the reasons for such recommendation, approval or disapproval. Each year-end financial statement shall be furnished to the Banks within 240 days after the last day of the City's fiscal year.

(f) The City will prepare and furnish to the Banks the available unaudited quarterly financial reports prepared by the City for each quarterly fiscal period of each fiscal year of the City. Each quarterly report shall include a statement of revenues and expenditures for the Corporate Fund and any other fund for which such information is available, a comparison of such revenues and expenditures to such amounts as allocated to that quarter by the City based on the Annual Budget for such fiscal year, and an explanation of any unfavorable variances in excess of ten percent (10%) of the amount as allocated. Each quarterly report shall also include a quarterly cash flow statement including projected cash flow for the remainder of the unexpired budget period, a comparison of actual and projected cash flow with the projections for the fiscal year 1981 provided to the Banks at the time of the initial loan hereunder, or with similarly prepared cash flow projections prepared by the City and submitted to the Banks on or before January 31, 1982 for the calendar year 1982, and any other information reasonably requested by the Banks. Each quarterly financial report shall be furnished to the Banks within 90 days after the last day of the quarterly fiscal period to which such report relates.

(g) Prior to the issuance or extension of any Note, the City will also prepare and furnish to the Banks a statement summarizing the receipts and disbursements for the Corporate Fund and the opening and closing balances for each month ending more than 30 days prior to the date of such report and comparing them with the cash flow projections provided to the Banks at the time of the initial loan hereunder for the calendar year 1980 and with a similarly prepared cash flow projections prepared by the City and submitted to the Banks on or before January 31, 1981 for the calendar year 1981.

(h) It is the intention of the City and the Banks that the interest on the Notes be excluded from the gross income of the Bank for Federal income tax purposes by reason of the provisions of Section 103 of the Internal Revenue Code of 1954, as amended (the "Code"), or any substantially similar successor provision hereinafter enacted. To that end, the City covenants that it will not take any action, or omit to take any action which is lawful and within its power to take, and which, if taken or omitted, would cause interest on the Notes to become includable in the gross income of the holders thereof for Federal income tax purposes. Without limiting the foregoing, the City covenants that no funds of the City will be invested or used in such manner that would cause the Notes to be "arbitrage bonds" within the meaning of Section 103(c) of the Code and the applicable regulations promulgated thereunder, as they may be in force and applicable at the time of such investment or use.

(i) No borrowing or reborrowing under this Agreement shall be made for the purpose of refunding any outstanding borrowings or reborrowings hereunder.

(j) Prior to the collection of any taxes levied for payment of any Note as provided in Section 8(b) hereof, the City will establish separate and segregated escrow accounts with third parties substantially similar to the escrow accounts established for payment of the obligations of the City incurred pursuant to the General Obligation Term Loan Agreement dated as of April 1, 1980 between the City, the Agent and certain banks.

(k) The City covenants and agrees that for a period of at least 30 consecutive days at any time during the term of this agreement following the date of the issuance of the first Note hereunder, which 30 consecutive day period shall be selected at the sole option of the City, no Notes shall be outstanding under this Agreement; provided, however, that this covenant shall be of no force or effect in the event the City shall have levied a tax pursuant to Section 8(b) hereof, so long as such tax shall not have been abated within the period permitted by law.

(l) The City agrees to make available to the public upon request at the office of the City Clerk any financial report furnished to the Banks pursuant to Sections 8(e), (f) and (g) of this Agreement at the same time any such financial report is furnished to the Banks. It is further understood and agreed that the Banks have the right, within their own discretion, to disclose any such financial reports to third parties, to the extent permitted by applicable law, and the Banks will notify the City of any such disclosure.

(m) In consideration of the commitment of the Banks to make loans to the City hereunder, the City hereby agrees to pay to the Banks, ratably according to their respective Commitments, a fee (herein called the "Commitment Fee") for the period commencing on the date hereof and ending on December 1, 1982, of ½ of 1% per annum on the daily average aggregate amount of the unused Commitments. The Commitment Fee in respect of each Calendar Quarter (or portion thereof) shall be payable following the end of such Calendar Quarter on the 15th day after receipt by the City of a statement from the Agent of the amount of the Commitment Fee for such Calendar Quarter, for any period then ending for which the Commitment Fee shall not have been thereto paid.

9. *Events of Default.*

(a) If one or more of the following "events of default" occur:

(i) Default in the payment of principal of, or interest on, any Note when due;

(ii) Default by the City in the payment of any other general obligation indebtedness for borrowed money (including lease rental payments to the Public Building Commission of Chicago) or any water or sewer revenue notes (which water or sewer revenue notes are held at such time by any of the Banks) when the same becomes due and payable or the failure by the City to observe or perform any term, covenant or agreement contained in any agreement, instrument, ordinance or resolution by which it is bound evidencing or securing general obligation indebtedness for borrowed money for such period of time as would cause acceleration of the maturity thereof or would permit (assuming the giving of appropriate notice if required) the holder or holders thereof to accelerate the maturity thereof;

(iii) Any representation made by the City herein or in any schedule, statement, exhibit, report, certificate, notice or writing furnished by the City to the Banks in connection herewith of which the Banks have given notice to the City shall be untrue in any material respect on the date as of which the facts set forth are stated or certified and, with respect only to financial reports delivered pursuant to Sections 8(e), (f) and (g) hereof, which is not made good within 30 days after notice thereof from the Agent or any of the Banks;

(iv) Legislation shall be enacted or a referendum of the electors of the City shall be passed or a decision by a court of competent jurisdiction shall become final and not subject to further review which prevents the City from complying with the Ordinance, the Notes or this Agreement or limits or modifies the powers of the City in any way which materially and adversely affects the ability of the City to pay any of its general obligation indebtedness as the same becomes due or materially and adversely impairs the ability of the City to perform its obligations under the Ordinance, this Agreement or the Notes, or the Ordinance shall be modified or amended except as permitted by this Agreement;

(v) Default in the performance of any of the City's agreements set forth herein or in the Ordinance (and not constituting an event of default under any of the preceding subsections of this Section 9(a)) and continuance of such default for 30 days after notice thereof to the City from the Agent or from any Bank; or

(vi) A decree or order by a court having jurisdiction shall be entered adjudging the City a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization or rearrangement of the City under the Federal bankruptcy laws or any similar applicable Federal or Illinois law, and such decree or order shall continue undischarged or unstayed for a period of 30 days; or a decree or order of a court having jurisdiction for the appointment of a receiver, liquidator, trustee or assignee in bankruptcy or insolvency of the City or all or any material portion of its property, or for the winding-up or liquidation of the City or all or any material portion of its property, shall be entered, and such decree or order shall continue undischarged and unstayed for a period of 30 days; or

(vii) The City shall institute proceedings to be adjudicated a voluntary bankrupt, or shall consent to the filing of a bankruptcy proceeding against it, or shall file a petition or answer or consent seeking reorganization or arrangement under the Federal bankruptcy laws or any similar applicable Federal or Illinois law, or shall consent to the filing of any such petition, or shall consent to the appointment of a receiver, liquidator, trustee or assignee in bankruptcy or insolvency of the City or of all or any material portion of its property, or shall make an assignment generally for the benefit of creditors, or shall admit in writing its insolvency or inability to pay its debts generally as they become due, or any action shall be taken by the City in furtherance of any of these purposes;

then the Agent may, and, upon the request of any Bank (which may include the Agent) shall, declare the principal of and accrued interest on the Notes to be immediately due and payable, and the Notes shall thereupon be and become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which are expressly waived, and without relieving the City of any of its obligations under the Ordinance or this Agreement; provided, however, that in the case of any occurrence of any event of default described in the foregoing clauses (vi) or (vii), the Notes shall become due and payable forthwith without the requirement of any such declaration or request, and without presentment, demand, protest or other notice of any kind, all of which are expressly waived.

(b) If any event of default or event which might mature into an event of default has occurred and is continuing, the Agent may take whatever action at law or in equity which may appear necessary or desirable to collect the principal of and interest on the Notes then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the City under the Ordinance, this Agreement or the Notes, whether for specific performance of any covenant or agreement contained in the Ordinance, this Agreement or the Notes or in aid of the execution of any power granted in this Agreement or the Ordinance.

(c) No remedy in this Agreement conferred upon or reserved to the Agent or the Banks is intended to be exclusive of any other available remedy or remedies. Each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement, as now or subsequently existing at law or in equity or by statute. No delay or omission to exercise any right or power occurring upon any event of default shall be construed to be a waiver of such right or power, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agent or the Banks to exercise any remedy reserved in this Agreement, it shall not be necessary to give any notice other than notice required by this Agreement.

(d) In the event of any default in payment of principal of or interest on the Notes when due any indebtedness from the Agent or from any Bank to the City may be set off and applied to the payment of the defaulted principal of or interest on the Notes. This paragraph shall not apply to any funds held by the Agent or any Bank, in its capacity as trustee, escrowee or paying agent, in any segregated escrowed or trusteed account or to any taxes, assessments or charge made by the City against such Bank in its governmental capacity as to which funds there shall be no such setoff or application.

(e) Any request by the City for a waiver or consent with respect to a default (other than a default described in Section 9 (a)(i), (ii), (vi) or (vii) hereof), shall be acted on by the Banks within 60 days after receipt of written request therefor, and if not acted on within such time shall be deemed to have been granted. Any such request shall contain full and complete disclosure of all material facts, and any waiver granted shall be effective only to the extent of such disclosure.

10. *The Agent.*

(a) Each Bank authorizes the Agent to act on behalf of such Bank to the extent provided in this Agreement and to take such other action as may be reasonably incidental to such action.

(b) The Agent shall not be required to do any act under this Agreement, or take any action towards the execution or enforcement of the agency created by this Agreement or to prosecute or to defend any suit in respect of this Agreement or any security unless indemnified by the Banks to the satisfaction of the Agent against loss, cost, liability and expense. If any indemnity furnished to the Agent for any performance should become impaired, the Agent may call for additional indemnity and may cease to do the acts indemnified against until such additional indemnity is given.

(c) Each Bank agrees to reimburse the Agent, to the extent not reimbursed by the City, for such Bank's pro rata share (based upon its percentage of the aggregate commitment set forth on the signature pages of this Agreement) of all reasonable out-of-pocket expenses (including reasonable attorneys fees and legal expenses) incurred by the Agent under or in connection with this Agreement or in enforcing the obligation of the City under this Agreement, the Ordinance or the Notes, or in enforcing any security for this Agreement or the Notes.

(d) The Agent shall promptly distribute to each of the Banks such Bank's pro rata share of all payments actually received by the Agent with respect to the Notes and the Commitment Fee payable to the Banks pursuant to Section 8(m) of this Agreement. The Agent shall conclusively deem each of the Banks to have continuing interests in its Notes until such time as the Agent shall have received written notice from such Bank that its interest in its Notes has been assigned as provided in Section 11(b) of this Agreement to a proper assignee, which notice shall set forth the name and address of such assignee.

(e) Neither the Agent, nor any of its directors, officers, employees or Agents, shall be liable as such for any action taken or omitted by it or them, except for its own or their own gross negligence or willful misconduct, nor responsible for any recitals or warranties in this Agreement, nor for the execution or validity of this Agreement or the Notes, nor for the validity, effectiveness or enforcement of any security, nor to make any inquiry concerning the performance by the City of its obligations. The Agent shall be entitled to rely upon advise of counsel concerning legal matters and upon any certificate, schedule, statement, report, notice or writing which it believes to be genuine or to have been presented by a proper person.

(f) The Agent may resign as such at any time upon at least 30 days' prior written notice to the City and the Banks, such resignation to take effect upon the appointment of and acceptance by a successor agent in accordance with the next sentence of this Section. In the event the Agent gives notice of its resignation, Banks holding in the aggregate interests in more than 50% of the unpaid principal amount of the Notes shall, as promptly as practicable, appoint a successor agent.

(g) Each Bank acknowledges that it has, independent of the Agent and any other Bank and based on such financial statements, documents, information and investigations as has been furnished by the City, made its own credit decision to make the loan to the City under this Agreement. Each Bank also acknowledges that it will, independently of the Agent and any other Bank and based on such documents, information and investigations as it shall deem appropriate, continue to make its own credit decisions in exercising or not exercising from time to time any rights and privileges available to it under this Agreement and any instrument executed pursuant to this Agreement.

(h) Each assignee of an interest of a Bank in a Note pursuant to Section 11(b) of this Agreement shall have with respect to such interest all of the rights, privileges, authorities, duties and obligations of its assignor from and after the time that notice in writing of such assignment shall have actually been received by the Agent.

11. *General.*

(a) No official, officer, agent or employee of the City shall be liable personally on the Notes by reason of the issuance thereof.

(b) This Agreement shall be binding upon and shall inure to the benefit of the City, the Agent and the Banks, and the respective successors and assigns of the Agent and the Banks but only to the extent such assignment is permitted under this paragraph (b), and shall inure to the benefit of each such assignee of the Notes or any interest therein. Any Bank may assign its interests in this Agreement or its Notes (either in whole or in part) only to any other national or state bank. The Bank assigning any interest in its Note shall promptly notify the City and the Agent and of such assignment and of the name and of the address of the assignee. The failure so to give notice of assignments shall not affect the validity of such assignment.

(c) The provisions of this Agreement, the Notes and the Ordinance shall each constitute a contract among the City, the Agent and the Banks. Any owner of any interest in any Note may either in law or equity, by suit, action, mandamus or other proceeding, enforce or compel performance by the City and its officials of all duties required by law, the Notes, this Agreement or the Ordinance. No change or modification shall be made in this Agreement, the Notes or the Ordinance which in any way affect the obligation of the City with respect to the Notes, this Agreement or the Ordinance without the prior written consent (except as otherwise provided in Section 9(e)) of the City and Banks holding in the aggregate interests in more than 50% of the unpaid principal amount of the Notes, but no such change or modification in the maturity, principal amount, principal installment payment dates or amounts, interest payment dates, interest rates, security or sources of payment of the Notes shall be made without the prior written consent of the City and each of the Banks.

(d) Whenever possible each provision of this Agreement shall be interpreted in a manner as to be effective and valid under Illinois law, but if any provision of this Agreement shall be prohibited by or invalid under Illinois law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Agreement.

(e) This Agreement may be executed in any number of copies and by the different Banks on separate counterparts; provided, however, that each counterpart shall be executed by the City and the Agent. When counterparts executed by all parties shall have been received by the Agent, this Agreement shall become effective and at that time the Agent shall notify the City and each Bank.

(f) No failure or delay by the Agent or the Banks in exercising any right, power or privilege under the Ordinance, the Notes or this Agreement shall operate as a waiver of that right, power or privilege, nor shall any single or partial exercise or any right, power or privilege preclude any other or further exercise of that right, power or privilege or the exercise of any other right, power or privilege.

(g) Each of the Banks severally represents that it is purchasing its Notes for its own account and with no present intention of distributing or reselling its Notes or any interest therein but subject, nevertheless, to the disposition of its Notes and all interests therein being at all times within its sole discretion and control.

(h) Any notice under this Agreement shall be effective upon receipt and shall be delivered, in the case of the City, to the City at City Hall, attention Comptroller, and, in the case of the agent or the Banks to the Agent at 231 South LaSalle Street, Chicago, Illinois 60693, attention Public Finance Department.

(i) This Agreement supersedes the Revolving Credit Agreement dated as of June 15, 1980 (the "1980 Agreement") by and among the City, the Agent and the banks named therein, and the commitments of such banks to make loans to the City pursuant to the 1980 Agreement are hereby terminated.

In Witness Whereof, the parties to this Agreement have caused it to be executed by their respective authorized officers as of the day and year first above written.

The following is said ordinance as passed:

WHEREAS, The City of Chicago is a home rule unit authorized by the Illinois Constitution of 1970 to exercise any power and perform any function pertaining to its government and affairs, including, but not limited to, the power to regulate for the protection of the public health, safety, morals and welfare, the power to incur debt, and the power to tax; and

WHEREAS, The City Council of the City of Chicago has declared the existence of commercial areas which are presently blighted where a major portion of the area is detrimental to the health, safety and welfare of the occupants and the welfare of the municipal community, necessitate a disproportionate expenditure of public funds for crime prevention, public health and safety, fire and accident prevention, and other public services and facilities, and fail to produce a proper share of taxes and provide adequate local employment commensurate with the capacity of said areas; and

WHEREAS, The Commercial District Development Commission was created on May 9, 1975, by Ordinance of the City Council of the City of Chicago, to provide for the eradication and elimination of blighted commercial areas and the rehabilitation and redevelopment of said areas for commercial purposes; and

WHEREAS, On March 28, 1979, the City Council of the City of Chicago approved the Resolution of the Commercial District Development Commission designating an area identified as the Blighted Commercial Area—North Loop as a blighted area in need of commercial development, as well as the Redevelopment Plan submitted by the Commission with respect to said area; and

WHEREAS, The Commercial District Development Commission has determined that a portion of the Blighted Commercial Area—North Loop bounded by State Street, Wacker Drive, Clark Street and Lake Street, exclusive of the property actually occupied by the Ryan Insurance building on the southwest corner of Wacker and Dearborn (herein called "State-Wacker Area") meets the criteria for a blighted commercial area as defined in Chapter 15.1-1 of the Municipal Code of the City of Chicago; and

WHEREAS, The Redevelopment Plan adopted and approved by the City Council on March 28, 1979 included the Redevelopment Plan for the State-Wacker Area; and

WHEREAS, The development, redevelopment or rehabilitation of the North Loop blighted commercial area contemplated utilization of a variety of funding sources, including Urban Development Action Grant, the sale or resale of land to private developers, and interim financing by the City of Chicago; and

WHEREAS, The Cook County Board of Commissioners on March 3, 1980, adopted "An Ordinance Amending The Real Property Assessment Classification Ordinance, as amended" for the purpose of encouraging and assisting new development of commercial structures, or the substantial rehabilitation of existing commercial structures, in areas that are designated as blighted areas; and

WHEREAS, There is a lack of viable industrial and commercial buildings within the State-Wacker Area which is contributing to substantial unemployment in such areas; and

WHEREAS, If existing commercial structures were improved and utilized fully, and if new commercial structures were developed, the economic well being of the County of Cook and the City of Chicago would be improved by an increase in the level of economic activity, by increased employment opportunities and by a growth in the real property tax base; and

WHEREAS, Because of the blighted or depressed condition of the State-Wacker Area, the ordinary unaided operation of private enterprise cannot accomplish the necessary modernization, rehabilitation and development and public assistance and encouragement of such private enterprise are needed; and

WHEREAS, The classification of the State-Wacker Area for property tax purposes as an area in need of the development of new commercial structures or the substantial rehabilitation of existing commercial structures is an appropriate and necessary method of providing such assistance and encouragement and will result in increasing the tax base in such area; and

WHEREAS, The Department of Planning and the Commercial District Development Commission have recommended that the City Council of the City of Chicago apply to the Cook County Assessor and request certification of the State-Wacker Area for Class 7 designation as "an area in need of commercial development";

The City Council of the City of Chicago hereby finds as follows:

A. The property located within the State-Wacker Area has been duly designated as part of a blighted area in need of commercial development by the Commercial District Development Commission, which designation was approved by the City Council of the City of Chicago on March 28, 1979 and as a blighted area itself by designation approved by the City Council of the City of Chicago on March 31, 1981; and

B. Real estate taxes within the State-Wacker Area have declined, remained stagnant or potential real estate taxes are not being fully realized due to the depressed condition of the area; and

C. There is a reasonable expectation that the development, redevelopment or rehabilitation of the State-Wacker Area is viable and likely to go forward on a reasonably timely basis if Class 7 designation is granted pursuant to the provisions of "An Ordinance Amending the Real Property Assessment Classification Ordinance, as amended" adopted by the Cook County Board of Commissioners on March 3, 1980; and

D. Certification of the State-Wacker Area for Class 7 designation will materially assist development, redevelopment or rehabilitation of the area and such development, redevelopment or rehabilitation would not go forward without such certification; and

E. Certification of the State-Wacker Area for Class 7 designation is reasonably expected to ultimately result in an increase in real property tax revenues and employment opportunities within the area; now, therefore,

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. The City Council of the City of Chicago does hereby request certification of the State-Wacker Area for designation as a Class 7 "area in need of commercial development" for assessment purposes pursuant to the provisions of "An Ordinance Amending the Real Property Assessment Classification Ordinance, as amended" adopted March 3, 1980 by the Cook County Board of Commissioners. This request supersedes the ordinance passed by the City Council on July 8, 1980 requesting certification of the entire blighted commercial area—North Loop.

SECTION 2. The ordinance of March 28, 1979, approving the Redevelopment Plan submitted by the Commission with respect to the Blighted Commercial Area—North Loop is hereby reaffirmed as the redevelopment plan for the State-Wacker Area to the extent it is applicable.

SECTION 3. The Mayor of the City of Chicago is hereby authorized to execute any and all documents required in connection with the foregoing request for certification.

SECTION 4. The Chairman of the Commercial District Development Commission is hereby authorized and directed to deliver a certified copy of this Ordinance to the Cook County Assessor and to furnish such additional information as may be required in connection with the application for certification of the State-Wacker Area for Class 7 designation as an "area in need of commercial development".

SECTION 5. This ordinance shall be in full force and effect from and after its passage.

Be It Ordained by the City Council of the City of Chicago:

SECTION 1. In accordance with the findings and recommendations of the Committee on Finance of the City Council pursuant to a properly noticed public hearing heretofore held on this Ordinance by said Committee, $55,000,000 shall be temporarily borrowed in advance of permanent financing for the purpose of providing interim financing for a portion of the North-Loop Redevelopment Project Costs, and in evidence of such temporary borrowing $55,000,000 aggregate principal amount of General Obligation Bond Anticipation Notes of the City (the "Notes") shall be issued. It is hereby found and determined that such temporary borrowing in advance of permanent financing is necessary for the welfare of the government and affairs of the City, is for a proper public purpose for which the City may authorize and issue its general obligation bonds and is in the public interest.

SECTION 2. The Notes shall be designated "General Obligation Bond Anticipation Notes, Series of April, 1981", shall be dated April 1, 1981, shall be issued as coupon Notes, registrable as to principal only, in denominations of $5,000 or any integral multiple thereof, shall be numbered consecutively from one upwards, shall mature on October 1, 1982, and shall bear interest from their date until the principal sum is paid or provided for at the rate of eleven percent (11%) per annum or such lesser rate as shall be established pursuant to Section 9 hereof, computed on the basis of a 360-day year.

Interest on the Notes shall be payable on October 1, 1981, April 1, 1982 and at maturity, but only upon presentation and surrender of the interest coupons attached thereto as they severally become due. Both principal of and interest on the Notes shall be payable in lawful money of the United States of America at the office of the City Treasurer of the City (the "City Treasurer") in Chicago, Illinois, or, at the option of the holder, at the office of Morgan Guaranty Trust Company of New York in New York, New York.

Each Note shall be executed by the manual or facsimile signatures of the Mayor of the City (the "Mayor") and the City Comptroller of the City (the "City Comptroller"), attested by the manual signature of the City Clerk or Deputy City Clerk, and shall have the corporate seal of the City affixed, impressed or printed thereon. In case any officer of the City whose manual or facsimile signature appears on a Note or interest coupon shall cease to be such officer before the delivery of such Note or interest coupon, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

SECTION 3. The Notes shall pass by delivery, unless registered, and any Note may be registered as to principal only in the name of the owner on the registry books of the City Comptroller, such registration being noted on each Note so registered, after which registration only such registered owner, or the legal representative of such owner, shall be entitled to receive the principal thereof, and after such registration no transfer thereof shall be valid unless noted on such registry books and similarly noted on the Note, unless the last registration is to bearer, after which it shall be transferably by delivery, but may be again registered as before. Such registration, however, shall not affect the negotiability of the interest coupons by delivery.

SECTION 4. Each Note, interest coupon and form of registration shall be in substantially the following form:

SECTION 5. Each Note shall be a direct general obligation of the City to the payment of which (as to both principal and interest) the City pledges its full faith and credit. Each Note shall be payable (both as to principal and interest) from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose, or any combination thereof, including, but not limited to, (i) proceeds of the anticipated sale and issuance, prior to the maturity of the Notes, of general obligation bonds, general obligation bond anticipation notes or other debt obligations sold and issued to refund the Notes (the "Refunding Securities") and (ii) proceeds of loans (the "Loans") made pursuant to a Credit Agreement, dated as of April 1, 1981, in substantially the form attached hereto as Exhibit A (the "Agreement"), providing for borrowings by the City, subject to compliance by the City with the various conditions set forth in the Agreement, of up to $57,500,000 for the purpose of paying the principal of and interest on the Notes when due, among the City, the banks named therein (the "Banks") and Continental Illinois National Bank and Trust Company of Chicago, as agent for said banks (the "Agent"). The City hereby authorizes the issuance of up to $57,500,000 principal amount of general obligation bonds for the purpose of paying or providing for payment of all or part of the Notes when due and covenants and agrees to (i) approve an ordinance in substantially the form of Exhibit C to the Agreement, with appropriate insertions, such approval to be prior to the maturity of the Notes, and (ii) to use its best efforts to sell and issue such bonds prior to the maturity of the Notes in accordance with the conditions set forth in the Agreement.

SECTION 6. The City shall appropriate amounts sufficient to pay principal of and interest on the Notes for the years such amounts are due, but, if for any such year it fails to do so, this Ordinance shall constitute a continuing appropriation ordinance of such amounts without any further action on the part of the City Council.

SECTION 7. There is hereby established a special account, separate and segregated from all other funds and accounts of the City, to be designated "Special Escrow for Payment of City of Chicago General Obligation Bond Anticipation Notes, Series of April, 1981" (the "Escrow Account"), said Escrow Account to be maintained with Continental Illinois National Bank and Trust Company of Chicago, Chicago, Illinois, as escrow agent (the "Escrow Agent"), pursuant to an agreement entitled "Escrow Agreement (General Obligation Bond Anticipation Notes, Series of April, 1981)" (the "Escrow Agreement") between the City and the Escrow Agent in substantially the form attached hereto as Exhibit B.

SECTION 8. The City Treasurer is hereby ordered and directed to deposit (a) a part of the proceeds of the sale of the Notes which, together with any accrued interest received, shall be sufficient to pay the interest to become due on the Notes on October 1, 1981 and April 1, 1982, as provided in Section 9 hereof, (b) proceeds of the Refunding Securities and Loans, if any, and (c) other moneys into the Escrow Account in accordance with the terms of the Escrow Agreement. Moneys so deposited in the Escrow Account shall be invested in accordance with the Escrow Agreement and shall be used solely and only for the purpose of paying principal of and interest on the Notes so long as any Notes remain outstanding. The City hereby pledges, as security for the Notes, all moneys deposited into the Escrow Account for the sole benefit of the holders of the Notes and said holders shall have a first and prior lien upon all such moneys but only after such moneys are deposited in the Escrow Account and only until the principal of and interest on the Notes are paid in full or until such moneys are withdrawn or removed from the Escrow Account pursuant to the Escrow Agreement. On each interest payment date, moneys in the Escrow Account shall be transferred in accordance with the Escrow Agreement.

In the event that proceeds of the Refunding Securities and Loans, if any, are not available in time to make any payments of principal of or interest on the Notes when due, then the fiscal officers of the City are hereby directed to make such payments in accordance with the Escrow Agreement from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Notes as the same become due.

SECTION 9. The City Comptroller is hereby authorized to sell the Notes, with the concurrence of the Chairman of the Committee on Finance of the City Council, either pursuant to advertised notice and the receipt of sealed bids, such sale to be on the basis of not less than par and the lowest interest cost to the City, or pursuant to a negotiated sale at a price of not less than par and on such terms as he may deem to be in the best interests of the City; provided that, in either case, the interest rate for the Notes shall not exceed the rate specified in Section 2 hereof. Subsequent to such sale, the City Comptroller shall file in the office of the City Clerk a notification of sale directed to the City Council setting forth the name of the purchaser or purchasers of the Notes, the terms of the sale, and the interest rate of the Notes, and thereafter the Notes shall be duly prepared and executed in the form and manner provided herein and delivered to the City Treasurer for delivery to the purchaser or purchasers in accordance with the terms of sale. In the event that the Notes are sold bearing an interest rate less than the rate specified in Section 2 hereof, then the City Comptroller shall include in the notification of sale referred to above further information to indicate the amount of reduction in interest cost to the City resulting from such sale at a lower rate of interest.

Simultaneously with the delivery of the Notes, the sale proceeds (after payment of costs of issuance) shall be applied as follows: (i) an amount which, together with any accrued interest received, will be sufficient to pay the interest becoming due on the Notes on October 1, 1981 and April 1, 1982 shall be deposited in the Escrow Account under the terms of the Escrow Agreement, and (ii) the remaining proceeds shall be used to pay or reimburse the City for payment of North-Loop Redevelopment Project Costs and pending such use shall be deposited in a special account, to be maintained under the control and supervision of the City Comptroller and the City Treasurer with Continental Illinois National Bank and Trust Company of Chicago, separate and segregated from all other funds and accounts of the City.

It is hereby declared to be the policy of the City that the public be fully informed with respect to persons who benefit directly or indirectly from the disbursements of proceeds of the Notes in connection with the City's acquisition of properties for the North-Loop Redevelopment Project. No disbursement for the acquisition of any such properties shall be authorized or paid unless a disclosure statement shall have been filed with the City Clerk setting forth in such form and detail as shall be acceptable to the City Comptroller and the Corporation Counsel, the following information: (1) the name of each person who is the beneficial owner, or who was subsequent to January 1, 1979 a beneficial owner, directly or indirectly, of an interest in such property; (2) the name of each affiliate and associate of any person named in (1) above who is or, subsequent to January 1, 1979, was a beneficial owner of such an interest; (3) a description of the nature of such interest and, in the case of any joint or co-ownership interest, the percentage or participating share of each person, affiliate and associate; (4) a description of each sale or other transfer of any such interest in such property from and after January 1, 1979, including the dates thereof, the consideration paid, the names and addresses of the parties to the transactions and other material terms of the transactions. Such statement shall be signed under oath by the person to whom the City proposes to disburse and shall be a public record. In the event such person does not have, and after diligent efforts is unable to obtain, all of the information required to be set forth, he may so state in the statement, in which event the Corporation Counsel shall take such action and do such things as he deems appropriate under applicable law in order to discover the information which has not been set forth. A report of the Corporation Counsel setting forth his findings shall be filed with the City Clerk and shall be a public record. In the event the disclosure statement, as supplemented by the report of the Corporation Counsel, does not set forth all of the information required with respect to a particular property, the disbursement of such proceeds for such property shall be made only upon the specific authorization of the City Council by ordinance. Certain terms used herein shall have the meanings set forth in Exhibit C hereto.

SECTION 10. The City covenants that it will take no action in the investment of the proceeds of the Notes which would result in making the interest payable on any of the Notes subject to federal income taxes by reason of the Notes being classified as "arbitrage bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended.

SECTION 11. The Escrow Agreement in substantially the form attached hereto as Exhibit B, shall be entered into and the same is hereby approved and shall be executed for and on behalf of the City by the Mayor, the City Treasurer and the City Comptroller, attested by the City Clerk or Deputy City Clerk, and shall have the corporate seal of the City affixed thereto.

SECTION 12. The Agreement, in substantially the form attached hereto as Exhibit A, shall be entered into and the same is hereby approved and shall be executed for and on behalf of the City by the Mayor and the City Comptroller, attested by the City Clerk or Deputy City Clerk, and shall have the corporate seal of the City affixed thereto.

SECTION 13. The Mayor and the City Comptroller are authorized to borrow, on or after September 28, 1982 and on or before October 1, 1982, pursuant to this Ordinance and the Agreement, such moneys as the City may request in order to pay when due the principal of and interest on all or part of the Notes, such borrowing not to exceed $57,500,000 in aggregate principal amount and to be evidenced by the issuance of Term Notes (the "Term Notes") as provided herein. Such borrowing shall be requested in the manner set forth in the Agreement and shall be conditioned upon delivery of a certificate signed by the City Comptroller and the City Treasurer of the City dated the date of such borrowing, which certificate shall set forth the principal amount of such borrowing and shall be filed in the office of the City Clerk and the office of the Committee on Finance of the City Council and copies of such certificate shall be delivered to each member of the City Council at least two days before the date of such borrowing.

SECTION 14. Each Term Note shall be designated "General Obligation Term Note, Series 1982-A", shall be dated its date of issuance, shall be payable in five equal annual installments of principal on November 15 in each of the years 1983 through 1987, and shall bear interest until paid on the principal amount from time to time outstanding at a rate, during each calendar month in which such Term Note is outstanding, equal to 65% of the Agent's Prime Rate in effect on the first day of such month, computed for actual days elapsed on the basis of a 365 or 366-day year as appropriate; provided, however, that during the first calendar month in which any Term Note is outstanding the interest rate on such Term Note shall be equal to 65% of the Agent's Prime Rate in effect on its date of issuance. The "Agent's Prime Rate" shall mean at any time the rate of interest per annum then most recently announced by the Agent as its prime rate for 90-day unsecured commercial loans in Chicago, Illinois. Interest on the Term Notes shall be payable at a rate equal to the Agent's Prime Rate as provided in the Agreement for any period during which interest thereon is required to be included in the gross income of the holder for Federal income tax purposes.

Interest on each Term Note shall be payable on May 15, 1983 and each November 15 and May 15 thereafter until the principal thereof is paid in full. Each Term Note may be prepaid at any time, in whole or in part, without premium or penalty, at the option of the City, upon one day's prior notice to the Banks, as provided in the Agreement; provided, however, that on or prior to the date of any such prepayment the City Comptroller and the City Treasurer shall have signed and filed in the office of the City Clerk and the office of the Committee on Finance of the City Council a certificate setting forth the amount of such prepayment, together with accrued interest thereon.

Each Term Note shall be executed by the manual or facsimile signatures of the Mayor and the Comptroller, attested by the manual signature of the City Clerk or the Deputy City Clerk and shall have the corporate seal of the City affixed thereto. In case any officer of the City whose manual or facsimile signature shall appear on a Term Note shall cease to be such officer before the delivery of such Term Note, such manual or facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer shall have remained in office until delivery. The Mayor and City Comptroller shall file or have filed with the Secretary of State of Illinois their manual signatures certified by them pursuant to the Uniform Facsimile Signature of Public Officials Act, as amended, and the use of the facsimile signatures of such persons to execute the Term Notes is authorized pursuant to such filing.

SECTION 15. Each Term Note shall be in substantially the following form:

SECTION 16. Each Term Note shall be a direct general obligation of the City to the payment of which (as to both principal and interest) the City pledges its full faith and credit. Each Term Note shall be payable (both as to principal and interest to the date of payment) from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose. The City covenants and agrees that the City shall on or before December 31, 1982 levy for the years 1982 through 1986 ad valorem taxes without limitation as to rate or amount against all taxable property situated within the City for the purpose of paying

when due the principal of and unpaid interest on all such Term Notes, in which event such Term Notes shall be payable from the proceeds of such taxes in addition to the other sources identified in this Section 16.

SECTION 17. Any taxes levied pursuant to the covenant contained in Section 16 hereof shall be for the purpose of providing funds for payment of principal of and unpaid interest on the Term Notes with respect to which such taxes are levied on the basis of the following assumptions: (i) that the applicable rate of interest payable on each such Term Note so long as any such Term Note is thereafter outstanding shall be equal to 65% of the Agent's Prime Rate in effect on November 1, 1982; and (ii) that no prepayments of the Term Notes will be made subsequent to the date such taxes are levied. The City covenants and agrees that in the event the taxes so levied for any such year (i) were less than the amount required to pay principal of and interest on the Term Notes in the current year or (ii) are reasonably anticipated to be less than such required amount in the next succeeding year, it shall pass such supplemental tax levies as shall from time to time appear to be sufficient to provide sufficient moneys to pay in full the principal of and interest on the Term Notes or to replenish any funds of the City previously used for such purpose. In the event that taxes levied pursuant to the covenant contained in Section 16 hereof and this Section 17 and collected in any year shall remain on hand, after all principal and interest due on the Term Notes in such year have been paid when due, such taxes shall be deposited and retained in the escrow account required to be established pursuant to the Agreement. In the event that no supplemental tax levy is required hereunder and it appears that the taxes levied pursuant to the covenant contained in Section 16 hereof and this Section 17 and to be collected in the next succeeding year will exceed the amount required to pay principal and interest due on the Term Notes during such succeeding year, such taxes shall be abated as hereinafter set forth; provided, however, that such abatement shall not in any event be greater than the amount then on deposit in such escrow account. Prior to the last date on which certificates of tax abatement with respect to the taxes so levied are permitted by the County Clerks of Cook and DuPage Counties to be filed, the City Comptroller shall, on or prior to such date, file certificates of tax abatement with respect to the taxes so levied in the offices of such County Clerks and shall concurrently file copies thereof in the office of the City Clerk and the office of the Committee on Finance of the City Council. Such certificates shall refer to the amount of taxes so levied for the payment of principal of and interest on such Term Notes and shall indicate the amount of principal and interest thereon which, by reason of such amount on deposit in the escrow account, is not expected to be required to be repaid from the proceeds of taxes so levied, which amount is to be abated from the taxes so levied and, further indicating the remainder of such taxes so levied which are to be extended for collection by said County Clerks. In the event proceeds of taxes so levied are not available in time to meet any payments of principal of and interest on the Term Notes, then the fiscal officers of the City are hereby directed to make such payments from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in advancement of the collection of the taxes so levied and when the proceeds of such taxes are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Term Notes as the same become due.

SECTION 18. The City shall appropriate amounts sufficient to pay principal of and interest on the Term Notes for the years such amounts are due, but, if for any such year it fails to do so this Ordinance shall constitute a continuing appropriation ordinance of the amounts necessary to pay principal of and interest on the Term Notes as provided herein and in the Agreement without any further action on the part of the City Council. In particular, but not in limitation of the foregoing, there is hereby appropriated amounts sufficient (a) to pay principal of and interest on the Term Notes as and when the same become due and (b) to prepay the principal of such Term Notes in the event the City elects to prepay such Term Notes as provided in this Ordinance. The appropriate officers of the City are hereby ordered and directed to make such payments.

SECTION 19. This Ordinance is made pursuant to the powers of the City as a home rule unit under Article VII of the 1970 Illinois Constitution. The appropriate officers of the City are hereby authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consummate the transactions contemplated by this Ordinance, the Notes, the Escrow Agreement, the Term Notes and the Agreement.

SECTION 20. The Mayor and the City Comptroller may each designate another to act as their respective proxies and to affix their respective signatures to the Notes, the Term Notes, the Agreement, the Escrow Agreement, and any other instrument, certificate or document required to be signed by the Mayor or the City Comptroller pursuant to this Ordinance, the Agreement, or the Escrow Agreement. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxies for the Mayor and the City Comptroller, respectively. A written signature of the Mayor or of the City Comptroller, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signatures attached, shall be recorded in the Journal of the Proceedings of the City Council and then filed with the City Clerk. When the signature of the Mayor is placed on an instrument, certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the signature of the City Comptroller is so affixed to an instrument, certificate or document at the direction of the City Comptroller, the same, in all respects, shall be binding on the City as if signed by the City Comptroller in person.

SECTION 21. To the extent that any statutes, ordinances, resolutions, rules or orders, or parts thereof, are in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any provision of this Ordinance shall be prohibited by or invalid under Illinois or Federal law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Ordinance. This Ordinance shall be published by the City Clerk by causing to be printed in pamphlet form at least 100 copies hereof, which copies, are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this Ordinance, and this Ordinance shall be in full force and effect from and after its passage, approval by the Mayor and publication as provided by law.

Now, Therefore, in consideration of the mutual agreements herein contained, the parties hereto agree as follows:

1. *Representations and Warranties.* To induce the Banks to make the Loan Facility available and to accept the Notes provided for herein and in the Ordinance, the City represents and warrants that:

(a) *Authority of the City.* The City is a body politic and corporate duly organized and validly existing as a home rule unit within the meaning of Section 6(a) of Article VII of the Constitution of the State of Illinois. The City has full legal right, power and authority (i) to possess its properties and conduct its affairs, (ii) to adopt the Ordinance, (iii) to enter into this Agreement, (iv) to borrow money from the Banks for the purpose set forth in the Ordinance and this Agreement, and to issue, execute and deliver the Notes in evidence of such borrowing as provided in this Agreement and the Ordinance, (v) to secure and provide for payment of the Notes in the manner provided in the Ordinance, this Agreement and the Notes, (vi) to make the representations and covenants made by it in the Ordinance, this Agreement and the Notes, (vii) to perform its other obligations contemplated under the Ordinance, this Agreement and the Notes, (viii) to issue, execute, sell and deliver the BAN's as provided in the Ordinance and to apply the proceeds of the BAN's for the purposes set forth in the Ordinance, and (ix) to authorize, issue, execute, sell and deliver the Bonds for the purpose hereinabove set forth. With respect to obtaining the Loan Facility and the issuance of the BAN's and the Notes, the City has complied and will comply with all applicable provisions of law, including the Ordinance in all matters relating to the transactions contemplated hereby.

(b) *Validity of Ordinance, Agreement and Notes.* The Ordinance has been duly adopted by the City at a meeting of the Council which was duly called, noticed and held, and the Ordinance has not been altered or amended and is in full force and effect. The City has duly authorized (i) the execution, delivery and performance of this Agreement, (ii) the issuance, execution, sale, delivery and due performance of the Notes, and (iii) the taking of any and all such action as may be required on the part of the City to carry out, give effect to and consummate the transactions contemplated by the Ordinance, the Notes and this Agreement. When executed and delivered by the City, the Notes will constitute legal, valid and binding general obligations of the City enforceable in accordance with their terms, to the payment of which the full faith and credit of the City has been pledged, and the Banks will be entitled to the benefits and security of the Ordinance, the Notes and this Agreement.

(c) *Validity of BAN's.* The City has duly authorized (i) the issuance, execution, sale, delivery and due performance of the BAN's and (ii) the taking of any and all action as may be required on the part of the City to carry out, give effect to and consummate the transactions contemplated by the Ordinance and the BAN's. When duly executed and delivered by the City, the BAN's will constitute legal, valid and binding general obligations of the City enforceable in accordance with their terms, to the payment of which the full faith and credit of the City has been pledged.

(d) *Litigation.* Except as stated in a certificate of the Corporation Counsel of the City furnished to the Banks, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, or before or by any court, public board or body, pending against or, to the best of the knowledge of the City, threatened against the City (nor to the best of the knowledge of the City is there any basis therefor), which in any way questions the validity of the Ordinance, the powers of the City referred to in Section 1(a) above, or the validity of any proceeding taken or to be taken by the City in connection with the issuance, execution, sale and delivery of the BAN's, the Notes or the Bonds or wherein an unfavorable decision, ruling or finding would in any way materially and adversely affect the transactions contemplated by this Agreement and the Ordinance or materially and adversely affect the ability of the City to fulfill its obligations under the Ordinance, this Agreement, the Notes, the BAN's, or the Bonds and to levy ad valorem taxes unlimited as to rate and amount against all taxable property within the City sufficient to pay the principal of and interest on the Notes or the Bonds or which in any way would materially and adversely affect the validity or enforceability of the Ordinance, this Agreement, the Notes, the BAN's or the Bonds (or of any other instrument required or contemplated for use in consummating the transactions contemplated by this Agreement and the Ordinance) or the exemption of the interest on the Notes, the BAN's or the Bonds from Federal income taxation.

(e) *Legislation.* Except as stated in a certificate of the City Comptroller furnished to the Banks, to the best knowledge of the City, there is no legislation pending before the Illinois General Assembly (or adopted by it and awaiting action by the Governor) or the Congress of the United States or ordinance pending before the Council which would affect or limit the right, power or authority of the City to adopt the Ordinance, to enter into this Agreement, to issue the Notes, the BAN's or the Bonds or to perform its obligations under the Ordinance, this Agreement, the Notes, the BAN'S or the Bonds or which in any way would materially and adversely affect the validity of any of the foregoing instruments (or any instrument required or contemplated for use in consummating the transactions contemplated thereby), nor is there any such legislation or ordinance which is not introduced for action in the General Assembly or Congress or before the Council, but which to the knowledge of the City is proposed to be so introduced and has been reduced to a written draft.

(f) *Permits and Approvals.* Except as required by the Ordinance, no approval, permit, consent, or authorization of, or registration or filing with, any governmental or public agency, authority or body not already obtained or made is required on the part of the City in connection with the execution, issuance, sale and delivery of the Notes, the BAN's or the Bonds or the execution and delivery by the City of this Agreement or, except as contemplated herein or in the Ordinance, the performance of its obligations under the Ordinance, this Agreement, the Notes, the BAN's or the Bonds.

(g) *No Conflicts.* The adoption of the Ordinance, the execution and delivery by the City of this Agreement, the Notes, the BAN's and the Bonds, and compliance with the provisions of each of such instruments, will not conflict with, result in a breach of any provision of, or constitute a default under, any ordinance, resolution, indenture, commitment, agreement or other instrument adopted by the City or to which the City is a party or by which it is bound, or under any provision of the Constitution of the State of Illinois or any existing law, rule, regulation, judgment, order or decree to which the City (or any of its officers in their respective capacities as such) is subject.

(h) *No Defaults.* The City is not in default in the payment of principal of, premium, if any, or interest on, or otherwise in default in any material manner with respect to, any general obligation indebtedness for borrowed money (including, without limitation, bonds, notes or certificates of indebtedness), lease rental obligations to the Public Building Commission of Chicago, or water revenue obligations which it has issued, assumed or guaranteed, or for which it has otherwise become obligated, as to payment of principal, premium, if any, or interest.

(i) *Financial Statements.* The City has provided the Banks with the financial statements of the City for the fiscal year ended December 31, 1979, audited by Peat, Marwick, Mitchell & Co., independent certified public accountants, together with certain additional financial information constituting Part II of Appendix A to the Official Statement of the City dated April ...., 1981, a copy of which has previously been provided to the Banks. Except as the Comptroller of the City has otherwise advised the Banks in writing, all such financial statements have been prepared in accordance with generally accepted accounting principles, applied on a consistent basis throughout the periods specified therein. Such financial statements, including in each case any related notes, are true, complete and correct in all material respects and present fairly the financial position of the City as at each balance sheet date and the results of its operations and changes in financial position for the periods covered thereby. Except as stated in a certificate previously provided by the City to the Banks and signed by the Comptroller of the City, and as otherwise disclosed in such Official Statement, no material adverse change has occurred in the financial position of the City or results of its operations since December 31, 1979. The City has also provided the Banks with certain unaudited quarterly financial reports for the quarter ended December 31, 1980 including statements of actual cash flow through December 31, 1980, preliminary actual cash flow through February 28, 1981 and projected cash flow through December 31, 1981. Such financial reports and cash flow statements are based on the best information ascertainable by the City as of the date hereof, and the cash flow projections are based on various assumptions as to future events and circumstances which the City believes to be reasonable.

(j) *Official Statement.* Except as the City Comptroller has otherwise advised the Banks in writing, the Official Statement of the City dated April ...., 1981 did not (as of the date thereof) contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

2. *General Conditions Concerning Loans and Notes; Reduction or Termination of Standby Facility.*

(a) Subject to the terms and conditions of this Agreement, each Bank severally agrees to lend to the City on or after September 28, 1982, but not later than October 1, 1982, its proportionate share, equal to such Bank's Percentage of Aggregate Commitment as set forth on the signature pages hereof, of such amount not exceeding $57,500,000 as the City may request be loaned under this Agreement. The amount requested by the City to be loaned shall be in multiples of $100,000. The City shall give the Banks at least three business days prior written notice of a proposed borrowing under this Agreement. Upon such notice and upon fulfillment of the conditions described in Section 3 of this Agreement and delivery to the Agent of a separate Note or Notes (in such denominations as the Agent may request) payable to each Bank in an aggregate principal amount equal to such Bank's Percentage of Aggregate Commitment of the proposed borrowing, as provided in Section 4 of this Agreement, each Bank shall pay to the Agent funds equal to such Bank's Percentage of Aggregate Commitment of the proposed borrowing, and the Agent shall thereupon pay or cause to be paid to the City the sum so to be borrowed, but, with respect to any Bank other than the Agent, the Agent shall be so obligated only to the extent that the Agent shall have received funds from such Bank as above provided.

(b) The Agreement shall terminate at the close of business on October 1, 1982, or if Notes are issued hereunder at such later time as all Notes are paid in full as to both principal and interest.

(c) All payments to be made pursuant to this Agreement shall be in Federal funds or other immediately available funds.

(d) The Commitments of the Banks set forth on the signature pages hereof shall be reduced pro rata in proportion to any payment or provision for payment of principal of or interest due at maturity on the BAN's. For purposes of the preceding sentence, deposit of moneys in the Note Escrow Account (as defined in the Ordinance) shall be deemed to be provision for payment. This Agreement and the obligations of the Banks to lend money to the City hereunder shall terminate prior to October 1, 1982 (i) upon the payment in full of the BAN's from sources other than from proceeds of the Notes, (ii) upon the deposit in said Note Escrow Account of an amount sufficient to provide for the payment in full of the BAN's at maturity or (iii) as provided in Section 9(a) of this Agreement.

3. *Specific Conditions Precedent to Loans and Issuance of Notes.*

The following shall be conditions precedent to the making of the loans and the issuance of the Notes under this Agreement:

(a) Immediately prior to the making of the loans and the issuance of the Notes pursuant to this Agreement, the City shall deliver to the Agent, in sufficient number of counterparts to provide the Agent and each Bank with one such counterpart, the following documents, addressed to the Banks, in care of the Agent and dated the date of the loans:

(i) A certified copy of the Ordinance as adopted by the Council, approved by the Mayor of the City, and published as provided by law;

(ii) An opinion of bond counsel acceptable to the Banks, in substantially the form of Exhibit A to this Agreement;

(iii) An opinion of the Corporation Counsel of the City, substantially the form of Exhibit B to this Agreement;

(iv) A certificate or certificates of the Mayor of the City and the Comptroller of the City: (A) stating that the representations and warranties of the City set forth in Section 1 hereof are true and correct on and as of the date of such Certificate; (B) regarding the incumbency and term of office of each official of the City whose manual or facsimile signature appears on the Notes, this Agreement, the BAN's or any certificate or other document required to be delivered pursuant to this Agreement; and (C) stating that no event of default, as defined in Section 9 of this Agreement, and no event which, with the lapse of time or the giving of notice or both, would constitute such an event of default, has occurred and is continuing.

(v) An arbitrage certificate signed by the Mayor and the Comptroller of the City in form acceptable to bond counsel.

(vi) A certificate signed by the City Comptroller and the City Treasurer as required by Section 13 of the Ordinance.

(b) Within thirty days prior to the date of maturity of the BAN's, (i) the Council shall have adopted an ordinance authorizing the issuance and sale of the Bonds in substantially the form of Exhibit C hereto; and (ii) the City shall have invited public bids for the sale of the Bonds in the aggregate principal amount necessary to pay the principal of and accrued and unpaid interest on the BAN's by publishing a notice of sale of the Bonds in the Daily Bond Buyer or other daily financial newspaper acceptable to the Agent, and shall have failed to receive any bid for the Bonds in response to such invitation at a Reasonable Interest Cost. As used herein "Reasonable Interest Cost" shall mean average annual net interest cost to the City not in excess of the then most recently published "Bond Buyer Index of Municipal Bond Average Yields—20 Bonds", plus 250 basis points. Such invitation for bids shall specify (i) that the Bonds shall constitute full faith and credit general obligation Bonds of the City, (ii) that prior to the issuance thereof the City shall have levied ad valorem taxes against all taxable property situated within the City without limit as to rate or amount sufficient to pay when due the principal of and interest on the Bonds and (iii) that the City shall deliver with the Bonds the unqualified approving opinion of nationally recognized bond counsel regarding the Bonds. Such invitation for bids shall not specify a maximum rate of interest.

(c) The proceeds of the Notes shall immediately be deposited into the Note Escrow Account in accordance with the Ordinance and used solely for the purpose of paying the principal of and accrued interest on the BAN's.

(d) Notwithstanding any other provision of this Agreement, no loan shall be required to be made under this Agreement if, and as long as, any condition precedent to the making of the loan shall not have been satisfied or if, and as long as, any event of default described in Section 9 of this Agreement, or any event which, with the lapse of time or the giving of notice or both, would constitute such an event of default, shall have occurred and be continuing.

4. *Notes Evidencing Obligation to Repay Borrowings.*

(a) Loans under this Agreement shall be evidenced by Notes of the City substantially in the form set forth in the Ordinance, with appropriate insertions in the appropriate spaces, and dated the date of the loans evidenced by such Notes. The Notes shall be payable to each Bank as to principal and interest, at the office of the Agent at 231 South LaSalle Street, Chicago, Illinois 60693. Principal of the Notes shall be payable in five equal annual installments on November 15 in each of the years 1983 through 1987. Interest on the Notes shall be payable as provided in Section 5 of this Agreement.

(b) Each Note shall be executed in the name of the City by the Mayor of the City and by the City Comptroller by their manual or facsimile signatures, shall be attested by the manual or facsimile signature of the (Deputy) City Clerk and shall be sealed with the corporate seal of the City.

(c) Each Note shall be a direct and general obligation of the City to the payment of which (as to both principal and interest) the City pledges its full faith and credit. The Notes shall be payable (both as to principal and interest to the date of payment) (i) from any moneys, revenues, receipts, income, assets or funds of the City legally available for such purpose; and (ii) from the proceeds of ad valorem taxes levied by the City without limitation as to rate or amount against all taxable property situated within the City sufficient to pay when due the principal of and interest on the Notes. Such taxes shall be levied so as to be collectible beginning with the first installment of real property taxes in 1983.

(d) Upon payment in full of principal of and interest on any Note, the Note shall be cancelled and surrendered to the City. Payments of principal installments and prepayments of principal of each Note shall be noted on the back of the Note by the holder thereof.

5. *Interest.*

(a) The Notes shall bear interest from the date thereof until paid. Except as provided in paragraph (b) of this Section 5, the interest rate on all the Notes shall be equal during each calendar month that the Notes are outstanding and unpaid to 65% of the Agent's Prime Rate in effect on the first day of such month; provided, however, that during the first calendar month that the Notes are outstanding such rate shall be equal to 65% of the Agent's Prime Rate in effect on the date of issuance of the Notes. The Agent shall notify the City within the first three business days of any calendar month of any change in the Agent's Prime Rate from the applicable rate during the preceding month. The failure of the Agent timely so to notify the City of any change in the Agent's Prime Rate shall not affect the obligation of the City to pay interest at such changed rate as long as such notice is given prior to payment of such interest. The "Agent's Prime Rate" shall mean the rate per annum then most recently announced by the Agent as its Prime Rate for 90-day unsecured commercial loans in Chicago, Illinois.

(b) Notwithstanding the provisions of paragraph (a) of this Section 5, the interest to be paid on any Note shall be at a rate equal during each month that such Note is outstanding and unpaid to the Agent's Prime Rate in effect on the first day of such month or, in the case of the first month during which such Note is outstanding, to the Agent's Prime Rate in effect on the date of issuance of such Note (the "Taxable Rate") for any period during which interest on such Note is required to be included in the gross income of any Bank for Federal income tax purposes. No Bank shall include interest on any Note in its gross income for Federal income tax purposes, or enter into any settlement agreement with the United States Internal Revenue Service whereby interest on any Note will be so includable, in whole or in part, without first having given notice to the City of the reasons for so including or agreeing to include interest in the gross income of such Bank and permitting the City, at its option and at its own expense, to challenge on behalf of or, at the option of such Bank, in conjunction with such Bank, any determination or decision of the Internal Revenue Service requiring interest so to be included in gross income for Federal income tax purposes. Promptly after such interest has been required to be included in the gross income of any Bank for Federal income tax purposes, or upon such Bank entering into a settlement agreement providing for such inclusion of such interest, the City shall pay to the Bank, the difference between (i) the interest, if any, which has been paid on any Note held by such Bank in respect of the period during which such interest is required to be included in the gross income of the Bank for Federal income tax purposes and (ii) interest on such Note in respect of such period at the Taxable Rate.

(c) Except in connection with any prepayment or acceleration in accordance with this Agreement, or in connection with additional payments as provided in paragraph (b) of this Section 5, interest on the Notes shall be payable semiannually on May 15 and November 15 of each year until the Notes have been paid, beginning on May 15, 1983. Interest on the Notes shall be computed for actual days elapsed on the basis of a year of 365 or 366 days, as appropriate, in respect of the principal amount of the Notes outstanding and unpaid.

6. *City's Right To Prepay Notes.*

The City may, at its option, at any time or from time to time, upon one (1) day's notice to the Banks, without premium or penalty and from any funds available to it, prepay the Notes, in whole, or in part in any integral multiple of $100,000. Any such prepayment shall be accompanied by payment of the unpaid accrued interest on the principal amount so prepaid to the date of such prepayment. Any partial payment of the Notes shall be evidenced by notation on the back thereof by the holder of such Note to indicate the date of such prepayment and the amount thereof.

7. *Application of Payments.*

(a) Any prepayment of less than the total outstanding aggregate principal amount of and accrued interest on all Notes shall be applied pro rata to all of the Notes.

(b) All payments and prepayments of principal of and interest on the Notes shall be paid to the Agent for the account pro rata of the Banks entitled thereto in accordance with the provisions of this Agreement. The Agent shall immediately distribute to each Bank all payments of principal or interest received by the Agent for the account of such Bank. All amounts received by each Bank (whether as a result of payment transmitted by the City or otherwise) on account of payment of interest on or principal of the Notes shall be so applied by it to its Notes.

(c) If any of the Banks shall obtain any payment or prepayment (whether voluntary or involuntary) in respect of principal of or interest on any Note in excess of its pro rata share of payments then obtained by all Banks in respect of principal and interest on all Notes, then such Bank shall purchase from the other Banks such interest (at face value) in the Notes as shall be necessary to cause such purchasing Bank to share the excess payment received ratably with such other Banks; provided, however, that if all or any portion of the excess payment is thereafter recovered from such purchasing Bank, the purchase shall be rescinded and the purchase price restored to the extent of such recovery but without interest.

8. *Covenants.* The City hereby covenants and agrees with the Banks that during the term of this Agreement:

(a) The City shall duly and punctually pay the principal of and interest on the Notes out of the sources of payment specified in Section 4(c) hereof at the dates set forth in this Agreement and the Notes and in accordance with the terms and conditions of the Escrow Agreement provided for in Section 8(i) hereof. All amounts payable by the City to the Banks under this Agreement or the Notes shall be paid to the Agent at 231 South LaSalle Street, Chicago, Illinois 60693.

(b) The City hereby pledges its full faith and credit to the payment of the principal of and interest on the Notes and of any other amounts payable by the City to the Banks under this Agreement. The City hereby covenants and agrees that the City shall levy and provide for the collection of taxes which it is now authorized and empowered to impose, or which it may additionally hereafter be authorized and empowered to impose, including, without limitation, ad valorem taxes against all taxable property situated within the City, without limitation as to rate or amount, sufficient to pay when due the principal of and accrued interest on the Notes. In the event that Notes are issued under this Agreement, a tax levy ordinance shall be adopted by the Council not later than December 31, 1982. If the Notes are thereafter paid in whole or in part from any other funds or revenues of the City, the taxes so levied shall be abated in accordance with Section 17 of the Ordinance.

(c) The City shall appropriate by ordinance as provided by law sums sufficient to pay the Notes in full, both as to principal and interest, when due. To the extent that the City should fail to include in any appropriation ordinance (including supplements thereto) for any year an amount sufficient to pay the principal of and interest on the Notes due during such year, the Ordinance shall constitute a continuing appropriation of such amounts for such purposes, as provided in the Ordinance.

(d) The levy of taxes for the Notes shall be for the sole benefit of the holders of the Notes and the holders of the Notes shall have a claim against such levy and a first and prior lien upon all proceeds of such levy to the extent of the indebtedness outstanding under this Agreement and the Notes but only after such proceeds are deposited into the Note Escrow Account.

(e) As soon as practicable following the end of each fiscal year of the City, the City shall furnish the Banks with a comprehensive audit of the City's finances and funds by one of the eight largest national firms of independent certified public accountants selected by the City and acceptable to the Banks, together with any management letter prepared by such accountants in conjunction with such audit and addressed to the City. Upon any proposed change in accounting firms, the Chairman of the Committee on Finance of the Council shall provide to the Banks a statement as to whether the Committee on Finance has recommended or approved or disapproved of such change and stating the reasons for such recommendation, approval or disapproval. Each year-end financial statement shall be furnished to the Banks within 240 days after the last day of the City's fiscal year.

(f) The City shall prepare and furnish to the Banks the available unaudited quarterly financial reports prepared by the City for each quarterly fiscal period of each fiscal year of the City. Each quarterly report shall include a statement of revenues and expenditures for the Corporate Fund and any other fund for which such information is available, a comparison of such revenues and expenditures to such amounts as allocated to that quarter by the City based on the Annual Budget for such fiscal year, and an explanation of any unfavorable variances in excess of ten percent (10%) of the amount as allocated. Each quarterly report shall also include a quarterly cash flow statement including projected cash flow for the remainder of the unexpired budget period, a comparison of actual and projected cash flow to the projections for the fiscal year 1981 heretofore provided to the Banks, and any other information reasonably requested by the Banks. Each quarterly financial report shall be furnished to the Banks within 90 days after the last day of the quarterly fiscal period to which such report relates.

(g) It is the intention of the City and the Banks that the interest on the Notes be excluded from the gross income of the Banks for Federal income tax purposes by reason of the provisions of Section 103 of the Internal Revenue Code of 1954, as amended (the "Code"), or any substantially similar successor provision hereinafter enacted. To that end, the City covenants that it will not take any action, or omit to take any action which is lawful and within its power to take, and which, if taken or omitted, would cause interest on the Notes to become includable in the gross income of the holders thereof for Federal income tax purposes. Without limiting the foregoing, the City covenants that no funds of the City will be invested or used in such manner that would cause the Notes to be "arbitrage bonds" within the meaning of Section 103(c) of the Code and the applicable regulations promulgated thereunder, as they may be in force and applicable at the time of such investment or use.

(h) Prior to the collection of any taxes levied for payment of the Notes as provided in Section 8(b) hereof, the City shall establish a special escrow account, separate and segregated from all other funds and accounts of the City, with Continental Illinois National Bank and Trust Company of Chicago, as escrow agent (the "Escrow Agent"), to be designated "Special Escrow for City of Chicago General Obligation Term Notes (North Loop Development Project)" (the "Term Loan Escrow Account") pursuant to an ordinance of the Council and an Escrow Agreement between the City and the Escrow Agent (the "Escrow Agreement") substantially similar to the escrow agreement attached as Exhibit A to the General Obligation Term Loan Agreement dated as of April 1, 1980 between the City, the Agent and certain banks. All proceeds of taxes levied for payment of the Notes shall be deposited in the Term Loan Escrow Account in accordance with the Escrow Agreement and shall be faithfully applied to the payment of principal of and interest on the Notes. In the event that sufficient moneys are not deposited in the Term Loan Escrow Account to meet in a timely manner the required principal and interest payments on the Notes, then other moneys of the City shall be so deposited therein, at or before the time such principal and interest is due so as to provide for timely payment thereof. Moneys so deposited shall be used solely and only for the purpose of paying the principal of and the interest on the Notes and shall not be used for any other purpose so long as the Notes remain outstanding. Pending the need for the use of the moneys so deposited, the Escrow Agent shall invest the moneys so deposited in accordance with the provisions of the Escrow Agreement. To the extent that moneys for the payment of the Notes are deposited in such escrow account from other funds or revenues of the City available for that purpose, the taxes so levied may be abated in accordance with Section 17 of the Ordinance.

(i) The City agrees to make available to the public upon request at the office of the City Clerk any financial report furnished to the Banks pursuant to Sections 8(e) and (f) of this Agreement at the same time any such financial report is furnished to the Banks. It is further understood and agreed that the Banks have the right, within their own discretion, to disclose any such financial reports to third parties, to the extent permitted by applicable law, and the Banks will notify the City of any such disclosure.

(j) In consideration of the commitment of the Banks to make loans to the City hereunder, the City hereby agrees to pay to the Banks, ratably according to their respective Commitments as set forth on the signature pages hereof, a fee (herein called the "Commitment Fee") for the period commencing on the date of execution hereof and ending on the earlier of October 1, 1982 or the date of termination of the commitment of the Banks hereunder prior to October 1, 1982, of ½ of 1% per annum on the daily average aggregate amount of the unused Commitments. The Commitment Fee in respect of each calendar quarter (or portion thereof) shall be payable following the end of such calendar quarter on the 15th day after receipt by the City of a statement from the Agent of the amount of the Commitment Fee for such calendar quarter, for any period then ending for which the Commitment Fee shall not have been theretofore paid.

(k) The City covenants that so long as either BAN's or Notes are outstanding and unpaid the City will not issue or incur any general obligation indebtedness for the purpose of financing the City's North Loop Development Project except for the purpose of paying or prepaying the BAN's or the Notes or any portion thereof.

9. *Events of Default.*

(a) If one or more of the following "events of default" occur:

(i) Default in the payment of principal of, or interest on, any Note when due;

(ii) Default by the City in the payment of any other general obligation indebtedness for borrowed money (including, without limitation, installments of interest on the BAN's and lease rental payments to the Public Building Commission of Chicago) or any water or sewer revenue notes (which water or sewer revenue notes are held at such time by any of the Banks) when the same becomes due and payable or the failure by the City to observe or perform any term, covenant or agreement contained in any agreement, instrument, ordinance or resolution by which it is bound evidencing or securing general obligation indebtedness for borrowed money for such period of time as would cause acceleration of the maturity thereof or would permit (assuming the giving of appropriate notice if required) the holder or holders thereof to accelerate the maturity thereof;

(iii) Any representation made by the City herein or in any schedule, statement, exhibit, report, certificate, notice or writing furnished by the City to the Banks in connection herewith of which the Banks have given notice to the City shall be untrue in any material respect on the date as of which the facts set forth are stated or certified and, with respect only to financial reports delivered pursuant to Sections 8(e) and (f) hereof, which is not made good within 30 days after notice thereof from the Agent or any of the Banks;

(iv) Legislation shall be enacted or a referendum of the electors of the City shall be passed or a decision by a court of competent jurisdiction shall become final and not subject to further review which prevents the City from complying with the Ordinance, this Agreement, the Notes, the BAN's or the Bonds or limits or modifies the powers of the City in any way which materially and adversely affects the ability of the City to perform its obligations under any of the foregoing instruments or to pay any of its general obligation indebtedness as the same become due or the Ordinance shall be modified or amended except as permitted by this Agreement;

(v) Default in the performance of any of the City's agreements set forth herein or in the Ordinance (and not constituting an event of default under any of the preceding subsections of this Section 9(a)) and continuance of such default for 30 days after notice thereof to the City from the Agent or from any Bank; or

(vi) A decree or order by a court having jurisdiction shall be entered adjudging the City a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization or rearrangement of the City under the Federal bankruptcy laws or any similar applicable Federal or Illinois law, and such decree or order shall continue undischarged or unstayed for a period of 30 days; or a decree or order of a court having jurisdiction in the premises for the appointment of a receiver, liquidator, trustee or assignee in bankruptcy or insolvency of the City or all or any material portion of its property, or for the windingup or liquidation of the City or all or any material portion of its property, shall be entered, and such decree or order shall continue undischarged and unstayed for a period of 30 days; or

(vii) The City shall institute proceedings to be adjudicated a voluntary bankrupt, or shall consent to the filing of a bankruptcy proceeding against it, or shall file a petition or answer or consent seeking reorganization or arrangement under the Federal bankruptcy laws or any similar applicable Federal or Illinois law, or shall consent to the filing of any such petition, or shall consent to the appointment of a receiver, liquidator, trustee or assignee in bankruptcy or insolvency of the City or of all or any material portion of its property, or shall make an assignment generally for the benefit of creditors, or shall admit in writing its insolvency or inability to pay its debts generally as they become due, or any action shall be taken by the City in furtherance of any of these purposes;

then (i) if Notes have been issued pursuant to this Agreement, the Agent may, and upon the request of any Bank or Banks holding not less than 51% of the aggregate principal amount of the Notes (which may include the Agent) shall, declare the principal of and accrued interest on the Notes to be immediately due and payable, and the Notes shall thereupon be and become immediately due and payable, without presentment, demand, protest or notice of any kind, all of which are expressly waived, and without relieving the City of any of its obligations under the Ordinance or this Agreement; provided, however, that in the case of any occurrence of any event of default described in the foregoing clauses (vi) or (vii), the Notes shall become due and payable forthwith without the requirements of any such declaration or request, and without presentment, demand, protest or other notice of any kind, all of which are expressly waived; and (ii) prior to the issuance of any Notes under this Agreement, the Agent may, and upon the request of any Bank or Banks having not less than 51% of the aggregate Commitments (which may include the Agent) shall, terminate this Agreement and the commitment of the Banks to make loans hereunder by giving written notice of such termination to the City.

(b) If any event of default or event which might mature into an event of default has occurred and is continuing, the Agent may take whatever action at law or in equity which may appear necessary or desirable to collect the principal of and interest on the Notes then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement of covenant of the City under the Ordinance, this Agreement or the Notes, whether for specific performance of any covenant or agreement contained in the Ordinance, this Agreement or the Notes or in aid of the execution of any power granted in this Agreement or the Ordinance.

(c) No remedy in this Agreement conferred upon or reserved to the Agent or the Banks is intended to be exclusive of any other available remedy or remedies. Each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement, as now or subsequently existing at law or in equity or by statute. No delay or omission to exercise any right or power occurring upon any event of default shall be construed to be a waiver of such right or power, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Agent or the Banks to exercise any remedy reserved in this Agreement, it shall not be necessary to give any notice other than notice required by this Agreement.

(d) In the event of any default in payment of principal of or interest on the Notes when due, any indebtedness from the Agent or from any Bank to the City may be set off and applied to the payment of the defaulted principal of or interest on the Notes. This paragraph shall not apply to any funds held by the Agent or any Bank, in its capacity as trustee, escrowee or paying agent, in any segregated escrowed or trusteed account or to any taxes, assessments or charge made by the City against such Bank in its governmental capacity as to which funds there shall be no such setoff or application.

(e) Any request by the City for a waiver or consent with respect to a default (other than a default described in Section 9 (a)(i), (ii), (vi) or (vii) hereof), shall be acted on by the Banks within 60 days after receipt of written request therefor, and if not acted on within such time shall be deemed to have been granted. Any such request shall contain full and complete disclosure of all material facts, and any waiver granted shall be effective only to the extent of such disclosure.

10. *The Agent.*

(a) Each Bank authorizes the Agent to act on behalf of such Bank to the extent provided in this Agreement and to take such other action as may be reasonably incidental to such action.

(b) The Agent shall not be required to do any act under this Agreement, or take any action towards the execution or enforcement of the agency created by this Agreement or to prosecute or to defend any suit in respect of this Agreement or any security unless indemnified by the Banks to the satisfaction of the Agent against loss, cost, liability and expense. If any indemnity furnished to the Agent for any performance should become impaired, the Agent may call for additional indemnity and may cease to do the acts indemnified against until such additional indemnity is given.

(c) Each Bank agrees to reimburse the Agent, to the extent not reimbursed by the City, for such Bank's pro rata share (based upon its percentage of the aggregate commitment set forth on the signature pages of this Agreement) of all reasonable out-of-pocket expenses (including reasonable attorney's fees and legal expenses) incurred by the Agent under or in connection with this Agreement or in enforcing the obligation of the City under this Agreement, the Ordinance or the Notes, or in enforcing any security for this Agreement or the Notes.

(d) The Agent shall promptly distribute to each of the Banks such Bank's pro rata share of all payments actually received by the Agent with respect to the Notes and the Commitment Fee payable to the Banks pursuant to Section 8(m) of this Agreement. The Agent shall conclusively deem each of the Banks to have continuing interests in its Notes until such time as the Agent shall have received written notice from such Bank that its interest in its Notes has been assigned as provided in Section 11(b) of this Agreement to a proper assignee, which notice shall set forth the name and address of such assignee.

(e) Neither the Agent, nor any of its directors, officers, employees or agents, shall be liable as such for any action taken or omitted by it or them, except for its own or their own gross negligence or willful misconduct, nor responsible for any recitals or warranties in this Agreement, nor for the execution or validity of this Agreement or the Notes, nor for the validity, effectiveness or enforcement of any security, nor to make any inquiry concerning the performance by the City of its obligations. The Agent shall be entitled to rely upon advise of counsel concerning legal matters and upon any certificate, schedule, statement, reports, notice or writing which it believes to be genuine or to have been presented by a proper person.

(f) The Agent may resign as such at any time upon at least 30 days' prior written notice to the City and the Banks, such resignation to take effect upon the appointment of and acceptance by a successor agent in accordance with the next sentence of this Section. In the event the Agent gives notice of its resignation, Banks holding in the aggregate interests in more than 50% of the unpaid principal amount of the Notes shall, as promptly as practicable, appoint a successor agent.

(g) Each Bank acknowledges that it has, independent of the Agent and any other Bank and based on such financial statements, documents, information and investigations as has been furnished by the City, made its own credit decision to make the loan to the City under this Agreement. Each Bank also acknowledges that it will, independently of the Agent and any other Bank and based on such documents, information and investigations as it shall deem appropriate, continue to make its own credit decisions in exercising or not exercising from time to time any rights and privileges available to it under this Agreement and any instrument executed pursuant to this Agreement.

(h) Each assignee of an interest of a Bank in a Note pursuant to Section 11(b) of this Agreement shall have with respect to such interest all of the rights, privileges, authorities, duties and obligations of its assignor from and after the time that notice in writing of such assignment shall have actually been received by the Agent.

11. *General.*

(a) No official, officer, agent or employee of the City shall be liable personally on the Notes by reason of the issuance thereof.

(b) This Agreement shall be binding upon and shall inure to the benefit of the City, the Agent and the Banks, and the respective successors and assigns of the Agent and the Banks but only to the extent such assignment is permitted under this paragraph (b), and shall inure to the benefit of each such assignee of the Notes or any interest therein. Any Bank may assign its interests in this Agreement or its Notes (either in whole or in part) only to any other national or state bank. The Bank assigning any interest in its Note shall promptly notify the City and the Agent and of such assignment and of the name and of the address of the assignee. The failure so to give notice of assignments shall not affect the validity of such assignment.

(c) The City agrees to indemnify and hold harmless each Bank and each person, if any, who controls (within the meaning of Section 15 of the Securities Act of 1933, as amended) any of the Banks severally against any and all losses, claims, damages, liabilities and expenses (including reasonable attorneys' fees and expenses) (i) arising out of any statement or information contained in the Preliminary Official Statement of the City dated March ...., 1981 or the Official Statement of the City dated April ...., that is untrue or alleged to be untrue in any material respect or any material omission or alleged omission therefrom of any statements or information which is necessary to make the statements or information therein, in the light of the circumstances under which they were made, not misleading in any material respect; (ii) to the extent of the aggregate amount paid in settlement of any litigation, commenced or threatened, or of any claim whatsoever based upon any such untrue statement, alleged untrue statement, omission or alleged omission; and (iii) reasonably incurred in investigating, preparing or defending against any litigation, commenced or threatened, or any claim whatsoever based upon any such untrue statement, alleged untrue statement, omission or alleged omission, to the extent that any such expense is not paid under (i) or (ii) above. In case any claim shall be made or action brought against any Bank or any controlling person (as aforesaid) based upon such Preliminary Official Statement or such Official Statement, in respect of which indemnity may be sought against the City, such Bank shall promptly notify the City in writing setting forth the particulars of such claim or action. All obligations provided for in this paragraph (d) shall survive any termination of this Agreement.

(d) The provisions of this Agreement, the Notes and the Ordinance shall each constitute a contract among the City, the Agent and the Banks. Any owner of any interest in any Note may either in law or equity, by suit, action, mandamus or other proceeding, enforce or compel performance by the City and its officials of all duties required by law, the Notes, this Agreement or the Ordinance. No change, modification or waiver pursuant to Section 9(e) hereof shall be made in this Agreement, the Notes or the Ordinance which in any way affect the obligation of the City with respect to the Notes, this Agreement or the Ordinance without the prior written consent (except as otherwise provided in Section 9(e)) of the City and Banks having not less than 51% of the aggregate Commitments or holding not less than 51% of the aggregate unpaid principal amount of the Notes, but no such change, modification or waiver in the maturity, principal amount, principal installment payment dates or amounts interest payment dates, interest rates, security or sources of payment of the Notes shall be made without the prior written consent of the City and each of the Banks.

(e) Whenever possible each provision of this Agreement shall be interpreted in a manner as to be effective and valid under Illinois law, but if any provision of this Agreement shall be prohibited by or invalid under Illinois law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Agreement.

(f) This Agreement may be executed in any number of copies and by the different Banks on separate counterparts; provided, however, that each counterpart shall be executed by the City and the Agent. When counterparts executed by all parties shall have been received by the Agent, this Agreement shall become effective and at that time the Agent shall notify the City and each Bank.

(g) No failure or delay by the Agent or the Banks in exercising any right, power or privilege under the Ordinance, the Notes or this Agreement shall operate as a waiver of that right, power or privilege, nor shall any single or partial exercise or any right, power or privilege preclude any other or further exercise of that right, power or privilege or the exercise of any other right, power or privilege.

(h) Any notice under this Agreement shall be effective upon receipt and shall be delivered, in the case of the City, to the City at City Hall, attention Comptroller, and, in the case of the Agent or the Banks, to the Agent at 231 South LaSalle Street, Chicago, Illinois 60693, attention Public Finance Department.

In Witness Whereof, the parties to this Agreement have caused it to be executed by their respective authorized officers on this .... day of April, 1981.

ARTICLE II. CREATION OF THE ESCROW

2.01. *Establishment of Escrow Account.* The Escrow Acount is hereby established with the Escrow Agent pursuant to the Note Ordinance and this Agreement, separate and segregated from all other funds and accounts of the City.

2.02. *Loans, Refunding Securities and Additional Deposits.* Pursuant to the Note Ordinance and for the purpose of providing the funds required to pay principal of and interest on the Notes as the same become due, the proceeds of any Loans or Refunding Securities and the Additional Deposits shall be paid to the Escrow Agent for deposit in the Escrow Account in accordance with the following procedures:

> (A) *Loans and Refunding Securities*—Promptly upon receipt of the proceeds of any Loans or Refunding Securities, the Treasurer shall pay such proceeds to the Escrow Agent for deposit in the Escrow Account.
>
> (B) *Additional Deposits*—In the event that sufficient moneys are not on deposit in the Escrow Account to make any required principal or interest payment on the Notes when due, then other moneys of the City shall be paid to the Escrow Agent for deposit therein (the "Additional Deposits"), not less than one (1) business day before such principal or interest is due, in an amount sufficient to provide for the timely payment thereof.

Such payments and deposits shall continue, but only until an amount has been so deposited which, together with all moneys on deposit in the Escrow Account, is sufficient to make all payments of principal of and interest on the Notes as the same become due, and thereafter no further deposits shall be required.

2.03. *Capitalized Interest.* Simultaneously with the delivery of the Notes, the Treasurer shall withdraw from the proceeds of the Notes and pay to the Escrow Agent for deposit in the Escrow Account an amount which, together with any accrued interest received, will be sufficient to pay the interest due on the Notes on October 1, 1981 and April 1, 1982. The amount thereby deposited shall be used solely and only for the purpose of paying the interest becoming due on the Notes on such dates and represented by the interest coupons numbered one and two, respectively.

ARTICLE III. OPERATION OF THE ESCROW ACCOUNT

3.01. *Amounts Held in Escrow Account.* Moneys deposited in the Escrow Account shall be used solely and only for the purpose of paying principal of and interest on the Notes and shall not be used for any other purpose (other than making investments permitted by Section 3.03 hereof) so long as any Notes remain outstanding. The holders of the Notes shall have a first and prior lien upon all moneys deposited in the Escrow Account, but only after such moneys are deposited in the Escrow Account and only until the principal of and interest on the Notes are paid in full or until such moneys are withdrawn or removed from the Escrow Account pursuant to this Section 3.01 or Section 3.03 hereof. After all payments due and to become due to holders of the Notes have been made or provided for, any amount remaining on deposit in the Escrow Account shall be paid to the City.

3.02. *Payment of the Notes.* On each interest payment date, the Escrow Agent shall withdraw from the Escrow Account and transfer to the Paying Agents moneys sufficient to pay principal of and interest on the Notes due on such date. All such transfers of money to the Paying Agents shall be in immediately available funds. The remittance by the Escrow Agent of such moneys to the Paying Agents shall fully release and discharge the Escrow Agent from any further duty or obligation with respect thereto under this Agreement. The Escrow Agent is authorized to liquidate any investments in the Escrow Account in order to make available moneys necessary to make such transfers.

3.03. *Investment of Moneys in Escrow Account.* Pending the need for moneys deposited in the Escrow Account to be used for payment of principal of and interest on the Notes, said moneys may be invested by the Escrow Agent in Permitted Investments in accordance with the written directions of the Comptroller, with written affirmation of the Treasurer. Investments shall be scheduled to mature within the time required to pay principal of and interest on the Notes when due.

The Escrow Agent shall report on the status of investment of moneys in the Escrow Account on a monthly basis pursuant to Section 3.04, and distributions of net earnings on Permitted Investments shall be paid as received to the City; provided, however, that at any time when the other moneys on deposit in the Escrow Account are not sufficient to make all payments due and to become due to holders of the Notes, net earnings on Permitted Investments shall first be used to make such payments to the extent such other moneys are insufficient.

3.04. *Reports.* The Escrow Agent shall submit to the Treasurer and the Comptroller a monthly statement commencing May 1, 1981, itemizing all moneys received by it and all transfers and payments made by it under the provisions of this Agreement during the preceding month, and also listing the Permitted Investments on deposit therewith on the date of said report, including all moneys held by it received as interest on or profit from the Permitted Investments.

The Comptroller shall advise the Escrow Agent at least ten (10) days prior to each interest payment date of the amount of principal and/or interest becoming due on the Notes on such date. If it shall then appear to the Escrow Agent that the total moneys in the Escrow Account, including deposits therein, investments and earnings on investments, will not be sufficient to make all payments due to the holders of the Notes on such date, the Escrow Agent shall notify the City not less than five (5) days prior to such date and the City shall make Additional Deposits pursuant to Section 2.02 hereof. Any failure by the Escrow Agent to so notify the City shall not relieve the City of its obligation to make Additional Deposits pursuant to Section 2.02 hereof.

3.05. *Payment of Fees.* The fees of the Escrow Agent and the Paying Agents shall be paid by the City. Such fees shall be competitive with fees charged for similar services by other banking institutions in the City.

ARTICLE IV. COVENANTS

The City and the Escrow Agent covenant and agree as follows:

4.01. The Escrow Agent shall have no responsibility or liability whatsoever for (a) any of the recitals herein (except those relating to its own organization), (b) the performance of or compliance with any covenant, condition, term or provision of the Notes or the Note Ordinance, and

(c) any undertaking or statement of the City hereunder or under the Notes or the Note Ordinance. The Escrow Agent is not a trustee for the holders of the Notes and has no obligation in its capacity as Escrow Agent to enforce the rights of the holders of the Notes under the Note Ordinance or this Agreement.

4.02. The Escrow Agent has all the powers and duties herein set forth with no liability in connection with any act or omission to act hereunder, except for its own gross negligence or willful misconduct, and shall be under no obligation to institute any suit or action or other proceeding under this Agreement or to enter any appearance in any suit, action, or proceeding in which it may be a defendant or to take any steps in the enforcement of its, or any, rights and powers hereunder, nor shall it be deemed to have failed to take any such action, unless and until it shall have been indemnified to its satisfaction against any and all costs and expenses, outlays, counsel fees and other disbursements, including its own reasonable fees, and if any judgment, decree or recovery be obtained by the Escrow Agent, payment of all sums due it, as aforesaid, shall be a first charge against the amount of any such judgment, decree or recovery. The Escrow Agent shall promptly notify the City of any such suit, action or proceeding.

4.03. The Escrow Agent, in its separate capacity as a banking institution, may in good faith buy, sell or hold and deal in any of the Notes. The Escrow Agent may also, at the direction of the Comptroller and the Treasurer as provided in Section 3.03, invest for the Escrow Account in certificates of deposit issued by itself and in other Permitted Investments purchased from itself; provided, however, that the Escrow Agent shall not have or exercise any right of set-off with respect to the Escrow Account against any obligation of the City.

4.04. All transfers and payments to be made by, and all acts and things required to be done by, the Escrow Agent under the terms and provisions of this Agreement shall be made and done by the Escrow Agent without any further direction or authority of the City except as expressly provided herein.

4.05. The Escrow Agent is authorized, in its sole discretion, to disregard any and all notices or instructions given by the City or any other person, firm or corporation, except (i) only such notices or instructions as are hereinabove specifically provided for and (ii) orders or process of any court having jurisdiction duly entered or issued. 4.06. The Escrow Agent shall not be personally liable for any act taken or omitted hereunder if taken or omitted by it in good faith and in the exercise of its own best judgment. The Escrow Agent shall also be fully protected in relying upon any written notice, demand, certificate or document which it in good faith believes to be genuine.

4.07. The Escrow Agent shall not be responsible for the sufficiency or accuracy of the form, execution, validity or genuineness of any securities now or hereafter deposited hereunder, or of any endorsement thereon, or for any lack of endorsement thereon, or for any description therein, nor shall it be responsible or liable in any respect on account of the identity, authority or rights of the persons executing or delivering or purporting to execute or deliver any such document, security or endorsement. The Escrow Agent shall not be liable for any depreciation or change in the value of such investments.

4.08. If the Escrow Agent reasonably believes it to be necessary to consult with counsel concerning any of its duties in connection with this Agreement, or in case it becomes involved in litigation on account of being Escrow Agent hereunder or on account of having received property subject hereto, then in either case, its costs, expenses, and reasonable attorneys' fees shall be paid by the City of Chicago Office of the Corporation Counsel, Department of Law, upon timely notice thereof having been given.

4.09. This Agreement shall be construed, enforced, and administered in accordance with the laws of the State of Illinois, and shall inure to, and be binding upon, the respective successors and assigns of the parties hereto.

The term "Pledged Taxes" in respect of any calendar year shall mean the taxes hereinabove levied for collection in such year for the purpose of providing the funds required to pay (i) interest on the Bonds becoming due on July 1 of such year and (ii) principal of and interest on the Bonds becoming due on January 1 of the following year, less any abatement thereof pursuant to Section 11 hereof.

Section 7. The City shall appropriate amounts sufficient to pay principal of and interest on the Bonds for the years such amounts are due, but, if for any such year it fails to do so, this Ordinance shall constitute a continuing appropriation ordinance of such amounts without any further action on the part of the City Council.

Section 8. The Bonds shall be secured by a special account, separate and segregated from all other funds and accounts of the City, heretofore established and designated "Master Escrow for Payment of City of Chicago General Obligation Bonds" (the "Escrow Account"), said Escrow Account being maintained with Continental Illinois National Bank and Trust Company of Chicago, Chicago, Illinois, as escrow agent (the "Escrow Agent"), pursuant to an agreement, dated as of April 1, 1981, entitled "Master Escrow Agreement (General Obligation Bonds)" (the "Escrow Agreement") between the City and the Escrow Agent. The Bonds shall constitute "Additional Bonds" as defined in the Escrow Agreement.

Section 9. The City Treasurer is hereby ordered and directed to deposit proceeds of the Pledged Taxes and other moneys into the Escrow Account in accordance with the terms of the Escrow Agreement. Moneys so deposited in the Escrow Account shall be invested in accordance with the Escrow Agreement and shall be used solely and only for the purpose of paying principal of and interest on the Bonds and Additional Bonds (as defined in the Escrow Agreement) so long as any Bonds or Additional Bonds remain outstanding. The City hereby pledges, as equal and ratable security for the Bonds and Additional Bonds, all present and future proceeds of the Pledged Taxes for the sole benefit of the holders of the Bonds and Additional Bonds and said holders shall have an equal and ratable first and prior lien upon all present and future proceeds of such levy but only after such proceeds are deposited in the Escrow Account and only until the principal of and interest on the Bonds and Additional Bonds are paid in full or until such proceeds are withdrawn or removed from the Escrow Account pursuant to the Escrow Agreement. On each interest payment date, moneys in the Escrow Account shall be transferred in accordance with the Escrow Agreement.

In the event that proceeds of the Pledged Taxes are not available in time to make any payments of principal of or interest on the Bonds when due, then the fiscal officers of the City are hereby directed to make such payments in accordance with the Escrow Agreement from any other moneys, revenues, receipts, income, assets or funds of the City that are legally available for that purpose in advancement of the collection of the Pledged Taxes and when the proceeds of the Pledged Taxes are received, such other funds shall be replenished, all to the end that the credit of the City may be preserved by the prompt payment of the principal of and interest on the Bonds as the same become due.

Section 10. A copy of this Ordinance, duly certified by the City Clerk, shall be filed in the respective offices of the County Clerks of Cook and DuPage Counties, Illinois (the "County Clerks"), and such filing shall constitute the authority for and it shall be the duty of said County Clerks, in each year beginning in 1983 to and including 2002, to extend the taxes levied pursuant to Section 6 hereof for collection, such taxes to be in addition to and in excess of all other taxes heretofore or hereafter authorized to be levied by the City on its behalf.

Section 11. The City Comptroller is hereby authorized to sell the Bonds, with the concurrence of the Chairman of the Committee on Finance of the City Council, either pursuant to advertised notice and the receipt of sealed bids, such sale to be on the basis of not less than ninety- .... percent (9....%) of par and the lowest interest cost to the City, or pursuant to a negotiated sale at a price of not less than ninety- .... percent (9....%) of par and on such terms as he may deem to be in the best interests of the City; provided that, in either case, the interest rate for the Bonds of each maturity shall not exceed the rate or rates specified therefor in Section 2 hereof. Subsequent to such sale, the City Comptroller shall file in the office of the City Clerk a notification of sale directed to the City Council setting forth the name of the purchaser or purchasers of the Bonds, the terms of the sale, and the interest rate or rates on the Bonds, and thereafter the Bonds shall be duly prepared and executed in the form and manner provided herein and delivered to the City Treasurer for delivery to the purchaser or purchasers in accordance with the terms of sale.

In the event that the Bonds of any maturity are sold bearing an interest rate less than the rate specified therefor in Section 2 hereof, then the City Comptroller shall include in the notification of sale referred to above further information to indicate the amount of reduction in interest cost to the City resulting from such sale at a lower rate of interest, and, in addition, the City Comptroller shall file in the respective offices of the County Clerks certificates of tax abatement. Such certificates shall refer to the amount of taxes levied pursuant to Section 6 hereof, shall indicate the amount of reduction in interest cost to the City resulting from the sale of the Bonds at a lesser rate or rates of interest than the rate or rates specified therefor in Section 2 hereof, which reduced amount is to be abated from such taxes, and shall further indicate the remainder of such taxes which are to be extended for collection by said County Clerks.

The proceeds from the sale of the Bonds (after payment of the costs of issuance) shall be used to pay or provide for payment of when due the principal of and interest on all of the then outstanding BAN's. Pending such use the Bond proceeds shall be applied as follows: (i) an amount which, together with any accrued interest received, will be sufficient to pay the interest becoming due on the Bonds on January 1, 1983 shall be deposited in the Escrow Account under the terms of the Escrow Agreement, and (ii) the remaining proceeds shall be deposited into the "Special Escrow for Payment of City of Chicago General Obligation Bond Anticipation Notes, Series of April, 1981" and held pursuant to the terms of the Escrow Agreement (General Obligation Bond Anticipation Notes, Series of April, 1981) dated as of April 1, 1981 between the City and the Escrow Agent named therein. In the event proceeds from the sale of the BAN'S have not been fully expended prior to payment in full of the BAN'S, such proceeds shall remain in the special account described in Section 9 of the ordinance authorizing the issuance of the BAN'S and the disbursement of such proceeds shall remain subject to the provisions of said Section 9.

Section 12. The City covenants that it will take no action in the investment of the proceeds of the Bonds which would result in making the interest payable on any of the Bonds subject to federal income taxes by reason of the Bonds being classified as "arbitrage bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended.

Section 13. This Ordinance is made pursuant to the powers of the City as a home rule unit under Article VII of the 1970 Illinois Constitution. The appropriate officers of the City are hereby authorized to take such actions and do such things as shall be necessary to perform, carry out, give effect to and consummate the transactions contemplated by this Ordinance, the Bonds and the Escrow Agreement.

Section 14. The Mayor and the City Comptroller may each designate another to act as their respective proxies and to affix their respective signatures to the Bonds, the Escrow Agreement, and any other instrument, certificate or document required to be signed by the Mayor or the City Comptroller pursuant to this Ordinance or the Escrow Agreement. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxies for the Mayor and the City Comptroller, respectively. A written signature of the Mayor or of the City Comptroller, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signatures attached, shall be recorded in the Journal of the Proceedings of the City Council and then filed with the City Clerk. When the signature of the Mayor is placed on an instrument, certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the signature of the City Comptroller is so affixed to an instrument, certificate or document at the direction of the City Comptroller, the same, in all respects, shall be binding on the City as if signed by the City Comptroller in person.

SECTION 15. To the extent that any statutes, ordinances, resolutions, rules or orders, or parts thereof, are in conflict with the provisions of this Ordinance, the provisions of this Ordinance shall be controlling. If any provision of this Ordinance shall be prohibited by or invalid under Illinois or Federal law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Ordinance. This Ordinance shall be published by the City Clerk by causing to be printed in pamphlet form at least 100 copies hereof, which copies are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this Ordinance, and this Ordinance shall be in full force and effect from and after its passage, approval by the Mayor and publication as provided by law.

SECTION 7. The City shall appropriate amounts sufficient to pay principal of and interest on the Bonds for the years such amounts are due, but, if for any such year it fails to do so, this Ordinance shall constitute a continuing appropriation ordinance of such amounts without any further action on the part of the City Council.

SECTION 8. Holders of the Bonds shall have a claim against the levy therefor and an equal and ratable first and prior lien upon all present and future proceeds of such levy, upon all other moneys required hereunder to be deposited in the Escrow Account, and upon all moneys required to be deposited in the Escrow Account for the purpose of paying principal of and interest on any Additional Bonds, but only after such proceeds and moneys are deposited in the Escrow Account and only until the principal of and interest on the Bonds and Additional Bonds are paid in full or until such proceeds and moneys are withdrawn or removed from the Escrow Account pursuant to the Escrow Agreement. On each interest payment date, moneys in the Escrow Account shall be transferred in accordance with the Escrow Agreement.

The proceeds from the sale of the Bonds (after payment of the costs of issuance) shall be used to pay or reimburse the City for payment of the costs of the Capital Projects. Pending such use the Bond proceeds shall be applied as follows: (i) an amount which, together with any accrued interest received, will be sufficient to pay the interest becoming due on the Bonds on January 1, 1982 shall be advanced from the capital project account hereinafter described for the purpose of paying such interest and shall be deposited in the Escrow Account under the terms of the Escrow Agreement, and (ii) the remaining proceeds shall be deposited in a capital project account established to pay the costs of the Capital Projects.

SECTION 12. The City covenants that it will take no action in the investment of the proceeds of the Bonds which would result in making the interest payable on any of the Bonds subject to federal income taxes by reason of the Bonds being classified as "arbitrage bonds" within the meaning of Section 103(c) of the Internal Revenue Code of 1954, as amended.

SECTION 13. The Escrow Agreement, in substantially the form attached hereto as Exhibit A, shall be entered into and the same is hereby approved and shall be executed for and on behalf of the City by the Mayor, the City Treasurer and the City Comptroller, attested by the City Clerk or Deputy City Clerk, and shall have the corporate seal of the City affixed thereto.

SECTION 15. The Mayor and the City Comptroller may each designate another to act as their respective proxies and to affix their respective signatures to the Bonds, the Escrow Agreement, and any other instrument, certificate or document required to be signed by the Mayor or the City Comptroller pursuant to this Ordinance or the Escrow Agreement. In such case, each shall send to the City Council written notice of the person so designated by each, such notice stating the name of the person so selected and identifying the instruments, certificates and documents which such person shall be authorized to sign as proxies for the Mayor and the City Comptroller, respectively. A written signature of the Mayor or of the City Comptroller, respectively, executed by the person so designated underneath, shall be attached to each notice. Each notice, with the signatures attached, shall be recorded in the Journal of the Proceedings of the City Council and then filed with the City Clerk. When the signature of the Mayor is placed on an instrument, certificate or document at the direction of the Mayor in the specified manner, the same, in all respects, shall be as binding on the City as if signed by the Mayor in person. When the signature of the City Comptroller is so affixed to an instrument, certificate or document at the direction of the City Comptroller, the same, in all respects, shall be binding on the City as if signed by the City Comptroller in person.

If any provision of this Ordinance shall be prohibited by or invalid under Illinois or Federal law, that provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Ordinance. This Ordinance shall be published by the City Clerk by causing to be printed in pamphlet form at least 100 copies hereof, which copies are to be made available in his office for public inspection and distribution to members of the public who may wish to avail themselves of a copy of this Ordinance, and this Ordinance shall be in full force and effect from and after its passage, approval by the Mayor and publication as provided by law.

ARTICLE II. CREATION OF THE ESCROW

2.01. *Establishment of Escrow Account.* The Escrow Account is hereby established with the Escrow Agent pursuant to the Series of April, 1981 Bond Ordinance and this Agreement, separate and segregated from all other funds and accounts of the City.

2.02. *Pledged Taxes and Additional Deposits.* Pursuant to the Bond Ordinances and for the purpose of providing the funds required to pay principal of and interest on the Bonds and Additional Bonds as the same become due, the Pledged Taxes and the Additional Deposits shall be paid to the Escrow Agent for deposit in the Escrow Account in accordance with the following procedures:

(A) *Pledged Taxes*—Prior to the receipt of the first distribution of collections of property taxes in each Year, commencing in 1982, the Comptroller shall issue to the Treasurer (with a copy to the Escrow Agent) a Segregation Order specifying the percentage of each distribution to be received during such Year which is attributable to Pledged Taxes and directing that such percentage of each such distribution be segregated and paid to the Escrow Agent. Promptly upon receipt of each such distribution of property taxes from the County Collector, the Treasurer shall so segregate and pay to the Escrow Agent for deposit in the Escrow Account an amount equal to the amount of such distribution multiplied by the percentage specified in the Segregation Order.

(B) *Additional Deposits*—In the event that sufficient moneys are not on deposit in the Escrow Account to make any required principal or interest payment on the Bonds and Additional Bonds when due, then other moneys of the City shall be paid to the Escrow Agent for deposit therein (the "Additional Deposits"), not less than one (1) business day before such principal or interest is due, in an amount sufficient to provide for the timely payment thereof.

Such segregations, payments and deposits shall continue during each Year, but only until an amount has been so deposited which, together with all moneys on deposit in the Escrow Acount, is sufficient to pay (i) interest on the Bonds and Additional Bonds becoming due on July 1 of such Year and (ii) principal of and interest on the Bonds and Additional Bonds becoming due on January 1 of the following Year, and thereafter no further deposits shall be required during such Year.

2.03. *Other Deposits.* When any Bond Ordinance provides for the deposit into the Escrow Account of proceeds of Bonds or Additional Bonds or other moneys for the purpose of paying principal of or interest on Bonds or Additional Bonds, such amounts shall be held hereunder and applied in accordance with such Bond Ordinance and the provisions hereof.

ARTICLE III. OPERATION OF THE ESCROW ACCOUNT

3.01. *Amounts Held in Escrow Account.* Moneys deposited in the Escrow Account shall be used solely and only for the purpose of paying principal of and interest on the Bonds and Additional Bonds and shall not be used for any other purpose (other than making investments permitted by Section 3.03 hereof) so long as any Bonds or Additional Bonds remain outstanding. The holders of the Bonds and Additional Bonds shall be equally and ratably secured by and shall have a first and prior lien upon all moneys deposited in the Escrow Account, including (i) all present and future proceeds of the Pledged Taxes, (ii) the Additional Deposits, and (iii) any other deposits, but only after such moneys are deposited in the Escrow Account and only until the principal of and interest on the Bonds and Additional Bonds are paid in full or until such moneys are withdrawn or removed from the Escrow Account pursuant to this Section 3.01 or Section 3.03 hereof. After all payments due and to become due to holders of the Bonds and Additional Bonds have been made or provided for, any amount remaining on deposit in the Escrow Account shall be paid to the City.

3.02. *Payment of the Bonds and Additional Bonds.* On each interest payment date, the Escrow Agent shall withdraw from the Escrow Account and transfer to the Paying Agents moneys sufficient to pay principal of and interest on the Bonds and Additional Bonds due on such date. All such transfers of money to the Paying Agents shall be in immediately available funds. The remittance by the Escrow Agent of such moneys to the Paying Agents shall fully release and discharge the Escrow Agent from any further duty or obligation with respect thereto under this Agreement. The Escrow Agent is authorized to liquidate any investments in the Escrow Account in order to make available moneys necessary to make such transfers.

3.03. *Investment of Moneys in Escrow Account.* Pending the need for the moneys deposited in the Escrow Account to be used for payment of principal of and interest on the Bonds and Additional Bonds, said moneys may be invested by the Escrow Agent in Permitted Investments in accordance with the written directions of the Comptroller, with written affirmation of the Treasurer. Investments shall be scheduled to mature within the time required to pay principal of and interest on the Bonds and Additional Bonds when due.

The Escrow Agent shall report on the status of investment of moneys in the Escrow Account on a monthly basis pursuant to Section 3.04, and distributions of net earnings on Permitted Investments shall be paid as received to the City; provided, however, that at any time when the other moneys on deposit in the Escrow Account are not sufficient to make all payments due and to become due to holders of the Bonds and Additional Bonds on July 1 of the then current Year and January 1 of the following Year, net earnings on Permitted Investments shall first be used to make such payments to the extent such other moneys are insufficient.

3.04. *Reports*. The Escrow Agent shall submit to the Treasurer and the Comptroller a monthly statement commencing May 1, 1981, itemizing all moneys received by it and all transfers and payments made by it under the provisions of this Agreement during the preceding month, and also listing the Permitted Investments on deposit therewith on the date of said report, including all moneys held by it received as interest on or profit from the Permitted Investments.

The Comptroller shall advise the Escrow Agent at least ten (10) days prior to each interest payment date of the amount of principal and/or interest becoming due on the Bonds and Additional Bonds on such date. If it shall then appear to the Escrow Agent that the total moneys in the Escrow Account, including deposits therein, investments and earnings on investments, will not be sufficient to make all payments due to the holders of the Bonds and Additional Bonds on such date, the Escrow Agent shall notify the City not less than five (5) days prior to such date and the City shall make Additional Deposits pursuant to Section 2.02 hereof. Any failure by the Escrow Agent to so notify the City shall not relieve the City of its obligation to make Additional Deposits pursuant to Section 2.02 hereof.

3.05. *Payment of Fees*. The fees of the Escrow Agent and the Paying Agents shall be paid by the City. Such fees shall be competitive with fees charged for similar services by other banking institutions in the City.

ARTICLE IV. COVENANTS

The City and the Escrow Agent covenant and agree as follows:

4.01. 4.06. The Escrow Agent shall not be personally liable for any act taken or omitted hereunder if taken or omitted by it in good faith and in the exercise of its own best judgment. The Escrow Agent shall also be fully protected in relying upon any written notice, demand, certificate or document which it in good faith believes to be genuine.

4.07. The Escrow Agent shall not be responsible for the sufficiency or accuracy of the form, execution, validity or genuineness of any securities now or hereafter deposited hereunder, or of any endorsement thereon, or for any lack of endorsement thereon, or for any description therein, nor shall it be responsible or liable in any respect on account of the identity, authority or rights of the persons executing or delivering or purporting to execute or deliver any such document, security or endorsement. The Escrow Agent shall not be liable for any depreciation or change in the value of such investments.

4.08. If the Escrow Agent reasonably believes it to be necessary to consult with counsel concerning any of its duties in connection with this Agreement, or in case it becomes involved in litigation on account of being Escrow Agent hereunder or on account of having received property subject hereto, then in either case, its costs, expenses, and reasonable attorneys' fees shall be paid by the City of Chicago Office of the Corporation Counsel, Department of Law, upon timely notice thereof having been given.
